Subject:- NATIONAL CADET CORPS - PARTICIPATION OF NCC CONTINGENT IN REPUBLIC DAY PARADE IN DELHI ON 26TH JANUARY 1951.

Sir,

During the celebrations on the 26th of January last in Delhi when troops were brought from various places to participate in the Ceremonial Parade where the President took the salute, a suggestion was made that in future a contingent of the National Cadet Corps might also be asked to participate in the Ceremonial Parade. It has again been suggested recently that the State Governments would probably welcome an invitation to send a contingent of the NCC units from the State concerned to participate in the next celebrations. The Government of India agree that this would be an excellent encouragement to the National Cadet Corps and would be glad to have the views of the State Governments in the matter.

2. If the State Governments generally agree with the suggestion, the idea is to have a total contingent of 10 NCC officers and 400 cadets of the Senior Division units only and the number that each State will have to send would not exceed 50 or so. The contingent will have to be in Delhi for about a week before the actual date of the parade for rehearsal etc. If time permits

P.T.O.

it is also proposed to take advantage of their presence here to hold a Sports meeting. The details will be drawn up on receipt of replies from the State Governments. The Government of India would be grateful if a reply is sent by the 1st of November, as a great deal of detailed work will have to be done to make this a success.

Dear Sir,

The contingent of senior N.C.C. cadets from this State which was sent to Delhi to participate in the National Republic Day Parade has just returned from there. They have brought to me very pleasant reports of the co-operation, comradeship and friendship which they enjoyed from the cadets of your State with whom they had to form a group for the Republic Day Parade and for other training. My cadets have particularly requested me to convey their greetings to you and to tell you how proud they are of their new comrades from your State and how profoundly they value the new friendship they have formed.

2. I am happy to have had this report and I pass it on to you with a request that the sentiments of my cadets be conveyed to their comrades in your State. It does one's heart good to see young stout hands stretching across frontiers of the States firmly clasped in spirit of friendship and goodwill. I have been much impressed by the sincerity and spontaniety of the reports given to me by my boys. This in itself is no mean achievement and I feel that all the trouble and pains taken by the Directorate of the National Cadet Corps have been amply rewarded.

Yours sincerely,

NATIONAL CADET CORPS - Participation of NCC Contingent in Republic Day Parade in Delhi on 26-1-51.

From the Secretary to the Government of India, Ministry of Defence, No.0526/50/NCC/7117/0/Co.ord (B) dated the 9th October 1950.

---

pp1-2 cf

In connection with the Ceremonial Parade held at Delhi on the 26-1-1950, the Republic Day, it was suggested that a contingent of NCC might also be asked to participate, in future, in the parade and that the State Governments might be invited to send a contingent for the purpose. The Govt. of India have agreed with the suggestion and have now enquired whether this Govt. are prepared to send such a contingent for participation in the parade to be held on the next Republic Day (26-1-1951). It has been reported that the intention is to have a total strength 100 officers and 400 cadets and that the number for each State Government will not exceed 50 or so. The cadets and the officers will have to be in Delhi (for attending to the rehearsal, etc.) about a week before the date of the parade. The full details of the scheme have not yet been worked out and an estimate of expenditure which will have to be incurred by each State has not also been furnished. Presumably, the officers and cadets will have to be paid travelling and daily allowances at the rates admissible to them according to Schedule II to the NCC rules. For orders whether the Government of India may be informed that this Govt. are agreeable to be sent a NCC contingent (of officers + cadets) not exceeding 50 for participation in the ceremonial parade to be held (at Delhi) on the next Republic Day.

Please see the orders of Secretary on page 1 ante. It may be assumed that out of the NCC Contingent of 50 from this State, 2 will be N.C.C. officers and the rest, namely, 48 will be cadets. The expenditure on the payment of travelling daily allowances to them according to the rates in Schedule II to the NCC Rules, 1948, works to Rs. 8,240/-

The scale for NCC officers is one officer for 30 cadets

2. After orders are passed, the file may be sent to Fin U.O. for remarks, as noted on p.1 ante.

A This expenditure is rather large & does not appear to be an essential one in these days of financial difficulty.

pp 1-2 cf

In October last, the Director, National Cadet Corps, ~~proposed~~ enquired ~~that~~ whether a N.C.C. contingent of Officers and cadets not exceeding 50 from this State might be sent to take part in the ceremonial parade to be held at Delhi on the next Republic Day (26-1-1951). As the expenditure on the payment of travelling and allowances to the officer and cadets at the rates admissible according to the NCC Rules appeared to be fairly large (Rs.8,240) and ~~as that~~ was not also considered ~~expenditure did not seem~~ to be an essential one, the Director was informed that this Government c~~onsidere~~d would not a ~~that~~ it ~~was not~~ ~~u~~necessary ~~to~~ send the contingent from this State.

Secy's note on page 2 ante

2. The Director has now reported that the Govt. of India have agreed to provide necessary accommodation for the contingent and to meet the messing charges for the period of their ⊛ stay at Delhi. The only expre. which has to be met by this Govt. is on the payment of train fare for the journeys of the NCC personnel to and from Delhi and daily allowance for the period of their journeys. This expenditure has been estimated at Rs. 1676-4-0 or Rs.1700/- roundly. The Director has also ~~proposed that~~ ~~enquire whether~~ whether ~~this Govt.~~ requested that this Govt. may ~~agree~~ ~~are agreeable to~~ send 20 cadets to take part in the parade, and that the cadets may be selected from the Senior Division units situated in the City of Madras so as to avoid the additional expenditure involved in ~~the~~ sending cadets from muffasal places. As the expenditure involved in the proposal is much less than what was previously estimated, ~~it is proposed to agree to the proposal~~ the proposal was accepted by this dept. The Finance Department have also agreed to the proposal.
