Govt. Ms. No. 2852-Edn., dated 14-10-50. p-5 cf (M)

In the Government order under reference, sanction was accorded for the supply of one Tamil Remington Typewriter and one Telugu Typewriter in addition to 4 New Remington Typewriters for the use of the additional reporters.

The English typewriters required for supply during 1950-51 have already been purchased. Hence I request specific sanction of Government for the purchase of one Remington Tamil Typewriter and Telugu typewriter.

One Remington Tamil Typewriter available with M/s. Remington Rand Inc., Madras was already purchased at Rs. 853/-2-0 including sales tax and supplied to the Madras Legislature. My action in having purchased this typewriter in anticipation of Government sanction may be approved.

Sir,
B1. 39752/50 dated 2.3.1951.
Sub: TYPEWRITER - Telugu Standard Foolscap size machine - supply of.
Ref: Your letter No.7962/50-1 M.L. dated 3.2.1951 and
this office letter B1. 39752/50 dated 7.2.1951.

A representative of M/S. Shree Venkateswara Typewriter Mart, Madras demonstrated the telugu foolscap size typewriter in this office on 26.2.1951. The Company state that they can supply the new Royal Telugu foolscap typewriters at the price of Rs.675/- for each machine. It is equipped with telugu numerals instead of English. If English numerals (i.e.) (from 1 to 9, 0 and "()" (i.e. brackets) are required, an extra charge of Rs.100/- on each machine is claimed. This extra charge for providing English numerals instead of telugu numerals appears to be excessive. The cost of the typewriter quoted includes that for a new set of metal cover and base board that will be supplied by the Company along with the new typewriter. Please let me know if the above Company may be asked to supply a typewriter. If so it may please be stated if the key board with English numerals is required.
