From the Supt.G.H.E.No.1451/50-1, dated 30-9-50.

In his letter at pp.1-5 c.f., the Supt. Govt. House Estate, has submitted proposals for the employment of additional coolies, purchase of some tools and plant and manure, plants and seeds etc. for the proper maintenance of the Gardens in the Govt. House Estate, Mount Road. He has stated that, in view of the numerous and repeated complaints from H.Ms., the Legislators residing in the hostel and the public that the estate garden is in a neglected condition, he has drawn up a plan for improving and beautifying the entire estate. For this purpose he has requested sanction for the employment of additional staff and for the purchase of tools and plant which are absolutely necessary. He has requested sanction for the following:

(i)	Permanent gardeners	.. 9	
(ii)	Watchmen	.. 2	- with watchmen's dress as in the case of Marina gardens.
(iii)	Temporary coolies (for 5 months)	..10	
(iv)	Manure, plants, seeds etc	..	
(v)	Tools and plant	..	Not exceeding Rs. 1200/- p.m. Rs. 500/-

2. The Supt. G.H.E. has stated that the E.E.S.P.Divn. had permitted him to employ temporarily 10 coolies on daily wages for about 2 months from 27-5-50 and that as the work for which they were engaged is not yet over he has continued them till one more month from 28-9-50 or until such time the 11 permanent coolies asked for are sanctioned. He has therefore requested that his action in having appointed the 10 temporary coolies may be approved.

The matter was referred to the Addl. C.E.P.W.D., for remarks and he asked to report the cost involved in the proposal. The S.E., Madras has reported that there are lots of open spaces grown with weeds, and these when cleared can be made more pleasant, that the garden in

front of the main building and Rajaji Hall requires constant and ca attention and that the number of trees planted recently during the Vanamahotsava week also require careful attention. In view of the importance of the place and the essential necessity of keeping ever clean, the S.E. has recommended that the number of coolies asked for the Supt. G.H.E. being reasonable may be allowed. The Addl. C.E. has generally agreed with the views of the S.E. Madras circle and has recommended the sanction of the addl. coolies asked for by the Supt. G.H.E., and also the purchase of the tools and plant and the manure, plants, seeds, etc., at a cost of Rs. 1200/- per year. The extra cost involved in the proposal is reported as follows:-
