Sir,

Sub: Post-war Development Programmes -
Quarterly Report.

Ref: Your letter No.25814 Education dated
22nd September 1950.

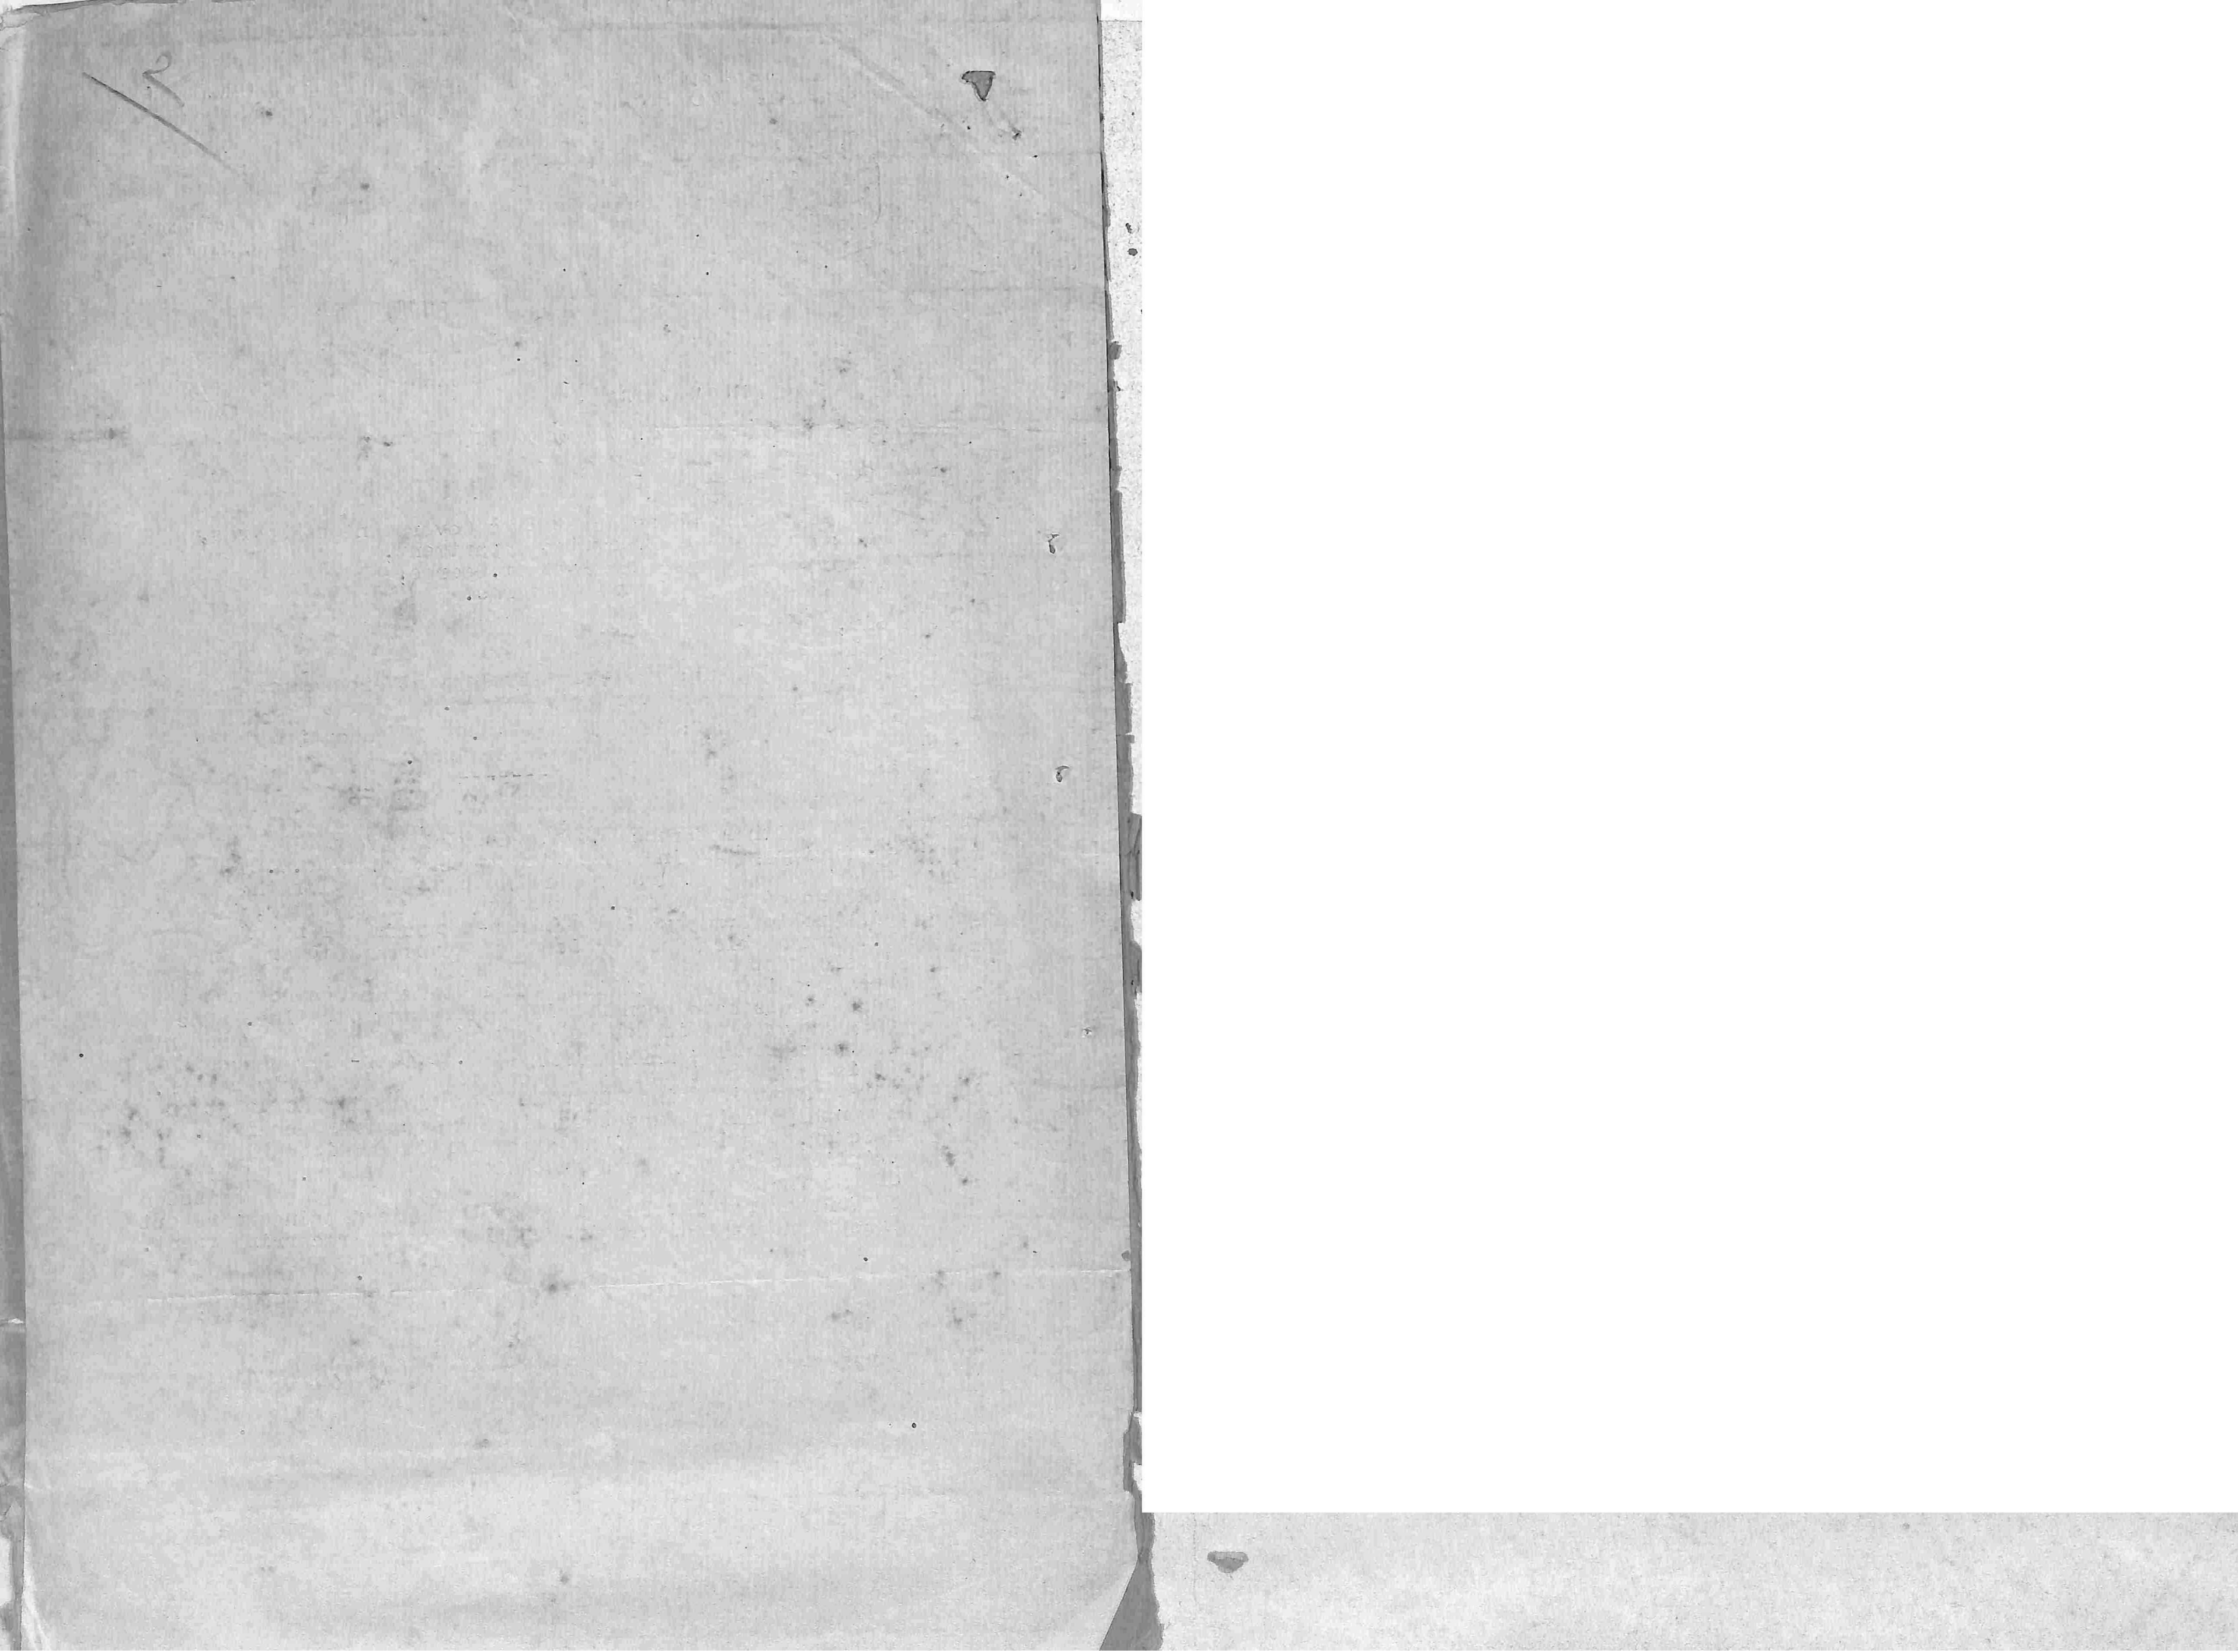

With reference to the above I have the honour to invite your kind attention to my letter No.V.2169 dated 2nd August 1950 regarding the grants for the College of Technology. As stated in that letter, I wish to inform you that the non-recurring grant of Rs.7 lakhs which was promised by Government towards the development of the College of Technology has already been received and utilised and returns in respect of such grants have been furnished from time to time. The only grant that is now being received from the Government is the recurring Block Grant of Rs.85,000/- for which it is presumed there is no need for any quarterly return. This amount is being given to the University as grant on a monthly basis towards meeting the recurring charges. However, the information called for is furnished in triplicate in the forms sent with your letter. In view of the facts mentioned above I request that the submission of further returns be waived as there is nothing to report except the expenditure in relation to the recurring grant.

Yours faithfully,

R. R. R. R.

