Ref: G.O.Ms.No.3270 Edn., dated 27-10-1949.

In connection with Part II of the Budget Estimate for 1951-52, I renew for the consideration of Government the proposal for the employment of B.T. or B.Ed. Assistants in lieu of Secondary Grade teachers, in certain Government Training Schools.

2. The proposal that the existing Secondary Grade teachers in Government Elementary Grade Training Schools should be replaced by B.T. or B.Ed. Assistants gradually, was accepted by Government in principle, and as a first step they sanctioned the conversion of 27 posts of Secondary Grade teachers and 2 permanent posts of Pandits in certain Government Training Schools, into those of B.T. Assistants. Vide G.O.No.893 Edn., dated 15-4-48. Proposals for the employment of B.T. Assistants in lieu of Secondary Grade teachers in some more Government Training Schools, were submitted to Government for consideration in connection with Part II of the Budget Estimate for 1949-50 and again for 1950-51, but they were deferred by Government vide G.O.Ms.No.820Edn., dated 23-3-1949 and G.O.Ms.No.3270 Edn., dated 27-10-1949. I request that Government may be pleased to sanction the conversion into B.T. or B.Ed. Assistants posts, with effect from the school year 1951-52, of nineteen posts of Secondary Grade teachers in Government Training Schools, as shown below:--

No recommendations are made in respect of Government Training Schools for Women, now, in view of the paucity of trained women graduates.

3. The extra cost involved in the proposal is worked out below:--

Extra cost in 1951-52.

Recurring.

Pay of 19 B.T. Assistants in the scale of Rs. 85-175 - minus pay of 19 Secondary Grade teachers in the scale of 45-90 = 85-45 = 40

$$= 40 \times 19 \times 9 = 6,840$$

Dearness allowance.

$$= 24-22=2$$

$$2 \times 19 \times 9 = 342$$

House Rent Allowance. 7-5=2=2x8x9 = 144

w. respect of eight members only.

$$\text{Total.} = 7,326$$

or Rs. 7,300/- in round figures.

Ultimate cost.

Average pay of 19 B.T. Assistants minus that of 19 Secondary Grade teachers

$$= 137 - 67\frac{1}{2} = 69\frac{1}{2} \times 19 \times 12 = 15,846$$

Dearness allowance: 31-22 = 9 x 19 x 12 = 2,052

House rent allowance. 14-5 = 9 x 8 x 12 = 864  
(in respect of persons only.)

$$\text{Total.} = 18,762$$

or Rs. 18,800/- in round figures.

4. I am including the necessary provision in Part II of the Budget Estimate for 1951-52.

Yours faithfully,

Govt. Training Schools - Employment of B.T. Assistants in lieu of Secondary grade teachers.

pp 1-2 CF From the D.P.I. No. 1202 K3/50 dated 14-9-50.

E/pp 1-2 CF In 1947, the D.P.I. proposed that the posts of 115 teachers (108 Secondary grade and 7 Pandits) in Govt. Training schools <sup>might</sup> be replaced by B.T. or B.Ed. Assistants, the replacement being made gradually in the course of 4 years. He considered <sup>that</sup> both from the point of view of general and professional education the Secondary grade teachers are not persons fit to be on the staff of training schools and that they should be replaced by B.T. or B.Ed. Assistants in all the training schools in the interests of efficiency and better training of elementary grade candidates and also in order to make provision for the better teaching of languages than at present in these schools. To begin with the Director recommended that 29 B.T. or B.Ed. Assistants might be appointed during 1948-49 in the place of 27 Secondary grade teachers and 2 Pandits. The proposal was approved E/p 43 CF in L.O. No. 893 Edu dated 15-4-50, after being considered as a Part II Scheme.

T/pp 1-2 CF In 1948, the D.P.I. proposed the employment of B.T. or B.Ed. Assistants in lieu of 29 additional Secondary grade teachers in the Govt. Training schools mentioned in his letter on pp 1-3 CF of (T). The additional cost involved in the proposal was estimated at Rs 12,000 for 1949-50 and Rs 26,000 ultimately. The proposal was considered as a Part-II Scheme. The S.F.C.

T/p 14 CF recommended that the proposal <sup>might</sup> be negatived. The recommendation of the S.F.C. was accepted but the D.P.I.

T/p 11 CF was asked to renew the proposal later on. P/pp 1-3 CF <sup>Accordingly</sup> Last year, the D.P.I. again <sup>in 1949</sup> submitted proposals for the conversion of 21 Secondary grade teachers posts in the various Govt. Training schools into

B.T. or B.Ed. Assistants posts involving an additional expenditure of Rs 8,100 during 1950-51 and an ultimate expenditure of Rs 18,186 a year. Finance dept was ~~strongly~~ against the proposal being considered as a Part II Scheme and suggested that it <sup>might</sup> be deferred for better times in view of the financial position of the Govt. The suggestion of Finance dept was accepted in this dept and the ~~propo~~ proposal was <sup>again</sup> deferred in L.O. No. 3270 Edu dt-27-10-49. P/P7CF

The D.P.I. has ~~now~~ <sup>again</sup> submitted proposals for the conversion of into B.T. or B.Ed. Assistants posts with effect from the school year 1951-52, of nineteen posts of Secondary grade teachers in Govt. Training schools. They are on pp 1-2 CF of the Director's letter. The Director has not made any recommendations in respect of Govt. Training schools for women in view of the paucity of trained women graduates. The proposal involves an extra expenditure of Rs 7,300 during 1951-52 and Rs 18,800 an ultimate expenditure of Rs 18,800 a year.

The proposal may be supported in this dept. The file may be sent to Finance for remarks.

Though the financial position of the State has not improved appreciably yet the proposal is an urgent necessity in view of the increasing importance given to the study of the regional languages. The proposal which has been deferred for the last two years may be sanctioned at least <sup>for next</sup> 4 years. The file may be sent to Finance for remarks.

Fin. Edu. 281022/27-4-

Part II Scheme for 1951-52. The Education Department have supported the proposal of the D.P.D. for the conversion of 19 <sup>posts of</sup> Secondary Grade Teachers into B.T. or B.Ed. Assistants' posts, for the reason that the proposal is urgent in view of the increasing importance being given to the study of the regional languages. The extra cost involved is Rs 7,500 recurring in 1951-52 and Rs 18,200 p.a. recurring ultimately.

2. The <sup>same</sup> proposal ~~has been brought~~ <sup>was considered</sup> by the Govt. twice in the past and negatived, the reasons being that the proposals <sup>was</sup> not urgent and hence could afford to wait till the State finances improved. The argument about the importance attached to the study of regional languages was advanced by Edu last year also. But on the suggestion of this department, the proposal was <sup>again</sup> ordered to be deferred. There has been no change in <sup>the</sup> circumstances, since the Govt. orders referred to were passed. The criteria laid down for Part II schemes for 1951-52 also are not satisfied.

3. In view of the reasons in para 2 above and the fact that the proposal is not urgent, Finance may suggest that the proposal may be deferred till the finances of the State improve.
