To, The Secretary,
To the Government of Madras.
Educational Department.

Sir,

Humble application for exemption from age rules;
for appointment as school assistants, in the
Department of Education, Madras.

1 I am a Graduate teacher serving at Basel Mission High school, Mangalore. I am desirous of seeking employment in the Educational Department of Madras; but I am above thirty years of age, my date of Birth being 1-9-1918. I request that I may be exempted from the operation of the age rules so that I may seek employment under the Government.

2 The Government of Madras had been kind enough to grant me Widow Scholarship for my studies from I Form right up to B.A., and B.T. courses.

3 I passed my B.A. from Queen Mary's College, Madras, with Chemistry Main and Physics Subsidiary, and my B.T., from Lady Willingdon Training College, Madras, in 1945. I have passed also craft Training in Spinning. My mothertongue is Kannada. I have put in service of five years as teacher in High schools.

4 I learn that the Government Institutions are in need of Trained Graduates in Science in Kannada Area. I am desirous of joining Govt. service. When I sought Govt. service after my B.T., I was informed that the age limit was stated to be 25. At present the age limit is restored to thirty. Therefore I did not have a chance to join Govt. Service. I am prepared also to undergo Basic Training.

5 I pray that the Govt. may be pleased to consider my case sympathetically and to grant me exemption from the age restrictions, so that I may be eligible to seek Govt. service, as I am a poor widow.

For which act of kindness I will be ever grateful.

Yours faithfully,

P. Krishnaveni.

4-8-1950 regarding the request of Srimathi P.
Krishnaveni for exemption for age-rules for
appointment as School Asst. in the Madras Edl.
Subordinate Service.

Srimathi P. Krishnaveni, B.A.(Chemistry), B.T., has now
been working under Rule 9(a)(i) of the General Rules for the Madras
State and Subordinate Services as temporary School Assistant in
the Government High School for girls, Car Street, Mangalore, since
22-8-1950. She was born on 1-9-1918. She passed her B.T.
examination in 1945 and has nearly put in 5 years teaching experi-
ence in the recognized high schools. Her services were badly
needed in the Government High School for girls, Car Street,
Mangalore. Hence she was appointed under the emergency provi-
sions, in the absence of fully qualified Science graduates.
Since there is a dearth of qualified Kannada knowing L.T. Assis-
tants, especially Science Assistants, I recommend that Srimathi
P. Krishnaveni may be exempted from the age-rule for appointment
in the Madras Educational Subordinate Service.

Humble Memorial of Srimathi P. Krishnaveni, M.A.B.T. Temporary

To, The Secretary,
Government of Madras,
Educational Department,
Health, Education and Local Administration,

Through, The Director of
Public Instruction, Madras,

And, The Inspectress of Schools,

And, The Superintendent,
Government Secondary and Training School

Respected Sir,

Sub: Madras Educational Subordinate Service-
Relaxation of Rules- regularisation-
of Temporary Service- prayed for- from
an Earlier date.

Ref: Pros. R.O.C. No. 45c.2/56 dated, 1-3-56 of the
Director of Public Instruction, Madras.

The Memorialist humbly begs to submit as follows:-

1. The Memorialist was appointed as Temporary Science Assistant at
Government Girls' High School, Mangalore, in Pros. R.O.C. No. 647
C-12/ 50 dated 14-8-50 of the Director of Public Instruction, Madras
when there was dearth of trained Science Assistants available for
appointment under the Madras Educational Department.

P.T.O

2/ Though she was a permanent graduate assistant at B.E.M. High School, Mangalore in August 1950, she relinquished her permanent appointment in the private service, and joined as school assistant at Government Girls' High School, Mangalore, in obedience to the above quoted Pros. of the Director of Public Instruction, Madras, on the presumption that she would be appointed on a regular basis very soon.

3. The Director of Public Instruction, Madras, was kind enough to obtain from the Government of Madras Orders, relaxing the age rules in her favour in G.O. No 3379 Education dated 27-12-50, so that she might be selected for appointment as School Assistant.

