The Expert Committee for the Revision of Syllabus for Physical Education have decided to prepare a manual for the guidance of Physical Training Instructors. In this connection the Chief Inspector of Physical Education has proposed that the members who were selected to draw up the manual may be paid a remuneration of Rs.75/- each. While agreeing to his proposal I request that Government may be pleased to sanction the payment of remuneration on completion of the work.

A copy of the letter referred to above is enclosed for reference

Copy of letter Rc.No.286/45 dated 22-11-49 from the
Chief Inspector of Physical Education, Madras.

The expert Committee for the revision of syllabus for Physical Education for Secondary Schools for boys have decided at a meeting held on 17, 18 and 19th March 1949 that a manual for the guidance of Physical Education teachers should be drawn up. Accordingly the following persons were chosen to prepare the manual in the subjects noted against each.

1. Sri L.K.Govindarajalu Naidu.
2. ,, K.Narasimhachari.
3. ,, K.Sanjivikamath.

Marching.
Body Building.
Indigenous Exercise -
Folk dance,
Lathi or Stick drill.
Group Games.
Set Drill
Stunts and other
activities.

4. S.Sampath.
6. Chief Inspector of Physical Education.
5. C. R. Abraham

A manual on the subjects referred to above has to be prepared I request that a remuneration of Rs.75/- for each member in charge of the subjects noted against his name may be sanctioned.

Subject: Physical Education - Preparation to guide books for teachers in Physical Education.

From the D.P.I., No. 2590-L/4/49, Dated 22-12-1949.

As the D.P.I. has recommended the payment of remuneration to the members of the Committee only after the completion of the Manual, the Government consider that there is no urgency to sanction the payment now. They also consider that before fixing the amount of remuneration the amount of labour involved ^{in the compilation} together with the amount likely to be realised by sale of the manual should be known. The D.P.I. is requested to report to Govt. the amount of labour involved in the compilation of the Manual and also to state whether any price ^{will} ~~is proposed~~ to be fixed for ^{copies} ~~a copy~~ of the Manual and if so the price to be so fixed and the ^{no.} ~~No.~~ of copies of the Manual

I have the honour to submit the following answers to the questions raised in the Government Memorandum referred to above:-

1. Though the remuneration to the members of the Committee is to be sanctioned only after the completion of the Manual, the fact that a remuneration will be paid has to be communicated to the members concerned so as to enable them to put in their best efforts in the preparation of the subjects assigned to them. The absence of any definite proposal sanctioning the grant of remuneration for the members of the Committee has been the cause of unnecessary delay in the compilation of the Manual.

2. The labour that is likely to be involved by each member will amount to atleast 3 hours work per day extending to a period of not less than 15 days, the matter to be written covering a minimum of 25 pages. It is possible that certain sections may extend upto 40 pages and over.

3. The complete manual may run upto 200 pages the price of which may be fixed at Rs.2/- per book. A thousand copies will have to be printed at the first instance, of which a minimum of 900 copies will be sold to the schools while the balance of 100 will have to be given to the Departmental Officers.

With reference to the Government Memo. cited above, I
have the honour to state the Superintendent, Government Press
who was consulted on the subject has stated that the cost of
printing 1000 copies of 120 pages in Royal Octavo size i.e.
8 1/8" x 9 1/2" with printed wrapper cover will be about Rs.900/-
inclusive of cost of paper. Therefore it is presumed that the
cost of 240 pages would amount to Rs.2000/- approximately.

Copy of letter from the Chief Inspector of Physical Education, Madras referred to overleaf.

I have the honour to invite your kind attention to para 1 of my letter Roc.No.286/45 dated 1-9-50 wherein I have pointed out that the remuneration of Rs.45 proposed to be paid for preparing the manual was too low and that it would not be commensurate with the labour involved in preparing the manual. The delay on the part of the members to send the matter for the manual is chiefly due to the unattractive nature of the remuneration offered. However I desire to point out that the members deputed to prepare the matter for the Manual have been issued reminders. I am again reminding them to-day.

I submit that the sanction of an increased remuneration will provide greater incentive for the members to expedite the submission of the matter for the Manual. As soon as the orders communicating the grant of remuneration are received, I shall fix a date within which members will be required to submit the matter so that further delay may be avoided.

