Subject:- International Conference on "Handicapped Children in India" to be held in December, 1950 at Jamshedpur.

SW

Sir,

I am directed to say that the Indian Conference of Social Work is convening an International Conference on "Handicapped Children in India" at Jamshedpur on the 20th & 21st December, 1950. This Conference will form part of the fourth session of the Indian Conference of Social Work. The Govt. of India are subsidizing the conference on handicapped children.

2. It is expected that the Conference will be attended by representatives of such Asian countries as Burma, Ceylon, Afghanistan, Malaya, Indonesia and Thailand and Pakistan. It will also be attended by experts from some of United Nations specialized agencies like Unesco, WHO, ILO etc, as well as some experts from this country. The scope of the conference will be confined to the consideration of educational and welfare problems of three groups of physically handicapped children, namely, the blind, the deaf and the crippled. It is proposed that experts in the education and welfare of those groups of handicapped children will read papers on problems of special importance in their respective fields. There will also be an exhibition at the conference which will demonstrate modern appratus and appliances used in the education of handicapped children.

3. It is the first conference of its kind to be held in this country and it is felt that every thing possible should be done to ensure that all the institutions for the handicapped in the country take the best possible advantage

pto

of the conference. It is felt that the conference would be of considerable interest and value to all interested in the education and welfare of the handicapped children. It will therefore be most desirable if at least one observer from every institutions for the blind, the deaf and the crippled in this country attends this conference.

4 In view of the great importance of the conference it will be appreciated if you would kindly consider the possibility of sending at least one observer from each institution for the blind, the deaf, and the crippled in your state to the conference. Since most of the institutions for the handicapped in this country are charitable institutions and have very limited funds at their disposal, they may find it extremely difficult to send observers at their own expense. It will be appreciated if you could kindly consider the possibility of paying or subsidizing the travelling and other expenses of observers from your state to the conference.

5 Your decision in this matter may kindly be communicated to this Ministry at an early date.

Yours faithfully,

(R. M. Halder)
for Secretary.

GOVERNMENT OF MADRAS

Copy of letter No.CHC/2628 dated 7th November 1950 from the Honorary General Secretary, Indian Conference of Social Work, Bombay to the Chief Secretary to the Government of Madras.

You may be interested to know that the Division of Social Activities, United Nations, in cooperation with the Ministry of Education, Government of India and the Indian Conference of Social Work is organizing a "Conference of Experts on Handicapped Children" which will be held at Jamshedpur, Bihar, from December 19th to 21st this year. Under "Handicapped" will be included the Physically or Orthopaedically Handicapped, the Blind and the Deaf-mute.

The Conference will be attended by experts on the subject from the U.N. as also experts from the UNESCO, WHO, ILO and possibly from UNICEF and FAO as well. Invitations have been issued to a number of countries in the Far East, including Afghanistan, Burma, Ceylon, Indonesia, Malaya and Singapore, Phillipines, Pakistan, and Thailand.

It has been decided that besides inviting observers from agencies which are engaged in the field of education and rehabilitation of handicapped children in India, an observer from every State Government, be invited to observe the proceedings of the Conference.

You will agree that this is one of the rare occasions when experts on the subject will meet in India from different parts of the world. We should utilize this opportunity by sharing experience and discussing our common problems.

K | vide below

I shall, therefore, feel grateful if you will kindly communicate to us the name of the observer attending the said Conference in the enclosed form before 1st December 1950. It will be extremely difficult for us to undertake the responsibility of providing boarding and lodging arrangements for your observer if the name is not received in time.

pp 10-13 infra

I am enclosing herewith a pamphlet giving the rules and regulations regarding the boarding and lodging facilities provided for observers by the Reception Committee.

Hoping to hear from you very soon.

Sir,

Conference: Jamshedpur - Blind, Deaf & Dumb.

With reference to my call at your office yesterday regarding the conference at Jamshedpur I herein enclose copy of the letter from the Honorary General Secretary, Indian Conference of Social Work, Bombay addressed to Mrs. P. V. Cherian and also extracts from our Visitors book for your kind perusal. p39 infra p43 infra

2 This association was started in the year 1944 with the kind help of Sri. T. Chengalvaroyan M. A., LL., B. President, Madras District Congress Committee and I have been running this. Prior to this I was in the Deaf & Dumb School as Hony: Scout Master for about 18 Years. I am very anxious to attend the conference. This institution is not a registered one and I did not wish to get this institution registered until I secure a place of our own either through the Government or privately. The educatinal authorities are aware of the existence of this association.

3 I have already lost time and now it is very late to approach the Indian Conference of Social Work, Bombay for admission as there is hardly time. However I have to day written a letter.

4 Now I pray that you will accord me permission to attend the Conference at my cost as observer or as a Visitor as your honour think fit. If permission is granted I propose to leave Madras either on the 13 or 14th December, so

Dear Mrs. Cherian,

Many thanks for your letter dated 19th November 1950 regarding participation pf Mr. B. Purushotham a former teacher in the school for the deaf in Mylapore. In this connection may I point out that it does not rest with the Indian Conference of Social Work to invite special observers. We suggest that if possible you should please try and get him nominated as an observer by the Madras ~~Stte~~ State Governmentas we have issued invitations to every state to send one observer at their expenses. Since he is not actively connected with any institution for the Handicapped Children, I beleive, that the above mentioned is ~~anly~~ the only method by which he could attend and participate in the Conference.

