①/Item 1 on p2.

Government in their order Ms. No. 3258 Education dated 25--10--1949 sanctioned the inclusion of the list of approved works of the scheme for the construction of building for Saraswathi Vidyalaya High school Ganguli at an estimated cost of Rs. 30,000/- rendering the scheme eligible for a half grant of Rs. 15,000/- based upon the valuation of the building by the local Public Works Department. The irregular action of the management in having started the work before the approval of the plan and estimate by the Joint Consulting Architect was condoned by Government in their Memo No. 11941 B/50-1 Education dated 8--7--50. An advance grant has also been permitted to be paid for the scheme during the current year in their order Ms.No. 1376 Education dated 28--4--1950.

2. In connection with the above grant the state Counsel examined the management's title to the property. They have certified that the title of the management to the property is in order; their interest being a permanent lease hold right. The society has a permanent lease (Mulgani lease) of the property. The lease has been given for the construction of a building for the school.

3. I request that Government may be pleased to accept the permanent lease hold right of the society, as sufficient security and permit the payment of the grant.

Yours faithfully,

S. P. Pantanah
for Director of Public Instruction.