The S.P.D. has recommended the payment of remuneration on completion of the Manual. From the D.P.I. No 259064/49 dated 4-2-50

Please see the further letter from D.P.I. regarding the payment of remuneration to six members of the Expert Committee for the revision of syllabus for Physical Education. The Chief Inspector of Physical Education has explained in detail the necessity for the payment of remuneration to the members concerned. In the circumstances, the proposal of the D.P.I. on P.T.E. may be approved.

Finance may be again

It is observed that the S.P.D. intends

printing one thousand copies of the Manual and to give the first 1000 copies at Rs 2/- each. Of the 1000 copies he intends placing only 900 for sale reserving the remaining 100 copies for the use of departmental officers. Thus the total amount to be realised if all the 900 copies are sold is Rs 1800/- only. The remuneration to be paid to the six members at Rs 75/- each works out to Rs 450/-. If this amount is deducted from the sale proceeds the net amount will be about Rs 1350/-. It is not known whether the cost of printing the 1000 copies of the Manual would exceed Rs 1350/-. If it does, it will be a loss to Govt and the question of paying Rs 75/- to each member will have to be examined. But if the cost of printing does not exceed Rs 1350/-, there will be no loss to Govt. Perhaps the S.P.D. may be asked about the cost of publication of the Manual.

A draft Memo is submitted.

DM 11/2/50

Issued as Memo No 9890 C1. Sd. 1. Balu D. 11.2.50.
From the S.P. 2. No 627-12-50. D. 1.5.50.

It is observed from the S.P. 2's letter that while the proceeds on the sale of the publication (provided all copies are sold) would be only Rs 1800/- the cost on the production of the 1000 copies is expected to amount to Rs. 2900/- leaving a loss of Rs 1100/- in the venture.

$$900 \times Rs. 2/- = 1800/-$$

Printing of 1000 copies . Rs 2000/-
Commission for the sale of copies 450/- at 25%
Remuneration to 6 members at Rs 75/- each 450/-

Rs 2900/-

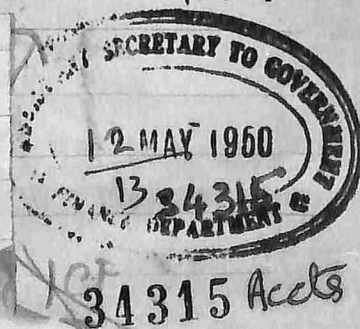

If the publication were to be priced at Rs 3/- each the total sale proceeds on the 900 copies placed for sale will be about Rs 2700/-. If 950 copies are placed for sale reserving only 50 copies for departmental officers the proceeds will be Rs 2850/-. In that case the loss to Govt will be only Rs 50/- if all the copies are sold. The S.P. 2. may be asked to say whether the publication may be priced at Rs 3/- each and the no of copies reserved for departmental officers be limited to 50 copies to avoid a loss in the publication.

Finance may see for remarks.

(Previous Finance note on p.2 above).

For preparing a manual for the guidance of Physical Training Instructors, the Chief Inspector of Physical Education has proposed that a remuneration of Rs. 75 may be paid to each of the six members selected to draw up the manual on completion of the work. The Manual will consist of six sections. At the instance of this Deptt., the particulars of labour involved in the compilation

The S.P. 2. may be asked to consult the S.P. 2. and also the State whether the publication can easily be sold at Rs. 3/- per copy.

of the Manual ^{was} called for, for fixing the remuneration. It is reported that each member will have to work at least 3 hours per day for a period of not less than 15 days, the matter to be written covering a minimum of 25 pages.

(It is possible that certain sections may extend upto 40 pages and over.) It seems that, instead of Rs. 75, a remuneration of Rs. 45 per each would be adequate, commensurate with the labour involved. Finance may advise accordingly. Even this would result in a small net expenditure to the Government--see para.3 below.

2. As regards fixation of price, the Chief Inspector of Physical Education has proposed Rs. 2 per copy. He has also stated that 1,000 copies may be printed at the first instance, out of which 900 copies may be set apart for sale, and the remaining 100 copies for distribution among departmental officers. The cost of printing 1000 copies is reported to be about Rs. 2,000. Education therefore propose to ask the D.P.I. whether the price may be fixed at Rs. 3 per copy and that 950 copies out of 1000 may be set apart for sale. The proposal may be agreed to in Finance.

