Requested.

Ref: G.O.Ms.No.484 Edn. dated 6-3-1946.

I submit herewith a copy of the letter dated 24-12-1949 from the Secretary of the Madras Olympic Association together with the Bulletin of Games. I recommend that the Government may be pleased to sanction a grant of Rs.1000/- to the Madras Olympic Association for this year.

Yours faithfully,

K. S. Ranga Rao

for Director of Public Instruction.

8/12/50
K.H.R.18.1.

Copy of letter dated 24th December 1949 from the Secretary of the Madras Olympic Association, Madras to the Director of Public Instruction, Madras.

The Madras Olympic Association was receiving a sum of Rs.500/- as grant from the Madras Govt. for the past several years. This Association has not been functioning for the past two years. Now it has been revived and its office has been removed into the Y.M.C.A. College. Dr. P.Subbaroyan is our President. Dr. P.V.Churian, Mr. J.M.Lobo Prabhu and Lt.Col.Godavarma Raja are our Vice-Presidents. Mr. A.K.Singh, Vice-Principal, and Mr. C.C.Abraham, Principal, are the Secretaries. Mr. K.S.Ranga Rao is our Treasurer.

I am enclosing copy of the Advance Bulletin on the Madras Olympic Games, which include the programme. We have invited the Hon'ble Mr. Kumaraswami Raja, Premier of Madras, to open the Games on the 21st January, 1950. His Excellency the Governor of Madras is presiding over the closing ceremony on the 28th January 1950.

Steps are also being taken to select and send a Madras team to Bombay for the XIV Indian Olympic Games to be held at the Brabourne Stadium from February 10th to 14th 1950. The cost of sending a full team will be around Rs.5,000/-.

Governments, at the Centre and also in the Provinces are taking an active interest in the Indian Olympic Games and also in the Provincial Olympic Games. Government of India is sponsoring the Asian Games in November 1950. I understand on reliable authority that grants over Rs.1,000/- are allotted to Provincial Olympic Associations in other Provinces. Government of India helped the Indian Olympic Association with a sum of Rs.1,00,000/- recently.

The Madras Olympic Association is in need of funds to stage the Provincial Olympic Games and also to send a team to Bombay.

Kindly recommend to Government to enhance our grant for this year to Rs.1,000/-.

(True Copy)

K. S. Ranga Rao

for Director of Public Instruction.

Sir,

Hereby I am appealing for funds for the Madras Olympic Association. It will clearly explain why funds are needed by the Association.

Madras which has given a lead in the promotion of Olympic Games in India is slowly losing ground. The Madras Olympic Association has not been functioning for the past 3 years but the College has now revived the Association and it has started to function. Over 700 athletes from various parts of the Province are participating in the Provincial Olympic Games which are now conducted at the College.

The Association needs help from the Madras Government as well as from the people of Madras.

We will gratefully accept any help you can render in this venture.

Yours sincerely,

C. C. Abraham

AN APPEAL FOR FUNDS

January, 1950

Dear friend,

The Madras Olympic Association is one of the oldest organisations in Madras promoting amateur competitions in Track and Field, Swimming, Basketball, Volleyball, Chedugudu, Boxing, and Wrestling. This Association was founded by the late Mr. H. C. Buck in the year 1924. During the past 26 years of its existence it has given a lead in the promotion of Olympic Games in India.

The Madras Olympic Association was not functioning for the past three years, but now it has been revived and has once again started to function. The Provincial Olympic Games will be held at the Y.M.C.A. College of Physical Education from the 21st to the 28th January, 1950. Over 500 athletes from various parts of the Province are expected to take part in the Provincial Games. If funds become available, a representative Madras team will be sent to Bombay to take part in the XIV All India Olympic Games to be held at the Brabourne stadium on the 10th, 11th and 12th February, 1950. It is estimated that a sum of Rs. 5,000/- will be required for this purpose.

The Madras Olympic Association participated in the XII All India Olympic Games at Bangalore in the year 1946 and did creditably well. Madras won the Chedugudu Championship and our athletes won distinction in several Track and Field items, and also in Volleyball and Basketball. It was not possible to send a team to Lucknow for the XIII All India Olympic Games in 1948. Madras ought not to repeat this for the 1950 All India Olympic Games at Bombay. There are several promising young athletes in Madras. They must be helped and encouraged to participate in the Provincial Games as well as in the All India Olympic Games.

