Memorandum submitted by the Managing Committee of the Devangar High School, Chinnalapatti to the Honourable Mr. K. Madhava Menon, Minister for Education.

Edn. I saw the building plan. They deserve help. KM 20/6

Sir, We, the members of the managing Committee of the Devangar High School beg to submit the following facts for your kind consideration and favourable disposal. Chinnalapatti, with a population of about 13,000 of which the majority consists of members of the Devangar Community (which is classed as a backward community), is educationally a very backward area. It was with great difficulty that a sum of Rs One Lakh was collected for establishing a High School, as donation from this part of the district, the bulk of which has come from the poorer classes. The fine building which has been constructed according to the educational requirements and specifications on a site of 6½ acres, has already consumed a lakh and five thousand rupees. The building is still incomplete and is only just sufficient to house forms I to IV to be opened this year. To complete the building as per the proposed plan, at least another Rs 50,000 will be required. Further, buildings have to be constructed for a hostel, for staff quarters and for housing the craft section and later the bifurcated courses. Being only a newly started institution it has to be fully equipped with the necessary furniture, a good library, and a well furnished laboratory. Most of the people of the locality being poor workmen, scholarships have to be awarded to poor deserving students. For all these and for the upkeep of the institution a large sum of money is immediately required. The management expects the Government to come to its aid by giving liberal building, equipment and scholarship grants. An application for building grant is being prepared and sent through the proper channel. We request the Hon'ble Minister for Education to be specially considerate towards us and sanction the maximum grant as early as possible.

As the incomplete building has to be completed immediately, it is requested that an advance grant may kindly be granted immediately, as a special case, to enable the management to take up the work at once.

*L. K. Darguvel
Chairman*

We beg to remain,
Sir,

The members of the Managing Committee,
The Devangar High School, Chinnalapatti

EDUCATION DEPARTMENT.

From The Director of Public Instruction,
Madras.
To The Secretary to Government,
Education Department, Madras.

Rc.No.396 D6/50 dated 14-10-50.

Sir,

Sub: GRANT - Building - Devangar High School
Chinnalapatti (Mathurai District) - Construction
of building - Inclusion of Scheme.

Ref:- Government Endorsement No.17793-B/50-1
Education, dated 10.7.50.

A pucca building was constructed at Chinnalapatti out of public donations with a view to handing over the new building to the District Board to run a High School. Subsequently it was decided to run the School under the management of a Committee. Permission for the opening of the Secondary School with Forms I to IV under the management of Devangar High School Committee from the School year 1950-51 was granted. The front block of the new building with a ground floor and first floor which was begun in 1948 was completed in 1950 at an actual cost of Rs.96,600/- when the permission to open the School was accorded. The Correspondent has now applied for aid for the block already constructed prior to the opening of the School and requests condonation of the irregularity. The new School has been provided with a building constructed at a cost of Rs.96,000/- an achievement which would not have been possible within a short time if the management had applied for grant and attempted to follow the provision of the grant-in-aid code before beginning the work. In the circumstances, if Government are inclined to condone the irregularity, the Scheme may be admitted to aid.

p.t.o.

next year and in Form I to instruction of cost of the have applied educationally necessary for

3 The half grant for the proposed two wings is Rs.29,000/- and the inclusion of the entire Scheme including the building already put up estimated at Rs.1,54,000/- will only involve an additional grant of Rs.6,000/- the maximum grant for a Secondary School being Rs.35,000/-. Considering the expenditure incurred by the management and the small additional grant (Rs.6,000/-) involved, I recommend that the entire building Scheme may be admitted to aid rendering it eligible for a grant not exceeding Rs.35,000/-. The valuation by the Public Works Department of the work already completed will be taken into account for purposes of grant.

Yours faithfully,

Grant - Building - Non - Government Secondary Schools - Inclusion of certain schemes in the list of approved works - Sanctioned.

From the D.P.G. Re. No. 240. D. 6/50 d/ 12-10-50
From the D.P.G. Re. No. 396 D. 6/50 d/ 14-10-50

Order No. 3295 Edn. dated 13.12.50
Ms

The Govt. sanction the inclusion in the list of approved works of the schemes for the construction of buildings for aided Secondary schools specified in the annexure to this order. While this approval does not convey any guarantee of grant it will render the institutions eligible for a grant up to one-half of the cost of construction, not exceeding Rs 35,000/- under the provisions of the Grant-in-Aid Code if and when funds become available provided ^{then} all the conditions prescribed in the Code are duly complied with.

2. The action of the management of the Devangar High School, Chinmalapatti in having commenced the construction before the plans and estimates were approved by the T.C.A and the scheme was placed in the approved list was irregular. In the circumstances explained, the irregularity is condoned and the scheme will be admitted to aid. The grant will be based on the valuation of the building by the local P.W.D.

Memorandum submitted by the Managing Committee of the Derangar High School, Chinnalapatti d/22.6.50

M3-4q

From the D.P.S. Re. No. 396 D6/50 d/14.10.50

p5q

From the D.P.S. Re. No. 240 D6/50 d/12.10.50

p1q

The managing committee of the Derangar High School, Chinnalapatti, Mathurai District, has represented that a permanent building has been constructed for the school at a cost of a lakh and five thousand rupees and that the accommodation is not sufficient for the school, and to complete the building according to the plan another Rs 50,000 will be required to be extended at an estimated cost of Rs 50,000/. The management has stated that the school is in a backward area and has therefore requested that the scheme may be admitted to aid.