3. The cost of compiling and publishing the manual would then be as shown below:--

	Rs.	A.	P.
Cost of printing 1000 copies ..	2,000-	0-	0
Commission for the sale of 950 copies at Rs. 3 per copy (i.e., 25% of 950 x 3)	712-	8-	0
Remuneration to 6 members at Rs. 45 each ..	270-	0-	0
Total ..	2,982-	8-	0

Against this expenditure, the sale proceeds of 950 copies @ Rs. 3 per copy would be Rs. 2850, and there would therefore be a net expenditure of Rs. 132-8-0 to the Govt, excluding the cost of 50 books (Rs. 150) reserved for departmental use.

The D.P.I. reports that the majority of the members concerned with the preparation of the manual on Guide Book have expressed that the amount of Rs 45/- is too low and that it will not be commensurate with the labour involved in preparing the manual. He therefore recommends that the remuneration may be fixed at Rs 75/- to each member as originally proposed by him. For orders whether this may be accepted.

P 12 CF

As regards the information called for in paras 2 and 3 of the memo on Page 9 CF, the Director proposes to submit a report as soon as the preparation of the book is completed.

called for in para 2 & 3 of the memo on p.9 c.f. will be furnished as soon as the preparation of the book is completed. In the absence of the information referred to, it does not seem correct to assume that the ^{extra} net expenditure to the Govt. will be only Rs 132-8-0 - please see 'K' on p.5 above.

2. It is not clear why the D.P.I. is unable to say even now, whether the publication cannot be priced at Rs 3/-. The worth of the contents of the books ^{and the demand for them} can well be assessed by him beforehand, having due regard to the personalities chosen to do the work. (It is on this basis that the D.P.I. suggests the rate of remuneration and not on the popularity of the book after its completion).

3. Finance may therefore suggest that before the scale of remuneration suggested by him is accepted, the D.P.I. may be asked to send his reply to paras 2 & 3 of the memo on p.9 C.F.

The suggestion of Finance dept in Para 3 of their note above may be accepted.

From the D.P.I. NO. 627 L2/50 dated 24-10-50.

The D.P.I. is requested to fix the price of each copy of the publication at Rs 3/- and to release 950 copies for sale. Please see the Director's report on P 14 CF. In the circumstances the proposal to fix the remuneration at Rs 75/- to each of the members entrusted with the preparation of the guide book may be accepted. There will be no loss to Govt. in this proposal. Finance may see again.

(Previous Finance note on pp 6-7 above)

The D.P.D. has stated that the proposed publication may be priced at Rs 3/- per copy. The receipts from the sale of the 950 copies will then be Rs 2,850 against the total expenditure of Rs 2,982.8.0, the net deficit to be borne by the Govt. being Rs 132.8.0, as worked out by this Dept. in para 3 of the note on p 5 above on the assumption that the remuneration to the members will be Rs 45/-.

If the remuneration is to be increased to Rs 75/- as suggested by the D.P.D., the deficit to be borne by the Govt. will be correspondingly be increased to Rs 312.8.0. It is therefore not clear how the Edn. considers that there will be no loss to the Govt. in the publication - please see 'P' on p 7 above. The Edn. Dept. may be requested kindly to clarify.

In reference to 'x' of the Finance Dept note above it is submitted that the 950 copies of the publication which the D.P.D. proposes to reserve for the use of the departmental officers will cost Rs 150/- if the sale price of a copy is fixed at Rs 3/- each. Since this amount cannot be deemed to be a loss to Govt. the actual deficit will work out only to Rs 162.8. (Rs 312.8.0 - Rs 150.00). Since the amount is almost negligible it was stated that there would be no loss to Govt.

The further note of Edn. on pp. 8-9 above may be perused.

Edn. have taken into account, the cost of 50 copies of the guidebook that will be reserved for the use of the departmental officers, in working out the net loss to Govt. Fin. may agree to the proposals, which are -

- 1000 copies of the guide book to be printed at a cost of Rs 2,000 approximately.
- 950 copies to be sold at Rs 3/- per copy, the remaining 50 copies to be reserved for use by Departmental officers.
- commission for sale of the copies to be paid at 25% of the sale price.
- Remuneration to be paid to the 6 members at Rs 75/- each.

(The D.P.D. states that since every institution should necessarily purchase one copy of the guide book for introducing the new syllabus, it is likely that all the 950 copies will be sold.)