4. The Memorialist submitted an application to Madras Public Service Commission, in response to their notification dated 16-1-51 for selection as school assistant.

5. But unfortunately the proposed recruitment did not take place, presumably due to the bifurcation of Andhra from Madras State and probably due to policy reasons on the part of the Government. The memorialist was informed by the Public Service Commission, Madras after a period of two and a half years in its Pros No 5136 G/1/53 dated 28-9-53 that the recruitment was dropped in accordance with the instructions of the Government as per letter of the Secretary Education Department, No 37645-A/53-2 Education dated 27-8-53.

6. The Memorialist begs to state if the recruitment had taken place that she would have been selected as school assistant.

7. The Memorialist again applied to the Madras Public Service Commission, in 1954, at their next notification dated 28-4-54 for selection as school assistant. She was interviewed by the Service Commission on 3-11-54 and she was later informed in its Memorandum No 846G/2/55 dated 7-3-55 that she was selected for appointment as School Assistant. The Director of Public Instruction, Madras subsequently ordered the continuance of her appointment consequent to her selection by the Commission, as Science Assistant at Government Secondary and Training School for Women Mangalore in His Pros.R.O.C. No 137c-255 dated 15-6-55.

8. The Memorialist begs to submit that she has been continuously serving as School Assistant in Madras Educational Department ever since her appointment on 22-8-50, and that she counts five years and seven and a half Months' service on the date of this Memorial, while she is 37 years' old, having about 18 years of service before her for retirement.

9. The Memorialist feared that her appointment might be regularised only with effect from date after her selection by the Service Commission and that she might lose about four years of service thereby, and that this would affect her future prospects, promotions, pensions etc in the future setup..

10. Under Rule 23(a) of the General Rules for recruitment and appointment ~~persons~~ of Madras State and Subordinate service Rules, the Memorialist begs to submit, that the appointing authority is vested with authority to appoint a candidate from a suitable date.

11. Therefore the Memorialist submitted an application to the Director of Public Instruction, Madras, to treat her case sympathetically and to consider her case for regularisation with retrospective ~~date~~ effect. But to her misfortune, the Director of Public Instruction, has found her request inadmissible and has refused to comply with her request, in his Pros R.O.C. 45C-2/56 dated 1-3-56.

12. The Memorialist feels that the refusal of her request works hard on her and affects her future prospects, and that in the future reorganisation of the States she may have to face terrible disaster. She submits that her's is a very hard case as she has to lose about four years' of service if her appointment is to be regularised with effect from a later date.

13. Therefore the Memorialist begs to place her case before the benign Government and appeals to the sympathy and kindness of the benign Government, and prays for relaxation of relevant service rules so that her appointment may be regularised at least with effect from 27-12-50, the date of the relaxation of the age rules by the government, in her favor, or from the 16th January 1951, the date of the notification by Madras Public Service Commission, inviting applications for recruitment as school assistants - which recruitment

was dropped.

14. The Memorialist begs to add that the following facts may be considered in her favour.:-

- a) That she joined government service at a time when there was a dearth of trained Science Graduate Assistants in Kannada, relinquishing her permanent appointment, taking a great risk,
- b) Though the relaxation of age rules in her favour was a concession that she cannot be comforted by the loss of about four and a half Year's service, which will mean loss of seniority, prospects and future promotions, etc.,
- c) Since the dropping of notified recruitment in 1951 by Service Commission due to the formation of Andhra and other policy reasons of the government that her case deserves sympathetic consideration, as she was sure that she would be recruited if the interview had taken place, as per notification of the Service Commission.
- d) That it is very hard for her to lose a good bit of her service about four and a half years - that too continuous service,
- e) that in the event of reorganisation of states she may have to face untold worries and misery due to loss of her service etc..

15. Therefore the Memorialist prays that her case may be treated sympathetically and that relevant Service rules may be relaxed as a special case so that her appointment may be regularised either from 27-12-50 or from 16-1-51 so that her future prospects may ~~not~~ be ~~protected~~ protected.

For which act of kindness she will be ever grateful.

Yours faithfully,

P. Krishnaveni
