Sir,

* Sub: Colleges - Government Arts Colleges -
Employment of additional staff in the
current year.

ENCLOSURES _____

SPARE COPIES _____

I have the honour to submit for the favourable consideration of Government the following proposals for the employment of additional staff in certain Government Arts Colleges in the current academic year.

2. Last year proposals were submitted to Government for the employment of additional staff in certain Government Colleges but as they were recommended late in the year Government deferred them and asked the Director to renew them in the current year after the admissions are over. Vide this office letter Rc.387K2/47 dated 13-12-1949 and G.O.205 Edn., dated 23-1-1950. Proposals have been received from several colleges in the current year for additional staff. I have examined in detail the proposals received from each Principal and recommend below the additional staff that is absolutely necessary from the current academic year.

Presidency College, Madras.

Physics Department: The sanctioned staff consists of 1 Professor, 1 Additional Professor, 6 Assistant Professors and 3 Demonstrators. From the statement of distribution of work in the department furnished by the Principal it is observed that as per the University regulations the total work of the department does not justify the employment of additional staff, but in view of the difficulty experienced in the supervision of the practical work, it is necessary to employ 2 Demonstrators in lieu of one existing post of Assistant Professor. The Principal has pointed out that each of the classes (B.Sc. Pass) having a strength of 30 or more for practical work requires atleast 1 Assistant Professor and 2 Demonstrators and that without an additional demonstrator the work cannot be managed. As regards practical work in the Honours classes, there are at present 15 students in V Honours, 19 in the IV Honours and 1 in Post Graduate and 14 in III Honours. The IV Honours students alone have 10 hours of practical classes and as it is not possible for one Assistant Professor to supervise the work one demonstrator is required here also.

p.t.o.

Politics Department: The Department of History and Politics has 2 Gazetted members and 4 Assistant Professors. From the Statement of distribution of work it is observed that while each of the 2 Professors has 14 hours per week, each of the Assistant Professors has more than 14 hours of lecturing work per week. Under the University regulations the teaching work should not exceed 14 hours per week per head under any circumstances and Professors in charge of Honours teaching should be given less than 14 hours of work per week. At present 3 of the Assistant Professors have each 17 hours per week while the fourth one has 16 hours. There is a definite need for the employment of an additional Assistant Professor (Politics).

Botany & Geology Departments: The staff for the Botany Department consists of 2 Professors, 4 Assistant Professors and 2 Demonstrators and that for the Geology Department consists of 1 Professor, 3 Assistant Professors and 3 Demonstrators. In both these departments while the teaching staff is adequate, additional staff is necessary for the practical and correction work. An additional Demonstrator for each Department is absolutely necessary. The present strength of the Botany classes is 260 and there are 103 hours of practical work besides the valuation of record books. I am satisfied that there is need for an additional demonstrator for the supervision of practical work. In the case of the Geology Department, there are 123 hours of practical work and this requires the services of an additional demonstrator.

Government College, Kumbakonam:

English and Tamil Departments. Even last year the employment of 2 Tutors, one for English and another for Tamil was recommended. The strength of the English Classes is 784 and the existing staff consists of 1 Lecturer, 3 Assistant Lecturers and 3 Tutors. The work in the Department consists of 54 hours of lecture, 9 hours of composition and correction of 784 composition books. Under the regulations of the University a Tutor who has no teaching work can be given 150 note books for valuation and the supervision of the composition classes. The 9 hours of composition work may be shared by the 3 Tutors in addition to the valuation of 450 books. The remaining 54 hours of lecture and the correction of 334 note books has to be shared by the 4 members of the teaching staff. The University has laid down that a Lecturer who has 10 to 12 hours of teaching work has to be given not more than 50 exercise books. Applying this convention there is a definite need for one more tutor for the English department as the entire lecturing work and the valuation of 334 exercise books cannot be managed by the other members.

The need for an additional Tutor for the Tamil Department is much greater, since there are only 3 members (1 lecturer, one Assistant Lecturer and one Pandit) for teaching purposes with a Tutor. The strength of the classes is 501 with 38 hours of lecture and 8 hours of composition work. An additional Tutor is absolutely necessary to cope with the work.

Government College, Coimbatore.

English Department: The staff for English Department consists of 1 Lecturer, 3 Assistant Lecturers and 2 Tutors. The work in the Department comprises of 39 hours of lecture, 14 hours of composition, and the valuation of 765 exercise books. Although the teaching staff is adequate, the tutorial staff is inadequate to cope with the work. An additional Tutor in English is absolutely necessary as the teaching staff will not be able to attend the correction of 465 note books after allotting 300 books to the two Tutors.

QUEEN MARY'S COLLEGE, MADRAS.

English Department: The staff for the English Department consists of 1 Lecturer, 4 Assistant Lecturers and 1 Tutor. The University in the course of reviewing the staff returns has stipulated the employment of an additional Tutor as the tutorial work at present is too unweildy for the existing Tutor. There are 39 hours of lecture, 18 hours of supervision and 6 hours of tutorial work besides the valuation of 544 composition books. An additional Tutor has necessarily to be employed.

Necessary provision for the proposed additional staff will be included in the Final Revised Estimate for the current year. These proposals could not be submitted earlier because of the schemes which had to be submitted to Government in connection with the Part II Estimates for 1951-52. I request sanction for the posts as urgently as possible as the Colleges are working understaffed.

Yours faithfully,

Therindhu

for Director of Public Instruction.

R.C. No. 752-K2/50 dated 2nd January 1951.

Sir,
Sub: Colleges - Presidency College, Madras - Employment of
Assistant Professor in Politics during the academic
year 1951-52 - Sanctioned.
REF: G.O. No. Ms. 3356 Education dated 21st December 1950.

