Re.No.2854 El/49 dated 1-12-1950.

Sir,

Sub: Education - Secondary - Reorganisation - Teaching of
Crafts in Forms I to III of Girls' Schools -
Organisation of training course 1950 - Report submitted
- Remuneration recommended for sanction.

Ref: G.O.Ms.No.1140 Edn., dated 11-4-50.

I submit herewith a statement showing the places at which the training course in Homecraft for secondary grade women assistants was conducted in this State during June 1950 together with the duration of the course, number of teachers who underwent the training, names of teachers who conducted the training course and my recommendation on the amount of remuneration to be paid to them. I have recommended the payment of Travelling Allowance under the Madras Travelling Allowance Rules to all teachers who had to leave their place of appointment for conducting the training course at a different place. These teachers need not be paid any remuneration. In all other cases except Mathurai Centre, I have recommended a remuneration of Rs.50/- for the L.T.Assistants and Rs.20/- for Secondary Grade and other specialist teachers. No training course was held at Mathurai in 1949 due to want of a qualified Instructor. This year the Inspectress had to engage the services of some experts to conduct the course efficiently and successfully. Rev.Sister Denys was in full charge of the course for 30 days. A remuneration of Rs.3/- per day has been recommended to her. Miss Nicholson was in charge of the course for 16 days. In her case also a remuneration of Rs.3/- per day has been recommended.

The services of Miss E.A.Dass B.Sc. Home Science Extension Lecturer, Women's Christian College, Madras were requisitioned by the Inspectress to give instructions to the teachers in charge of the course for planning the training course. She was in charge of the course for a week from 17-5-1950 to 23-5-50. A remuneration of Rs.25/- and a single second class fare from Madras to Mathurai and back is recommended on her behalf.

2. As the training course was conducted when the schools were having their summer vacation, I recommend that the teachers and trainees may be considered to have foregone so much period of the vacation equal to the duration of the course in order to entitle the concerned officers for proper credit of leave under rule 32(b) of the Fundamental Rules.

3. In this connection I also invite attention of Government to G.O.1164 Edn., dated 12-4-50.

Yours faithfully,

J. P. Sautanah

for Director of Public Instruction.
