Re. No. 1239K2/49, dated 6-11-1950. 193

Sir,

Colleges - Government Training Colleges
* at Palghat and Mangalore - Additional
staff and equipment.

ENCLOSURES

SPARE COPIES

Consequent on the opening of Training Colleges at Mangalore and Palghat in the current year it is found immediately necessary to make provision for the teaching of crafts which involves employment of instructors and additional equipment. The immediate needs of the two Colleges are explained below:-

Government Training College, Mangalore:- Under the revised B.T. Syllabus the teaching of Arts and Crafts is compulsory for the students. The Principal proposes to provide Book-binding and general cardboard work and the employment of a Part-time Instructor on Rs. 50/- p.m. for the present. A non-recurring expenditure of Rs. 350/- for the purchase of equipment will also be required. The provision proposed by the Principal is absolutely necessary and it may be sanctioned.

p.t.o.

Government Training College, Palghat:-

The Principal has proposed the employment of additional staff in the current year of which the following posts are immediately necessary.

One Handicraft Instructress.

One Manual Training Instructor. ||

There are at present 22 women students in the Training College and to teach them Arts and Crafts (Sewing, embroidery, basket making, mat-making etc.) a separate Instructress is necessary. In regard to the men students one Manual Training Instructor should be employed for giving instruction in woodwork.

Besides, there is need for the employment of a Physical Training Instructress also considering the number of women students in the B.T. Class. For the present the Physical Training Instructress employed in the Arts College may attend to the work in the Training College also. I shall address Government separately early in July 1951, the employment of a separate Physical Training Instructress for the Training College when it is shifted to Calicut - vide my letter Rc.No.1239 K2/49 dated 16-9-50.

The Principal, Government Training College, Palghat has also proposed an expenditure of Rs.2,750/- towards Psychological Laboratory equipment. Psychological equipment is of a real value in a Training institution, as the study of the subject is compulsory for all the students. I recommend that the proposed expenditure of Rs.2,750/- may be sanctioned in the current year. || The Principal, Government Training College, Mangalore has not proposed similar expenditure and this question may be taken up for consideration when necessary proposals are received from him.

I request the favour of early orders.

Yours faithfully,

Murugan

for Director of Public Instruction.
