EDUCATION DEPARTMENT (B)

The Legislative Assembly Question on page 1 c.f. may be perused. Attention is solicited to the orders in G.O.No.2036 Education, dated the 19th September 1947, approving the scheme of visual education for secondary schools and colleges in this State. The scheme applies to all the institutions, both Government and non-Government. The scheme may have been introduced in all Government institutions. There is no information, however, whether it is not in force in any non-Government schools. No penalty has been prescribed in the order for failure to give effect to the scheme. Presumably, the D.P.I. would have taken steps to ensure that the orders of Government were given effect to ^(in all secondary schools) as the general control over ^{those} secondary schools under the system of recognition and aid rests with him. In the case of colleges, ^{whether} the Director can ~~may~~ take action against the managements ^(it is doubtful)

by suitable reduction in the grants paid to them. It is not known whether any special report should be called for in this ^{regard} ~~matter~~. Perhaps the ^{matter} ~~question~~ may be left to be decided by the Director. The Assembly Question is, however, an unstarred one.

2. A draft answer is submitted below for approval.

The file may be circulated to H.M. (E & L) for approval of the draft answer.
