No.82/II/ZC
HQ No.2 Circle NCC
Fort St George Madras
27 November 1950.

To

The Secretary to Government of Madras,
Education Department,
Fort St George, Madras.

Subject:- APPOINTMENT OF LASCARS IN JUNIOR DIV UNITS NCC

Sir,

I am to state that one lascar for each Junior Division Troop NCC is authorised in the peace establishment table of the unit for looking after the stores and cleaning the rifles issued to each troop. 45 troops have so far been raised in Madras State a list of which is enclosed. Now that many troops have already received their arms equipment and clothing and the reamining units also will be in receipt of these shortly, the necessity for employing one lascar in each troop mainly for doing periodical cleaning of the rifles and to look after other stores, is greatly felt. It will be appreciated that unless the arms are periodically cleaned carefully, they will become unserviceable which cannot be allowed to happen.

(P)/1

2. Government have already sanctioned the employment of two lascars vide GO Ms No.2002 Education dated 22.7.50. These two lascars are at present utilised at the office of the LO for cleaning the rifles received by him from Ord Depots. They will be posted to two Junior Division troops in the city of Madras as soon as all the rifles have been distributed to the Units.

3. Sanction may now, therefore, be accorded for the employment of remaining 43 lascars at the rate of one lascar for each troop. Location of each troop where the lascars are to be employed is given in the annexure to this letter. In places where one troop is located in more than one school, the lascar may be stationed in the school where the troop commander is employed and work under his supervision.

4. As ex-servicemen are to be preferred for these posts of lascars, it is requested that no minimum educational qualification need be laid down for recruitment to these posts.

Encl. 1

Yours faithfully,

Major.

Roc.No.103 C5/51 dated 28.4.51.

Sir,

Sub: NATIONAL CADET CORPS - Appointments of Lascars.

Ref: Your Lr.No.15/21/51 dated 13-4-51.

The posts of the Lascars sanctioned in G.O.No.3364 Edn., dated 26-12-1950 and proposed to be alloted to the Units attached to the institutions referred to in your letter 2nd cited 15/1/51 dated 10-1-51 may be attached to the Offices of the District Educational Officers concerned except in the case of Schools No.8, 9, 19, 33 and 45 which are Government Schools. In the case of Government schools, the posts may be attached to the schools concerned, as the Heads of institutions are competant to draw and disburse the salary and allowances themselves.

In this connection, I have to point out that since some of the schools in which the lascars are proposed to be attached are not in the Headquarters of the District Educational Officers concerned, copies of orders of appointments, transfers, leave etc. of the lascars may be made available to the District Educational Officers concerned sufficiently in advance so as to enable them to draw and disburse their salaries properly.

The following procedure should be followed in regard to the drawal and disbursement of pay and allowances of the lascars employed in aided and local body schools.

(a) Lascars employed in aided and local body schools situated in the Headquarters of the District Educational Officer:- The District Educational Officer himself will draw and disburse the pay and allowances of the lascars. The lascars should be instructed to go and receive payment at the Office of the District Educational Officer on the 1st or on such day as happens to be the pay-day for the month.

(b) Lascars employed in aided and Local body schools situated outside the Headquarters of the District Educational Officer:-

The District Educational Officer will draw the pay and allowances of the lascar and send it by M.O. to the Headmaster of the school in which the lascar is employed for disbursement to the lascar on a proper acquittance. Such acquittance should be submitted to the District Educational Officer by the Headmaster concerned immediately after disbursement for record in the District Educational Officer's Office. The expenditure on the M.O.Commission will be met from the "Contingencies" of the District Educational Officer's office.

NATIONAL CADET CORPS - Junior Division Units - Employment of lascars.

From the Commander, 2nd Circle, National Cadet Corps, No. 82/II/ZC dated the 27th November 1950.

Please see the letter from the Commander, 2nd Circle, National Cadet Corps, on page 1 c.f. Necessary provision has been made in the current year's budget for the employment of lascars at the rate of one for each of the forty five troops of the Junior Division of the National Cadet Corps. The employment of 43 lascars on the scale of of pay of Rs.22--½(4)-30 may be sanctioned and the period of employment may be for a period of one year in the first instance. 2. With reference to para 4 of the Commander's letter, it may be noted that the minimum general educational qualification prescribed for lascars in other NCC units is a pass in III Form. The same qualification should be prescribed for those in other units (It is proposed to prescribe by the issue of ad hoc rule the same qualification in the case of those employed in the Senior Division Units formed in 1949-50). The Commander may, therefore, be requested to see that ~~only~~ ex-service candidates who ~~are~~ possess the qualification are appointed as lascars as far as possible. If it is not possible to employ qualified candidates, the question of relaxing the qualification rule in their favour may be considered in due course. The Commander may also be requested to forward, in due course, a list showing the names of high schools in which the lascars ~~are~~ have been employed.