With Kind regards,

Yours Sincerely,

para 1 on p1 cf The Government of India have stated that the Indian Conference of Social Work is convening an International Conference on "Handicapped children in India" at Jamshedpur on the 20th and 21st December 1950 and that they are subsidising the conference. para 2 on p1 cf It is stated that representatives of several Asian countries and experts from specialised agencies like UNESCO, WHO, ILO etc. will participate in the conference on handicapped children. It is expected that experts in the education and rehabilitation of handicapped children will make valuable contributions by reading papers on problems of special importance in their respective fields. para 3 on pp 1-2 cf ~~As~~ It is the first conference of its kind in India and as all the institutions for defective children will derive immense benefit out of the conference, the Govt. of India have suggested that it will be desirable that managements of all such schools in this State depute at least one observer from each school. para 4 on p2 cf They have also suggested that the expenditure incurred by the observers may be subsidised.

pp 3-4 cf 2. As it was considered desirable that observers from all schools for defective children in this State should attend the conference, the D.P.I. was requested to report the number of observers that may be deputed from the Govt. schools for defective children and the extra cost to Govt. on their deputation. He was also requested to report the extra cost to Govt. if the expenditure, incurred by managements of aided schools for defective children on deputation of at least one observer from each school, is admitted for purposes of grant.

para 3 on pp 5-6 cf 3. The Director has reported that it will be sufficient if the Principal of the Government School for the Blind,

P.T.O.

Poonamallee, is deputed as the only observer for all the Govt. Schools for the Blind. He has suggested that all the non-Govt Special Schools for defective children may be required to depute nine observers, one from each school except the ~~Deaf~~ Blind, Deaf and Dumb School, Teynampet which may be permitted to depute two observers. The Director has reported that the extra cost to Govt. on deputing the Principal, Govt. School for the Blind will come to Rs 185/- and that the grant towards the expenditure incurred by observers from non-Govt. Schools for defective children will come to ~~above~~ about Rs 712/-. In view of the importance of the conference and in view of the small ~~[illegible]~~ extra cost involved, the Director's proposal that one observer from the Govt. Schools and nine other observers may be deputed to attend the conference at Jamshedpur may be approved. The Govt. of India may be informed that an observer from each school for defective children in this State will attend the Conference and that the expenditure on Travelling allowance etc will be subsidised.

The D.P.I. has reported that the managements of the Schools for the Blind, Deaf and Dumb, Teynampet and C.E.Z.M. Deaf School, Mylapore have nominated four persons (two for each school) to be deputed as observers. The Director has recommended that the C.E.Z.M. Deaf School may also be permitted to depute 2 observers ~~and~~ but that the grant may ~~however~~ be restricted to one observer alone. This may be agreed to. p 29 cf pp 29-30 cf

2. As regards the observers from the other schools the Director has reported that the except the U.L.C.M. School at Rentachintla, the managements of the other schools have now expressed their inability to depute observers to the conference. A reply from the U.L.C.M. school Rentachintla is still awaited. In the circumstances, the names of the four observers from the two non-Govt. special schools may be communicated to the Hony. Genl. Secy of the conference. Orders regarding the deputation of Sri P.N. Venkata Rau and ~~the four others~~ also the admissibility of expenditure on the deputation of the other observers for purposes of grant may be issued after the Director communicates the reply from the management of the School at Rentachintla. C.No. 39757. From Sri B. Purushotham, Mills Accounts Deptt. M/s. Binny & Co (Madras) Ltd. Madras d/8.12.50 pp 33-35 cf

---

Please see the letter d/ 8.12.50 from Sri B. Purushotham of M/s. Binny & Co. Madras. He is the correspondent of the Young Men's Deaf Association, Madras and has requested that he may be permitted to attend the International Conference on the Handicapped to be held at Jamshedpur, as an observer of this Govt. at his own cost. He has stated that the Hony. General Secy. of the Indian Conference of Social Work, Bombay, has expressed that it will be possible for him to attend the conference only as an observer of the State Govt. as he is not connected with any institution for the handicapped. As Sri Purushotham is prepared to meet the entire expenditure involved and as only five observers are attending the conference even though it was originally proposed to depute ten observers, there seems to be no objection in allowing Sri Purushotham to attend the conference as an observer of this Govt. Subject to orders a draft letter is submitted for approval. pp 33-35 cf para 4 on pp 33-35 cf p 39 cf p 33 cf pp 31-32 cf p 21 cf

Sd 11/12/50. 11/12

The Ministry of Education, as seen from their letter on pages 1-2 cf seem to require observers only from institutions – Sri Purushottam is not attached to any institution – It does not therefore appear that he can be sent as a Govt. observer. It is not known why he should attend the Conference as a Govt. observer (When) he is prepared to meet the cost of his journey. The request seems to be prima facie inadmissible. It is unnecessary to consult p 2 cf

C. No. 36795 B/50

Consult the D.P.I. on the matter –

A | It may be left to the gentleman to go to Jamshedpur on his own responsibility, if he desires to go – then may see |

(KR)

| Will he be allowed to attend the meeting ~~unless~~ without some sort of credentials?

11/12

Attendance ~~will~~ ~~is~~ not be possible, but he can have unofficial contacts & exchange of views – This need not be suggested to him, but he may be left to go if he desires – Without DPI's recommendation it does not appear to be ~~possible~~ possible to allow the person to ~~go~~ attend the meeting as a State Observer –
