No. 151578/50/SB/Accts., dated 20th November 1950.

Sir,

Sub: Government Press - Chairs for the use of
Reading Department - sanction - Requested.

I submit that a good number of staff of the Reading Section of the Government Press are not provided with chairs. Most of them belong to the category of Copyholders, whose duty is to read the proofs for correction by the readers, who sit in juxtaposition with them. At present they have only stools, and they find it very difficult to carry on their normal work. They have to sit nearly 8 hours a day, and needlessto state that it is very difficult for them to carry on their work comfortably. They made a representation a few months ago regarding this, and as there were no funds provided in the current year's allotment for furniture, their legitimate request could not be complied with. About 75 chairs are required to meet their reasonable demands, and I have therefore provided Rs.1,000/- in the Budget for 1951-52 under '56. Stationery and Printing - Printing - F. Other Expenditure - 6. Additions to Plant and machinery. In the circumstances stated, sanction may please be accorded for meeting this expenditure next year.

SUPERINTENDENT.

Copy submitted to the Secretary to Government, Finance
(Budget) Department for information.

I submit that Government in the G.O. cited accorded sanction to incur expenditure of not more than Rs.1,000/- in the year 1951-52 towards the purchase of chairs for use in the Reading Department, Government Press, Madras. The Superintendent, Penitentiary has stated that the approximate cost of one chair would be Rs.25/-. On this basis 35 chairs were ordered for supply on the Jail Department so that the total expenditure would be within the sanctioned amount. He has supplied the chairs but has sent bills for Rs.1,097/-. The increased cost is due to the fact that the rates have subsequently been enhanced by the Jail Department. I request that Government may be pleased to sanction the additional expenditure incurred of Rs.97/. The expenditure will be met under 56. Stationery and Printing - d. Government Press - F. Other Expenditure - 6 additions to plant and machinery.
