Letter No. 3995/50-A-1

dated 19-12-1950.

Sir,

Sub: Meeting of the Indian Botanical Society and
the Indian Science Congress - Participation
by Botany Curator - Permission requested.

The Indian Botanical Society and the Indian Science Congress are going to hold their annual sessions in Bangalore from 1-1-1951 when eminent Botanists and other Scientists from India and abroad are going to participate. The Indian Botanical Society is also arranging a botanical excursion and exhibition of objects of botanical interest (including instruments, charts, photos etc.) at their meeting. This will be an opportunity for my Curator for Botany to get into touch with the most eminent Botanists. I also consider that his participation in the meetings and excursions and exhibition will post him with the latest knowledge in Botany and will thereby increase his usefulness to this institution. I therefore request Government to accord sanction to permit him to attend the meeting and participate in the proceedings for a period of one week from 1-1-1951. His period of absence may be treated as duty and he may be paid the travelling allowance to which he is eligible under the rules.

As the meeting of the Botanical Society is due to commence on 1-1-1951, I request Government that the matter may be treated as special and early orders passed in the matter.

Yours faithfully,

A. Aiyappan
Superintendent.
