(a) A statement showing the grants (recur-
ring and non-recurring) sanctioned to
the three Universities in the State,
since 1945-46, together with the pur-
poses for which they were sanctioned,
is laid on the table of the House.
These figures do not include the
amounts sanctioned by the Director of
Public Instruction towards the loss
sustained by the Universities on
account of grant of concessions to
children and dependants of soldiers.
These amounts vary from Rs. 2,000/-
to Rs. 7,000/- for a year.

(b) and (c) - The non-recurring grants
shown in the statement are in addition
to the recurring grants mentioned
above. Soon after the establishment
of the Andhra and the Annamalai
Universities, a non-recurring grant
of Rs. 7½ lakhs for buildings and
equipment and a similar grant of
Rs. 27 lakhs for the Foundation Fund
of each of these Universities were made
to those Universities, besides the
annual recurring grants.
attention of member is invited
to

(b) and (c) contd.

to Sections 44 of the Madras University Act, 37(2) of the Andhra University Act, and 43 of the Annamalai University Act.

Except in the case of the Annamalai University Act, which makes mention of a contribution of Rs. 1½ lakhs to the General Fund of the University by the State Government, the provisions of the Acts do not specifically lay down any recurring figures in respect of/block grants.

however
The three Acts specifically provide for contributions ~~as may be decided~~ *for the payment of* being made by the Government to the Universities from time to time for ~~the~~ general purposes of the Universities. The grants which are now provided for with reference to these statutory provisions are:--

Madras University - Rs. 5,09,700/-
Andhra University - Rs. 3,49,400/-
Annamalai Univer- - Rs. 6,49,000/-
sity.

(d) whether the statutory grants are given without reference to the financial position of each University;

(d) The financial position of the University and its requirements are taken into account when the amounts are fixed.

(e) whether all or any of the Universities have investment funds for general purposes or ear-marked for particular items of work, and if so, how the investment funds stand in each University;

(e) and (f) - Universities are autonomous bodies. The Syndicate of each University is empowered to administer the funds of the University and effect transfers from one budget head to another. The Senate is competent to review the action of the Syndicate. The accounts are audited by the ~~officers~~ *up to date* Local Fund Audit Department. *details* of the funds are not available.

(f) whether any or all of the Universities are required to carry forward towards investment funds a certain percentage of their recurring income;

(g)-whether the Govt. have

(g) No.

under consideration any proposal to have the financial position of the Universities examined with a view to alter the basis ~~on~~ on which grants are made for general or specific purposes including the statutory grants;

(h) whether there is any proposal to revive the University Grants Committee with duties such as those entrusted to similar bodies elsewhere; and

(h) No.

(i) whether there is any proposal to make University education wholly a central subject?

The ~~State~~ Government are not aware of any such proposal.

SRI R. SURYANARAYANA RAO:—“In view of the great responsibility borne by the University of Madras, will not the Government think of revising the basis of the grant; the Madras University gets about Rs. 5 lakhs odd while the Annamalai University gets Rs. 6 lakhs odd.”

THE HON. SRI K. MADHAVA MENON:—“The increase for the Annamalai University is because of the Engineering College started there and there is no necessity for revising it. If, however, the Madras University applies for it, we will certainly consider and examine its request and give as much as possible.”

* Represents the amount of grant reduced due to the fixation of pay of the Vice-Chancellor at Rs. 1,500 per mensem.

† This has been enhanced to Rs. 3.5 lakhs from 1950-51.

The Supplementary Question at p 3 ante, there is no need for any reconsideration of the basis of the past grants & which are only conditioned by the availability of funds. The Madras University's application for Govt grants for the opening of the Deptts of Applied Physics, Geology & Geophysics is under consideration in connection with Part II.
