 for higher studies in the U.S.A. under the G. of I., Ministry
 of Edn. scheme of technical education overseas. The offi-

 both of them returned to India on 11-9-50. They could not
 reach this country before the expiry of their two years'
 study leave, i.e., before 10-8-50 and 2-8-50 resply., since
 they did not get ^(return) sea passage in time and they experie-
 nced some difficulties in that matter. On the officers' re-
 commending the case, the D.P.I. has now recommended that their
 study leave be extended until 11-9-50. Such extensions
 were contemplated when this G.O. participated in the G. of I.
 scheme. The officers not being responsible for their delay
