pr-3cf/(P) - G.O. No. 1156, Edn., dated 25-7-1941 contains the list of Newspapers, institutions, etc., which are supplied with copies of publications of the Govt. free of cost. As there have been several amendments and alterations to the list, contained in ~~it~~ (that G.O) it is considered necessary to revise the old list, and to reissue ~~a~~ fresh list, containing the names of all newspapers and institutions brought up-to-date, to which such supply should be made of copies of Govt. publications.

According to the principles already laid down for the free supply of these papers to newspapers and periodicals, this supply is made to such of them as have a circulation of 2000. The S.G.P. may be asked to submit a revised list embodying additions and alterations to the lists contained in G.O. 1156, Edn., dt.25-7-1941, with reference to the orders which have been issued by Govt., from time to time, to newspapers, institutions etc., after the issue of that G.O. Issued in Memo. 566 [illegible]

In July 1941 the Govt. approved a distribution list of newspapers, institutions etc., which were eligible for the supply of "Press" papers, that is, Govt. publications placed at the disposal of the Press except administration reports and proceedings of the Legislature. These papers include Press notes and Press Communiques and other papers of general information and interest. The distribution of these latter publications, namely, Administration Reports and proceedings of the Legislature is dealt with in the departments of the Sectt. concerned and the Secretariat of the Madras Legislature respectively.

Edn 1156 / 25.7.41 (P)

2. Since the list was last published, the list of newspapers and periodicals in this State has itself undergone changes and orders have issued for the grant of these privileges to new institutions. So it has become necessary to reissue the list now.

3. The following remarks seem to be called for on the Annexure to G.O. No. 1156, Edn., dated 25-7-1941:-

(i) Of the periodicals in Part I of the Annexure to the G.O., the following do not find place in the latest list of periodicals contained in G.O. No. 1127, (I.& P.), dated 10-5-48:-

Catholic Champion, (Juhcoru)

Desabhimani, Guntur

Mathrubhumi, Calicut.

Public (I.& P.) may say if these papers have now ceased publication and if so, whether their names may be omitted from the list.

(ii) Items 24 and 25 may be combined into a single item as "Madras Members of the Union Parliament".

Public may be consulted.

(iii) In Part II of the Annexure, the item relating to the Madras Landholders' Association will apparently have to be omitted as it is mainly a body of Zemindars and these have ceased to exist as such.

| A

(iv) Items 20 (Varthaga Oolian), 21 (Mirasidar), 25 (Educational India) and 31 (Grama Doothan) may also be omitted, if the papers have ceased publication.

| R

(v) Additions have to be made in the Annexure with reference to the grant of the privileges to new institutions etc. and other suitable alterations have to be made in the column relating to the "Remarks".

4. Public and Public (I.& P.) may see for remarks with reference to (i) & (iv) in the previous paragraph and Revenue may see as regards (iii) in that para.

4.

To A.S.

Edn. propose to delete the item relating to the Madras Landholders Association not exactly on the ground that the Association itself has ceased to exist, but on the ground that all the members of the Association no longer retain their original character as Zamindars. All the members of the Association have not yet ceased to be Zamindars, as many smaller estates ~~are~~ have yet to be taken over by the Govt. under the Zamindari Abolition Act. But, the complete abolition of estates is now only a ~~question~~ matter of time. The Landholders Association was formed by its members in their capacity as Zamindars. When they are no longer Zamindars, it seems that even if the Association still exists and continues to exist ~~in spite of~~ after the complete abolition of estates, the Association can be ignored as having lost its essential character as the body of Zamindars. For orders whether in the circumstances, the proposal of Edn. at A on p. 2 above may not be agreed to.

AA

This is all right in respect of landholders whose estates have been taken over. But there are many landholders whose estates have not yet been taken over.

P.W. (I&P)

The file has been sent to this Depart. with reference to items (i) and (iv) of the Edn. Depart. note on p. 2 above. Attention is invited to the now available latest copy of the printed list of newspapers and periodicals published in the province of Madras for the year 1948. Amendments to this list for the two half years ended 30.6.1949 and 31.12.1949 are under preparation.

(KK)

(17)

The following remarks are called for in regard to the papers referred to at 'M' and 'R' on page 2 above.

'M' on page 2 above: The Catholic Champion, Tuticorin and Desabhimani, Guntur do not find place in the latest reports furnished by the District Magistrates and hence they may be deleted from the list. The Mathrubhumi, Kozhikode, continues to be the most influential daily published from Malabar.