It is also known to sports lovers in India that India is staging the Asian Games at New Delhi in November, 1950. Invitation has been sent to over 20 nations in Asia. At the XIV All India Olympic Games at Bombay, India's representatives for the Asian Games will be chosen. Athletes from Madras therefore must be given a chance to compete in the Bombay Olympic Games. Some of our athletes would then be able to represent India at the Asian Games. We must therefore see that a full team is sent to Bombay.

The Madras Olympic Association will be grateful to you if you can help the Association with a donation. Cash or cheque may be sent to the Secretary.

Yours sincerely,
DR. P. V. CHERIAN
President
Madras Olympic Association

*This should be
examined quickly*

22

1st February, 1950.

Sri.Lobo Prabhu, I.C.S.
Secretary to the Government
for Education, Fort St.George, Madras.

Dear Mr.Lobo Prabhu,

Subject: Financial help for the Madras Olympic Assn.

I am sending herewith a copy of the Souvenir Programme and Report of the XXIII Madras Provincial Olympic Games held from the 21st to 28th January 1950 at the Y.M.C.A.College, Saidapet.

2 The Provincial Games were a great success. Over 900 competitors from all parts of the Province participated in the various competitions. The standard of skill exhibited in volleyball, Basketball, Chedugudu, Track and Field etc were of a very high order. In the Track and Field for men, seven new records were established. Teams for Volleyball, Basketball, Chedugudu and Track and Field have been provisionally chosen. (list attached).

3 The All India Olympic Games will be held in Bombay on the 10th, 11th and 12th February 1950. Sending one athlete to Bombay would cost Rs.100/- To send about 50 athletes, the Association will need Rs.5000/- Every possible way was tried to raise some money for this purpose but without success. Our only hope is in our Government.

4 I understand on very reliable authority that Olympic Associations in other Provinces receive annual grants of Rs.5000/- to the Madras Olympic Association it will be possible not only to hold the Provincial Games annually but also to promote Olympic Games in the whole Province. The Olympic Games have great educational values and so deserves every support from Government.

5 Kindly forward our request for an annual grant of Rs.5000/- strongly recommended to Government.

Yours sincerely,

C. Abraham
Secretary & Principal.

REPORT OF THE XXIII MADRAS PROVINCIAL OLYMPIC ASSOCIATION.

Your Excellency, Ladies & Gentlemen !

The Madras Olympic Association is one of the oldest organisations in India promoting amateur competitions in Track and Field, Swimming, Basketball, Volleyball, Chedugudu, Boxing and Wrestling. This Association was organised by the late Mr.H.C.Buck in the year 1924. During the past 26 years of its existence, it has given a lead in the promotion of Olympic Games in India. It was in the same year, 1924, that the late Dr.A.G.Noehren, the then National Physical Director of Y.M.C.A. in India and the late Mr.H.C.Buck, Principal of the Y.M.C.A. School of Physical Education, Madras, organised the first Indian Olympic Committee. Dr.Noehren was its first Secretary. He was succeeded by Mr.H.G.D.Sondhi. The Y.M.C.A. and the Y.M.C.A.College of Physical Education particularly, had a great part to play in these 26 years in the promotion of Olympic Games in India and in Madras in particular. On an ~~xxx~~ occasion like this we gratefully remember the services of the late Dr.Noehren and Mr.Buck to India. Mr.Buck was the Secretary of the Madras Olympic Association from 1924 till his death in 1943 and within this short period it was possible for Mr.Buck to lay certain high standards of efficiency in the organisation and conduct of these Games which have become the traditions of Madras. Mr.Buck has also left with us high ideals of sportsmanship for the competitors and also high ethical standards for the officials. These traditions have become our legacy and we must see that these traditions become the permanent hall-mark of the Olympic Association in Madras and also in other Provinces and States in India.

This year we are celebrating the XXIII Provincial Olympic Games in Madras. We have broken all past records in the matter of the number of competitions organised and conducted as well as in the number of participants. The Provincial Games included tournaments in Volleyball, Chedugudu, Basketball, Boxing and Wrestling for men, Netball for women, Track and Field Competitions, for School boys and School Girls and College women, Track and Field for Men, and Swimming and Diving for Men and Women. Over 700 athletes and competitors participated in the various Games. This is a creditable record as far as entries go.

OPENING CEREMONY.

