ASSOCIATION OF PRINCIPALS OF TECHNICAL INSTITUTIONS (INDIA)

Office : Delhi Polytechnic, Lothian Road, DELHI.

President :
Sir J. C. GHOSH, Kt, D. Sc., F.N.I.

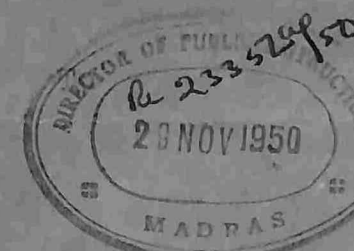

Director :
Eastern Higher Technical Institute,
(Ministry of Education).

Vice-President :
P. N. JOSHI, M. Sc. (Tech),
Principal, Victoria Jubilee
Technical Institute, Bombay.

No. 22973/020/T.

Dated, Delhi, Nov. 23, 1950.

The Secretary to the
Government of Madras,
Education Department,
Madras.

Dear Sir,

I have the honour to enclose herewith a copy of a letter No. 5765-5337./P-30(A), dated the 10th September, 1950 addressed to Dr. J.C. Ghosh, President of the Association by the Secretary, Central Board of Irrigation, New Delhi, for your information.

It is earnestly hoped that you will be kind enough to permit the members of the Association of Principals of Technical Institutions to become delegate members and participate in the International Technical Meetings and treat such participations as on duty, and if possible, grant P.A. at usual rates.

The present members of the Association from your Province are :-

1. Shri A. Viswanath, Principal, Engineering College, Anantapur.
2. Shri S. Paul, Principal, Engineering College, Quindy.
3. Shri V.S. Sadarangani, Principal, Engineering College, Kakinada.
4. Principal, Govt. College of Technology, Coimbatore.

Yours faithfully,
P. N. Joshi, 23.11.50.
Assistant Secretary.

GOVERNMENT OF INDIA
CENTRAL BOARD OF IRRIGATION
JAMNAGAR HOUSE, MAN SINGH ROAD,
NEW DELHI.

/ Dated, the 10th September, 1950.

From

Shri S.L. Malhotra, I.S.E., M.I.E., (Ind.),
Secretary,
Central Board of Irrigation.

To

Dr. J.C. Ghosh.

Subject: INDIAN INTERNATIONAL ENGINEERING CONFERENCES TO BE HELD IN
INDIA IN JANUARY, 1951.

Sir,

The response from various departments, organisations, institutions, industries etc. for sending in delegates for the following four International Meetings to be held in India in January, 1951, has so far been rather poor :-

1. Sectional Meeting of the World Power Conference.
2. International Commission on Large Dams.
3. International Commission on Irrigation & Canals.
4. International Association for Hydraulic Research.

You will be interested to know that at the last meeting of the Fourth World Power Conference held in London in July, 1950 there were 1500 delegates to the Conference out of which 700 were from Great Britain, the host country. It is desirable that participants from India in the Conferences to be held in this country for the first time should be of the same order.

I have, therefore, been directed to request you to kindly reconsider the nominations of delegations from your Administration or Organisation. The last date for the receipt of the definite applications forms is 15th September, 1950. Bulletin No. 2 containing these application forms is enclosed.

It is earnestly hoped that, keeping in view the importance of sending a large number of delegates from India for participating in the meetings, you will be kind enough to respond to the request of the Indian National Committee and send in the maximum number of delegates from your Administration or Organisation. Needless to repeat that this is a chance of participating in International Technical meetings, which should not be missed by the Indian Engineers.

Yours sincerely,

Sd/ S.L. Malhotra.

R.C.NO.2335-14/50.

OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, Dated 14--12--1950.

From

The Director of Public Instruction,
Madras.

To

The Secretary to Government,
Education Department, Madras.

Sir,

Sub: Conference - International Conference of Engineers in
Bombay, Delhi and Bangalore - January 1951.

REF: Government Endt.No.3743-A1/Edn. dated 27--11--1950.

With reference to the Government Endorsement cited I invite your attention to my letter of even Number dated 30th November '50 wherein recommendations have already been submitted to Government regarding the deputation of five Professors of Civil Engineering (two from the Engineering College, Guindy and one each from -- Anantapur, Kakinada and Coimbatore Colleges) to attend the World Power Conference to be held in January 1951. In view of the -- above I do not think it is necessary to depute all the Principals of the four Engineering Colleges of this State. In this connection I am to state that the subject for discussion at the Conference is mainly about High Dams and Water Power, a subject which concerns primarily the Civil Engineering Department. There are two Principals who are Civil Engineers:

- (1) Sri V.H. Sadarangani, Kakinada
- (2) Major B.H. Marley, Coimbatore.

Sri Sadarangani is now on re-employment till the end of the present academic year. He need not therefore be deputed. I recommend that

Major Marley may however be dputed.

2. The Government Endorsement together with its enclosure is returned herewith.

3. The Government endorsement together with its enclosure is returned herewith.

3. Early orders are requested.

Yours faithfully,

Phinikuram

for Director of Public Instruction.
