No.Estt. Gr.II/113824/50 dated 29th November 1950.

Sir,

Sub: Government Press - Distribution of corrected proofs to and from Reading and Composing Sections - Employment of messenger - Requested.

Ref: Government Memorandum No.11830/E.50-1 Education, dated 5th June 1950.

I submit that in order to give immediate effect to the suggestion of the Special Officer for Reorganization, Government Press, Madras (that the distribution of the proofs to and from the Composing and Reading Sections should be done only by a messenger and not by the compositors themselves) Government were addressed in this office letter No.6-SBC/50 dated 10th May 1950 for sanction of three additional messengers, but Government have declined to sanction the posts in their Memorandum No.11830 E/50-1 Education dated 5th June 1950.

2. The Government expressed the desire that I should get this work done by the existing staff of menials along with their present work and hoped that some such arrangement would be possible. I wish to state in this connection that there are no menials now working in the Composing and Reading Sections in the Press. All the menials working in the Press are those sanctioned for the Accounts, Store and Stock Departments and for the Publication Branch at Mount Road. These Departments are situated far away from the Composing and Reading Sections, and it will not be practicable to utilize the services of the menials of those Departments for doing work in the Composing and Reading Sections. It is absolutely necessary to have full time messengers for giving effect to the Special Officer's recommendations. If Government do not see their way to sanction the three posts of messengers requested by me, at least one post of messenger on Rs.18-25 may be sanctioned to start with, so that I may give effect to the Special Officer's recommendation in a few sections and watch the results of its working. I submit also that without additional staff, it will not be possible to give effect to the proposals.

Employment of a messenger.

Ref: From the S.G.P. No Edm. Gr II / 113824  
dated 29.11.50

In May 1950, the S.G.P. applied for sanction  
for the employment of three messengers on B 18-25 each  
in the Govt. Press, Madras for carrying proofs from and  
to the Composing and Reading sections of the Press. It  
was stated that the proofs were being carried to and  
from the Composing and Reading sections by the  
Compositors themselves involving wastage of time and  
the employment of these messengers was intended to  
relieve the Compositors of this wastage non productive  
work so that they might utilise more time for prod-  
uctive work. The proposal was made on the recommen-  
dations of the Special Officer for the reorganisation of  
the Govt. Press.

2. The Govt. declined to sanction the above post.  
In Memo. No. 11830 E/50-1 Dn 8.5.6.50, the S.G.P.  
was informed that he must get this work done by  
the existing staff of menials along with their work.  
3. The S.G.P. now states that there are no menials  
now working in the Composing and Reading sections  
in the Press. It is the Accounts, Stores and other sections  
are situated far away from the Composing dept and  
the menials employed in these depts cannot also be  
utilised for the above work.

4. The S.G.P. requests that at least one  
post of messenger may be sanctioned to start with  
so that he may give effect to the recommendations  
of the Special Officer. In the circumstances stated by  
the S.G.P. it is for orders whether one post of messenger  
on B 18-25 may be sanctioned for a period of one  
year in the first instance. Draft order is submitted