X on p1q

Y on p1q

p2q

p3q

2. The D.P.S. to whom the matter was referred to has reported that the main building of the school was completed in 1950 at a cost of Rs 96,000/. It was originally proposed to hand over the building to the Dt. Bd. Mathurai, but later, the management decided to run the school as a private institution. The management has now requested for aid towards the building already constructed as well as for the extension proposed to be constructed at an estimated cost of Rs 50,000/. The Director has admitted that the institution is in an educationally backward area. As the half grant for the new scheme will come to Rs 29,000/- ($\frac{1}{2} \times 58,000$) and as the maximum grant payable to the entire scheme viz Rs 35,000/- will involve the payment of an additional grant of Rs 6,000/- only the D.P.S. has recommended that the entire scheme may be placed in the list of approved works at an estimated cost of Rs 1,54,100/-. The grant payable

p3q

p4q

para 2 on p4q

para 3 on p4q

para 3 on p4q

will be ~~based~~ ^{based} on the valuation of the work by the local P.W.D. ^{and it will be} subject to a maximum of Rs 35,000/-

As the institution is in a backward area, the Director's recommendation may be accepted and the ^{entire} scheme at an estimated cost of Rs 1,54,000/- may be placed in the list of approved works condoning the technical irregularities committed by the management (in not obtaining the prior approval of the Dept for the construction of the main building etc).

3. In addition to this scheme, the D.P.S has also recommended that the following schemes for the construction of buildings or extensions to existing buildings for aided secondary schools may be placed in the list of approved works:-

Name and Description of Scheme	Approximate cost Rs.	Maximum Grant admissible Rs.	
1. Hindu High School, Sri Villoputhur, Ramanad Dt. Extension with six class rooms.	30,510 ~~30,510~~	15,255/- ~~15,525/-~~	As suggested by P.W.D. 5000
2. Bala vinayagar High School, Siragiri - Tirunelveli Dt. Construction of first floor for provision of class rooms.	18,000 ✓	9,000/- ✓	3000
3. Nehru High School, Puthanampatti, Tiruchi Dt. Construction of an additional building	45,000 ✓	22,500/- ✓	7000
4. S.I. Ry. High School, Golden Rock, Construction of addl. class rooms.	11,280 ✓	5,640/- ✓	2000
5. S.M. Hindu High School, Sir Kali - Tanjore Dt. Construction of a building	1,50,000 ✓	35,000/- ✓	11,000
6. S.V. Middle School, Peddapuram, East Godavari Dt. Construction of a pucca building	1,15,000 ✓	35,000/- ✓	12,000
7. ~~Govt~~ Devangar High School Chinnalupatti Madurai Dt	154,100 ✓	1,22,395 + 35,000 157,395	11,000 50,000

The Scheme may
be approved
but the question
of paying front
for it may be
considered
next year

Edn O.O. No.
17793 B/50.2 Edn
1.11.50.

The question of providing funds in the next year's budget for schemes for construction of buildings for aided secondary schools which have already been included in the list of approved works is under consideration separately as a Part II scheme for 1951-52. In view of the present financial stringency, it has been suggested in that file that provision may be made for payment in the next year's ~~only~~ budget for part payment only, for those schemes. In the circumstances, it is for consideration whether the seven schemes now recommended by the D.P.S may be included in the list of approved works and the question of providing funds for payment of grants for these schemes may be considered in connection with the budget estimates for 1952-53. The request of the Devangar High School Committee, Chinnalupatti, that an advance grant may be sanctioned, immediately, as a special case cannot be complied with, as grants are disbursed only on the post execution system and the question of sanctioning grants is considered as a Part II scheme (new scheme of expenditure) every year in connection with the budget estimates for the next year. The file may be circulated to HM (Entt Leno) for

orders.

Finance (B.E.I) Deptt

Part II Scheme for 1951-52

Building grants to certain non-Government Secondary Schools.

Please see the notes of Education and the minute of H.M.(E.&I) on pp.1-3 above. The proposal is to include the 7 schemes mentioned on page 2 above in the list of approved works and to provide necessary funds in Part II of the budget for next year/building grants to the respective institutions. In regard to scheme No.7, Education propose that as the institution is in a backward area, the entire scheme at an estimated cost of Rs 1,54,000 may be placed in the list of approved works condoning the irregularities committed by the management, in not obtaining the prior approval of the Department for the construction of the main building) — please see para 2 of the note of Education on pp.1-2 above. In view of the minute of H.M.(E.&I) on p.3 above, the proposals may be agreed to in Finance.

As regards provision of funds, the maximum grant admissible for the seven schemes is Rs 1,57,395. In view of the financial stringency, it seems sufficient if provision is made in the next year's budget for part payment only for these schemes, as has been suggested by Education in the main file for building grants for aided Secondary Schools. Finance may, therefore, suggest that the provision to be made for these schemes in Part II of the budget for next year may be restricted to Rs 50,000, as indicated in pencil on page 2 above. H.M. (Fin.) should see. In the main file for building grants for aided Secondary Schools, a provision of Rs 1,38,500 only has been suggested for inclusion in the Part II Budget for next year (for 24 schemes) as against the maximum admissible grant of Rs 5,90,670.

Please see the notes of Finance at p.4. ante.

They have agreed to the proposal for the inclusion in the list of approved works of certain schemes for the construction of buildings for non-Government secondary schools and for the provision of funds in the B.E for 1951-52 for payment of a portion of grants due to them. Finance have suggested that a sum of Rs 50,000/- may be made under Part II of the B.E for 1951-52 for payment of part grants to the 7 schemes in question. Their suggestion may be accepted. Necessary provision is included in the Part II note put up in the top file.

2. A draft order sanctioning the inclusion of the schemes in the list of approved works is submitted below for approval.
