Subject: Government Oriental Manuscripts Library, Madras -
Binding Section - Purchase of paper and card-board
cutting machines - Sanction - Requesting

R e f: 1. G.O.Ms.No.1279 Edn. dated 20-4-1950, and
2. G.O.Ms.No.2904 Edn. dated 26-10-1950

In the first Government Order cited above Government sanctioned the opening of a binding section in the Government Oriental Manuscripts Library, Madras and also the incurring of necessary expenditure therefor. In the second Government Order sanction has been accorded for the employment for a period of year from the date of appointment, of an additional binding boy.

2. According to the present arrangement, only the new transcripts are to be bound in the Library while rebinding to books and manuscripts is to be done by the Government Press. But owing to pressure of work in the Government Press this work has necessarily to be got done by private presses for which purpose about Rs.1000/- is annually spent.

3. The Curator has now represented to me that the above work can be done in the binding section of his Library itself with the help of a paper and card-board cutting machine. It is reported that a sum of

2
of Rs.1,500 is available with him under 'contingencies' and that if an additional sum of Rs.1000/- is sanctioned, necessary machinery can be purchased and the entire work done in the library itself. The materials for binding will be supplied by the Superintendent of Stationery and the money now spent in private press on binding every year will thus be saved.

4. In the circumstances explained, I request that Government may be pleased to accept the above proposal and sanction an additional sum of Rs.1,000/- for the purchase of the machine. Early orders are requested.

Yours faithfully,

K. M. S. S. S. S.

The draft order overleaf may be accepted, subject to the following remarks:-

The sum of Rs 1,500 reported to be available with the Curator under "Contingencies" apparently refers to the savings that can be effected in the provision of Rs 7,500 made in the current year's budget for 'Contingencies' under "37. Education - s. Miscellaneous - A. General - 1. Oriental Manuscripts". In respect of the fact that there will be savings to the extent of Rs 1,500, Govt sanction is necessary for the purchase of the machine at a cost of Rs 2,500/-. The draft order may be amended accordingly.