In my letter R.C.752-K2/50 dated 6-11-1950 I submitted proposals
for the employment of the additional staff for the current year, but
in the G.O. referred to above, sanction has been accorded for the -
employment of Assistant Professor in Politics in the Presidency -
College, Madras during 1951-52. As there is a need for an additional
member in the current year itself, Government may kindly sanction the
employment of the Assistant Professor during the current year itself.

Towards the end of 1949, the B.P.I. submitted proposals for the employment of additional staff in some of the Grant Arts Colleges. The proposals were deferred as there was very little time before examinations began, thereby rendering the staff unnecessary for that year. The W.C. was told that he might submit consolidated proposals for additional staff soon after admissions were made next year. The W.C. has now submitted proposals explaining that they could not be submitted earlier because of the schemes which had to be submitted to the Grant in connection with the Part II Schemes for 1951-52.

2. His proposals for additional staff are as shown below:

- Presidency College, Madras.
 - Physics Dept - 2 Demonstrators in lieu of 1 existing post of Asst Professor.
 - Politics - 1 Asst Professor.
 - Botany - 1 Demonstrator
 - Geology - 1 - do -
- Grant College, Kumbakonam.

English - 1 Tutor.

3. The ultimate addl cost involved works out to about Rs 12,500 per annum. The D.P.I. has stated that necessary provision will be included in the final Revised Estimates for the current year.

4. The necessity for the addl staff has been explained in the Dir's letter on pp 1-3 cf. Ordinarily the proposals should be placed before the S.F.C and the Cabinet. If that procedure is adopted the employment of the staff will be delayed further. For orders whether the D.P.I.'s proposal will be approved and sanction accorded following the 'short circuit' procedure.

The remarks of Finance may be inserted before circulation.

The proposal relates to the employment of the following addl staff in certain Govt Arts Colleges in the current academic year:-

Presidency College, Madras { Physics Dept:- 2 Demonstrators in lieu of one existing post of Asst Professor.
Politics Dept:- 1 Asst Professor
Botany Dept:- 1 Demonstrator
Geology Dept:- 1 Demonstrator

Govt College, Kumbakonam: { English Dept:- 1 Tutor
Tamil Dept:- 1 Tutor

Govt College, Coimbatore. English Dept:- 1 Tutor

Queen Mary's College, Madras. English Dept:- 1 Tutor.

The D.P.I. has stated that the proposal could not

The first half of the current year is already over. The 2nd half of the current year is not yet over. The proposal for the 2nd half of the current year is being considered for the next academic year only. The proposal for the 1st half of the current year is being considered for the current year only.

be submitted earlier because of the schemes which had to be submitted to Government in connection with Part II Schemes for 1951-52 and that the additional staff proposed may be sanctioned urgently as the Colleges are working understaffed. The notes of Education department on pp. 1-2 above may be perused. The extra cost involved in the proposal works out to Rs 15,000/- roundly per annum recurring.

2. Towards the end of 1949, the D.P.I. submitted proposals for the employment of additional staff in certain Government colleges. These included staff now proposed for Geology and Botany departments of Presidency College and those required for the Kumbakonam College. The proposals were deferred as ^{it was} ~~they were~~ considered that the employment of additional staff could wait till the next academic year. The D.P.I. was requested to submit consolidated proposals for additional staff soon after admissions were made for next year (1950). Usually proposals of this kind are treated as Part II schemes - vide instruction in para 50(a) of the Madras Budget Manual. From pages 1-3 C.F. it is observed that the additional staff proposed, excepting the post of Asst. Professor in Politics in the Presidency College, ~~for~~ is for correcting note books and the supervision of practical classes and the University may not insist on the employment of this staff in the current year itself. Finance may therefore advise, that the post of Asst. Professor (Politics) in the Presidency College, Madras, which is stated to be required for teaching work according to University regulations, may be sanctioned in the current year and the rest of the addl. staff proposed may be postponed for consideration in connection with the Part II Schemes for 1952-53.

3. If the suggestion of this department in para 2 above is accepted, the extra cost involved will be Rs 3,271/- per annum recurring. In that case orders may be issued after obtaining circulating the case to

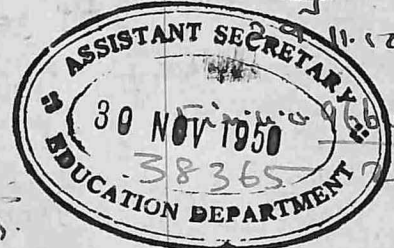

H.M. (Finance). If the entire staff proposed by the D.P.I. were to be sanctioned, the case will have to be referred to the S.F.C. and the Cabinet before the issue of orders, as the extra cost involved exceeds Rs 10,000/- per annum recurring.

Orders may be taken in circulation to H.M. concerned H.M. (Edn.) and H.C.M., if Education wish to follow the short circuit procedure referred to in para II(iii) of Finance U.O. Note 26978(A) BG-4, dated 21-12-1947 for waiving a reference to the S.F.C. and the Cabinet.

There is no justification to proceed with the consideration of the immediate

employment of the whole staff, in view of the present financial stringency and the conditions laid down by the Govt. in respect of new claims to be introduced in the course of the year.

may be accorded by following the 'short circuit procedure' instead of placing the proposals before the S.F.C. and the Cabinet. Finance suggest that there is no justification for proceeding with the consideration of the immediate employment of the whole staff, and advise that the post of Asst Professor in Politics in the Presy College, Madras, may alone be sanctioned now and that too with effect from the next academic year and that the rest of the proposals may be brought forward as a part of Scheme for 1952-'53. The extra cost involved in the above proposal will be Rs 3,271 per annum recurring. This Deptt may agree with Finance.
