No.728/48-55, dated 19-6-1950.

Sir,

Sub: Museum - Pudukkottai - Merger - Staff Absorp-
tion in the Madras Government Service - Techni-
cal Assistant - Relaxation of Rules.
Ref: G.O. Ms.1288, Edn., dated 21st April 1950.

I have the honour to state that the qualification for the post of Technical Assistant in the Government Museum, Pudukkottai recommended by the Curator is the General Minimum Educational qualification with a Science subject as optional. He has also recommended that preference should be given to those who have a fair knowledge of draftsmanship. The duties attached to the post are:

- (1) preparation of sketches etc., for exhibition and for monographs and guides
- (2) writing labels for exhibits
- (3) In addition, he has to attend to the work of the Curator during his absence on short leave.

As there are no corresponding posts in the Provincial Cadre of service and as it is considered that the retention of the post of Technical Assistant is essential it was suggested that the post may be retained and kept on a par with the Grade I, Taxidermist, Category 2, Class II of the Madras General Subordinate Service. The qualification, age and the method of recruitment to Category 2, Grade I Taxidermist are the following:-

- (1) Qualification:- Must possess (i) sufficient skill in pen and ink-drawing
(ii) capacity and aptitude for technical work such as preserving and mounting specimens
(iii) ability to stuff animals satisfactorily
- (2) Age:- He should not have completed 25 years of age.
- (3) Appointment:- Promotion from Grade II, Category Class II of the Madras General Subordinate service.

(3)

The present incumbent of the post, ^{the} Technical Assistant in Pudukkottai Museum, Sri K. Viswanatha Ayyar has passed the S.S.L.C. Examination and completed ^{the} Intermediate Course. He has, besides, undergone training in Archaeological excavation method and has qualified himself in surveying, levelling, Architectural Drawing and Archaeological surveying. He is aged about 41 years. Hence to fit him in the provincial cadre of service, viz., Grade I, Category 2, Class II of the Madras General Subordinate Service, Rules 2 and 4 of the special rules relating to Class II will have to be relaxed.

A

In this connection, I have to bring to Government's notice that the duties of the two posts are not identical. The duties of the Technical Assistant in the Pudukkottai Museum are ~~much~~ ^{more} onerous and responsible than that of the Grade I Taxidermist in the Government Museum, Madras. For want of a corresponding cadre in the Provincial Service and in order to be consistent with the higher scales of pay recommended for the other members of the staff of the Pudukkottai Museum, it was suggested that the pay of the post of the Technical Assistant may be kept on a par with the Grade I Taxidermist of the Government Museum, Madras. The Government may therefore consider the question of keeping the post of Technical Assistant in the Government Museum, Pudukkottai as a separate cadre in the provincial service, governed by ad hoc rules on the same lines as those ~~for~~ ^{for} the Assistant Curators of the Madras Museum and on a suitable scale of pay consistent with the qualification recommended by the Curator.

B

In accordance with the Government Order referred ^{to} above, proposals have been submitted to the Accountant

General for refixation of pay of all the members of staff of the Pudukkottai Museum except the Taxidermist. The present incumbent of the post of Taxidermist, Sri B. Subbiah Naidu is a retired pensioner re-employed. His re-employment was ordered by Government in G.O. Ms.No.1147, Edn. dated 14-4-1949, subject to the condition specified in G.O. No.785, Finance (Pension) dated 16-10-1947. According to para 2 of the Finance G.O. Ms.785 (Pension) dated 16-10-1947, re-employed pensioners should not be given the benefit of the revised scales of pay. Hence he has not been given the concession admissible under paragraphs 5 of G.O. Ms.No.855, Pub (Political) dated 26-3-1950.

Yours faithfully,

A. Arigappan

In my letter No. 728/48-55 dated 19th June 1950, I have submitted to Government that the post of Technical Assistant in Government Museum, Pudukkottai, may be kept as a separate category in the Provincial Service as the qualification responsibilities and duties of the post ~~are of~~ are of higher order than those of the senior taxidermist of the Government Museum, Madras. Government have asked me to keep the post as a separate category in the Provincial Service and have directed me to submit draft amendments to the special rules in the Memorandum cited. But Government have agreed to fix the pay scale of the post as that of the Senior Taxidermist viz. Rs. 60-1-70. The proposal to keep the scale of pay of the post of Technical Assistant on a par with the Senior Taxidermist was originally made because there was no other better corresponding post in the Provincial Scale and not because the pay attached to the post of Senior Taxidermist was consistent with the qualification, duties, and responsibilities of the post of Technical Assistant. I have accordingly submitted ~~for~~ Government in my letter mentioned above, that the scale of pay of the post may be suitably fixed consistent with the qualification prescribed by the Curator, Government Museum, Pudukkottai. I, therefore, request Government that the scale of pay of the post of Technical Assistant may be raised to a slightly higher scale than that of the Senior Taxidermist and fixed as Rs. 60-2-90.

On receipt of the Government orders on the above proposal, I shall submit the draft amendments to the special rules as required in the Memorandum cited.

Museum - Pudukkottai - Merger - Staff -Absorption in Madras Government Service - Technical Assist.-Relaxation of Rules.

**

Ref: From the S.G.M.No.728/48-50 dated 19-6-1950.