With reference to the orders issued in Letter
Ref.No.25814-Education dated 22-9-50, the Registrars
of the ~~Univ~~ Madras and the Annamalai Universities have
submitted the quarterly returns in respect of the
Post-War Development schemes of the Universities, and
they are on p.p. 3-7 c.f, and p.p. 11-21 c.f. The
Registrar of the Madras University states that the
only post-war development of that University is the
scheme relating to the construction of buildings for
the Alagappa Chettiar College of Technology, the ~~grant~~
non-recurring grant for which ~~was~~ Rs. 7 lakhs which
the University has already ~~drawn~~ ^{been by the University}. The Registrar
reports that the recurring grant for this scheme, ~~is~~ ^{is}
Rs.85,000/- which is being drawn by the University
in monthly instalments along with ~~the grants for~~ other
recurring grants, ~~and~~ ^{he} therefore requests the waiver
of the submission of the quarter return ~~by~~ ^{in respect of this scheme} the Univer-
sity. The same question was raised by the Registrar
in his previous letter on p.11 c.f. of Lr.Ref.No.
19588-F/50-2 Edn., dated 14.9.50. Attention is solicit-
ed to the notes on p.1 n.f. of the above letter and
the orders in the margin at K therein. The University
can certainly send a report in respect of ~~the grant~~
~~of Rs.85,000 sanctioned for~~ the scheme relating to the
Alagappa Chettiar College of Technology. The Registrar
may therefore be informed accordingly. Subject to orders
the draft letter below is for approval. Development

Notes of Education Dept. above may be perused.

At the meeting of the Inter Departmental Secretaries

Committee on 2-8-50, it was decided that progress reports on Development

Schemes may be submitted once a quarter and that the form in which

the reports should be drawn up was left to be decided by each Secretary

to Government with reference to the Departments under his control.

Education and Public Health have suggested that periodical reports may

not be necessary in respect of nonrecurring grants already sanctioned

and in the case of recurring grants which are treated as lump sum

not liable to any accounting. In the circumstances stated in the

Registrar's letter on p.l. c.f. this Department may agree with the

views of Education and Public Health indicating that the P.H. may

however indicate in the remarks column the reasons for not furnishing

the progress reports. With these remarks, the case may be returned to

Education and Public Health. ~~Dept. H.~~