'Z'

'R' on page 2 above: The Varthaga OOlian, Tiruchirapalli has started publication during the half-year ended 30-6-1949 as seen from the records available in this Department. The Mirasdar, Mayavaram, and Educational India also continue to be published.

The Gramadoothan has evidently ceased publication since it does not find place in the lists furnished by the Collectors.

'Y'

The attention of the Education Department may, however, be invited in this connection to G.O. No.1737, Pub.(Gl.R.) dated 6-8-46 in which Government approved a list of newspapers and periodicals eligible for the receipt of Government's press communiques and press notes. This list has been revised from time to time following the criterian that these may be supplied to dailies only if they command a circulation of 5000, and to periodicals if the circulation is 1000. The latest list is put up for perusal. This Department has under consideration a proposal to furnish copies of all press notes and communiques to all dailies brought out from this State irrespective of their circulation and tone, and to news-magazines at the discretion of the D.I.P. It is also proposed that technical or specialist magazines in the State should be given press notes and

communiques dealing with particular subjects in which they specialise such as Education, Commerce, Buildings, Agriculture, Health, etc. It has also been suggested that the supply of such press materials may be made to institutions only on payment of a nominal fees and that ~~expenditure~~ exemption from payment of this may be considered on merits in individual cases. ~~merits~~.

A copy of this list will be sent to Education as soon as it is ready and ~~it is con-~~ Edn may Consider whether they ~~sidered that that Department~~ would not find it suitable for their purpose also. Any addition or alterations that they consider necessary ~~to this list~~ may be made to this list, so that there might be a common approved list for the supply of press materials.

With these remarks, the case may be returned to Education.

The previous notes of this department on pp 2-3 ante and the notes of Pub(Elections), Rev. and P.W.(I&P) on p.3-~~4~~ ante may be perused.

p 3 ante

Pub(Ele) have agreed to the suggestion of this Deptt. as at X on p.2ante that, non-official Madras Members of the Central Legislative Assembly and Council of State may be combined into ~~xxxx~~ a single item as 'Madras Members of the Union Parliament'. Rev. have suggested that the supply of press papers may be continued to the 'Madras Landholders Assn'. till such time as the Assn. ceases to exist. This may be agreed to and the name of the Assn. may be retained in Part II of the annexure to G.O. 1156 Edn. d 25.7.41.

p 4 ante

pp 2-3 of (P)

P.W.(I&P) have stated that the news papers, the Catholic Champion, Tuticorin and Desabimani, Guntur may be deleted from the distribution list. They have also stated that 'Mathrubhumi' may be retained in the list. With reference to 'R' on p 2 ante P.W.(I.&P) have stated that ~~expect~~ except 'Gramadoothan', all the other namely 'Varthaga Oolian', 'The Mirasdar' and 'Educational India' ~~may also be xxx~~ are continuing publication. The 'Gramadoothan' may therefore be deleted from the list. With reference to these suggestions and the orders issued subsequent to 1941, necessary amendments have been made to the list, a copy of ~~which~~ the list as revised is put up at (X).

p 5 ante

(X)

P.W (I&P) have forwarded an up-to-date list of newspapers and periodicals to whom copies of pressnotes and press communiques are supplied and have ~~asuggested~~ suggested the desirability of this Deptt. adopting that list. Some of the newspapers and periodicals that figure in that list are already included in the list put up below. There are others such as the 'Dinasari', 'Dailythanthi', the 'Andhraprabha', 'Chandri' etc which are not included in the list proposed by this Deptt. It has been the usual practice to consider the claims of newspapers and periodicals for inclusion in the distribution list of newspapers only when they apply. The file has been sent to this Deptt. with reference to 'A' on pp.10-11 above.

2/ Attention is invited to this Deptt. suggestion at X on p.6 ante that there might be a common approved list of newspapers, institutions etc. that are to be supplied with papers placed at the disposal of the press as well as Press Communiques and Press Notes. The above proposals have since been approved and orders were issued in G.O.Ms.No.3960, P.W., dated 27-10-1950. A list of newspapers & institutions eligible for supply of Press Communiques & Press Notes was appended to the G.O. in four Annexures. A copy of the G.O. is put up at (EI) with reference to 'X' on p.6 ante. Some of the dailies viz., Navakeralam, Navabharata, The Musalman etc. have not been included in the list prepared by Education.
