EDUCATION DEPARTMENT

From The Director of Public Instruction,
M a d r a s.

To The Secretary to the Government,
Education and Public Health Department.

Rc.No.644-B1/49 dated 11-1-1950.

Sir,

Sub: Elementary Education - Compulsion - District Board,
Coimbatore - Additional Advance - Subsidy - Sanction of.

Ref: 1. G.O.No.3543 Education dated 17-11-1949.
2. Letter Rc.No.36314-E1/49 dated 28-12-1949 from the
President, District Board, Coimbatore.

The President, District Board, Coimbatore sent a statement of annual expenditure for 1948-49. I recommended advance subsidy based on this statement.

Now the president, District Board has furnished a revised statement (Copy enclosed) according to which the District Board is eligible for an advance subsidy of Rs.1,24,314. Since an advance subsidy of Rs.38,221 has already been sanctioned by Government in their order cited above I request that the balance of Rs.86,093 may be sanctioned at an early date.

Yours faithfully,

For Director of Public Instruction.

Sub: Elementary Education - Compulsory - District Board, Coimbatore - Sanction of additional subsidy - Requested.

Ref: Rc.No.644-B1/49 dated 9-12-1949 of the Director of Public Instruction, Madras.

On an examination of the particulars furnished along with this Office letter Roc.No.15172-E1-49 dated 6-8-1949, I find that in Annexure I the number of teachers, peons and conductresses appointed in the year 1948-49 only were furnished. But the statement ought to show the total number of teachers, peons and conductresses as on 31-3-1949. It was upon these particulars that the advance subsidy has been worked out by you and got sanctioned in G.O.Ms.No.3543 Education dated 17-11-1949. But in the annexure IV sent along with the same letter, it can be seen that the total number of teachers appointed is noted as 185.

That the figures shown in Annexure 1 relate only to the year 1948-49, will become apparent when the Annexure IV is seen. Also the statement of expenditure for the year ending 31-3-1949 would clearly show that the particulars furnished in Annexure 1 are evidently not in proportion to the amounts of expenditure. The mistake is, however, much regretted and in forwarding herewith a revised statement (in the form of Annexure 1) showing the total number of teachers, peons and conductresses that were actually working under the compulsory education scheme on 31-3-1949, I request that you will be kind enough to recommend to Government for the sanction of additional subsidies towards the cost of continuance of the compulsory education scheme in 1949-50 on the basis of the revised particulars.