In G.O.1288 Edn. d/ 21-4-50 orders were issued directing the merger of the staff of Pudukkottai Museum in the Madras Govt. Service. As for the post of ~~Technical~~ Technical Assistant in the Pudukkottai Museum, it was proposed to accept the recommendation of the S.G.M. that the post might be kept on ^{a par} ~~about~~ with the post of Taxi-dermist Ist Grade in the Govt.Museum, Madras (Category II of Class II of the Madras General Subordinate Service and the scale of pay Rs.60-1-70 attached to the post might be allowed to the ^{Technical Asst} ~~post~~ at Pudukkottai. The S.G.M. was requested to report that if the proposal ~~is~~ accepted whether any relaxation of rules was necessary in this case.

The S.G.M. states that the present incumbent of the post the Technical Assistant in the Pudukkottai Museum Sri K.Viswanatha Iyer has passed the S.S.L.C.Exam. and completed the Intermediate course. He has besides undergone training in Archaeological excavation method and has qualified himself in surveying, levelling, Architectural Drawing and Archaeological surveying. He is aged about 41 years, Hence to fit him in the provincial cadre of service, viz., Grade I, Category 2, Class II of the Madras General Subordinate Service, Rules 2 and 4 of the special rules relating to Class II will have to be relaxed.

The S.G.M. ~~now~~ states though it was suggested that the pay of the Technical Assistants might be kept on a par with the Grade I Taxidermist of the Govt. of ~~Mad~~ Museum, Madras the duties of the ~~Technical~~ Technical Assistants, Pudukkottai Museum are more onerous and responsible than that of the Grade I Taxidermist in the Government Museum, Madras. He therefore request Govt. to consider the question of keeping the post of Techni-

Technical Assistant Government Museum Pudukkottai as a separate cadre in the Provincial service, governed by ad hoc rules on the same lines as those for the Assistant Curators of the Madras Museum and on a suitable scale of pay consistent with the qualification recommended by the Curator.

In the case of Assistant Curators in the Govt. Museum ad hoc Rules were framed in G.O. 3265 Edn. dated 21-12-48. The scale of pay attached to the post is Rs. 90-3-120 per mensem. These posts were regarded a distinct category in class II of the Madras General Subordinate Service.

The S.G.M. did not contemplate when he suggested the scale of senior Taxi-dermist to the Technical Assistant, Pudukkottai Museum that the conditions of service and pay should be further improved as proposed now. He stated even then that the post Technical Assistant should be kept on par with the Senior Taxi-dermist for purposes of pay viz., 60-1-70. The present proposal aims at giving higher pay and higher status.

In the circumstances it seems sufficient if the ~~pay~~ post of Technical Assistant in the Pudukkottai Museum is kept on par with the Senior Taxi-dermist scale of pay and the post may be held as a separate category of service governed by ad hoc rules framed for the purpose.

The file may be sent Public (Services) and Finance for remarks.

Public (Services) Department.

Please see the note of the Education on pp. 1-2 above.

The file relates to the inclusion of the post of

Technical Assistant in the Pudukkottai Museum in the Madras General Subordinate Service-Class II and absorbing Sri K.

Viswanatha Iyer, permanent incumbent of that post under the Madras Government ~~for~~ after relaxing the relevant rules in his favour. There is no post, corresponding to the Technical Assistant in the Pudukkottai Museum, in the Madras General

Subordinate Service-Class II. The post of Technical Assistant in the Pudukkottai Museum, being a permanent one, may therefore be included in the Madras General Subordinate Service as a distinct category in that class and conditions of service, qualifications etc. ^{may be} determined and the special rules amended. After this is done, the question as to what rule or rules should be relaxed in favour of Sri K. Viswanathan Iyer to absorb him in that post under the Madras Government may be considered.

This department may also agree that there is no case for fixing the scale of pay of the post higher than Rs. 60-1-70. Sri Viswanatha Iyer, as Technical Assistant in the Pudukkottai State, was (only drawing) Rs. 42 plus Rs. 5 cycle allowance in the scale of Rs. 35-1-50.

With the above remarks, the file may be passed on to Finance.

Notes on pp. 1-3 above may be perused. No file relates to inclusion of the post of Technical Assistant in Pudukkottai Museum in the Madras General Subordinate Service-Class II and the absorbing of it. 67881 is the name of the permanent incumbent of that post under the Madras Govt. after relaxing the relevant rules in his favour.

With reference to the orders in paras of G.O. 1285 Edn dated 2.4.50, the Supdt. Govt. Museum has now proposed the question of R.O. in the

the post of Technical Asst. in the Pudukottai
Govt. Museum as a separate cadre with
provincial service governed by ad hoc rules
on the same lines as those for the Asst.
Curators of the Madras Museum and on a
suitable scale of pay consistent with
the general principles.

Mr. C. V. S. Consider that
it would be sufficient if the post of Technical
Asst. is kept on a par with the Senior Taxidermist
scale of pay and the post may be held as
separate category of service governed by
ad hoc rules.

Public agree with the
proposal of Mr. C. V. S. They consider that
there is no case for fixing the scale of pay
of the post higher than B. 60-1-70.

Finance also may agree

pay of the post of Technical Assistant may be slightly higher and fixed at Rs.60-2-90.

Education have invited the remarks of this Deptt. on the suggestion of the S.G.M.

It was originally agreed that the pay of Technical Assistant in the Government Museum ^{might} be on a par with that of Taxidermist Grade I in the Government Museum, Madras, and this proposal was based only on the recommendation of the S.G.M. It does not seem necessary to fix the scale of Technical Assistant at Rs.60-2-90 as proposed by S.G.M. now. The duties and responsibilities have been already taken into account and Finance may adhere to the view already expressed on p.4 above and suggest that the pay of Technical Assistant may be fixed at Rs.60-1-70 as originally suggested. — See also 'X' on p 3 ante