The Opening Ceremony of the XXIII Provincial Olympic Games was performed in a fitting manner on the 21st January at 9 A.M. by Mr.Kumaraswamy Raja, Hon'ble Premier of Madras. There was a very impressive march past by the students of the Y.M.C.A.College. The Hon.Premier took the salute, and then hoisted the Olympic flag and declared the Games open. The students of the Y.M.C.A.College then staged a demonstration depicting the "Preparation for the Olympic Games".

VOLLEYBALL.

For Volleyball, 9 teams were entered. 3 teams were from the mofussil. Volleyball of a very high standard was witnessed. Ramanathan Memorial team from Tinnevely, Travancore and Cochin Olympic Association team, Guntur team, and the team from Malabar were really outstanding. The semi-finals and final matches were well contested and the standard of the game was of the All India. The Malabar team won the championships with the Guntur team as runners-up.

CHEGUDUGUDU.

There were 8 teams for Chedugudu. The teams from Andhra Desa were outstanding. The final match was between S.D.P.Kistna and Lajpatrai Memorial Club. The S.D.P.Kistna won the championship.

BASKETBALL.

In the Basketball tournament, 8 teams participated. Two teams came from the mofussil, one from Trichinopoly and the other from Bangalore. Basketball standard was not up to mark. The Central Polytechnic team which have been the champions for Madras for the past five years were far below form. The Central Polytechnic won the championship beating the Bangalore team in the finals.

WRESTLING.

For the wrestling tournament, we had only 17 entries. Wrestling bouts were keen and well contested. Mahabir Singh won the Bantam Weight, E.Gorge Dept won the Light Weight, Sepoy Kaka Singh won the Feather Weight, and Naik Diwan Singh won the Welter Weight.

JUNIOR OLYMPICS.

The Junior Olympics for boys below 18 years was a great success. Over twenty Schools participated, totally 150 competitors and 17 Relay teams. Because of the large number of entries, the Junior Olympics were conducted on two days, instead of one as originally planned. The response from the schools is very encouraging, but the standard of performance was very poor. The standing starts, and the scissors high jump revealed that very few boys were really trained for the Olympics. Our schools should devote more attention to training and technique.

Girls' Olympics.

The Girls' Olympics attracted only four entries for the Netball tournament and 50 competitors for the Track and Field. The Netball tournament was keenly contested by the Queen Mary's, Women's Christian, and the Y.M.C.A.College. The Y.M.C.A.College won the championship beating the Q.M.C. and the Women's Christian. The Track and Field items for girls were also well contested.

SWIMMING & DIVING.

The Swimming & Diving meet was conducted on three evenings and it attracted eleven clubs all over the Province. The standard of swimming was of a high order, as could be judged by the performance of the competitors in the Back, and Breast strokes. Free style swimming is still the popular item for all.

The Travancore, & Cochin Olympic Association annexed the group championship and the Engineering College team, Guindy was a close second. Nallakrishnan of the Engineering College was the best all round swimmer and Mr.Ranganathan of Presidency College, the best diver.

Swimming competitions, though new to Madras, have taken the rightful place in the sporting activities of the youth of this Province.

OPEN AMATEUR BOXING CHAMPIONSHIPS.

Boxing championships were held on January 25th, 26th and 27th. There were 83 competitors representing 22 organisations affiliated to Madras Amateur Boxing Association.

In all 72 Bouts were decided. There were nine classes - from Paper Weight to Middle Weight. Ac.Hourigan of the R.I.A.F. Tambaram was unanimously selected as the best boxer of the tournament. Boxers will be selected, from those who participated in the tournament, to compete in the national Boxing Championships to be held at the Brabourne Stadium at Bombay on March 15th, 16th and 17th 1950.

Boxing standard was fairly good and some very well-contested bouts were witnessed during the tournament. The officials had a different task of finishing all the 71 bouts in three days and we are grateful to them for their cooperation and help.

TRACK AND FIELD FOR MEN.

Track and Field for Men which is the chief event in the Olympic Games commenced on the 27th January at 2 P.M. There was a spectacular march past of athletes led by the Travancore Infantry band. Major General Rudra, took the salute and declared the track and field meet open.

In all there were 179 competitors entered for the various items of Track and Field representing 15 organisations. This is the largest participation that we ever had. Competitions were of a high order. Three Madras records were lowered. The competitions that we have witnessed this afternoon also show that Madras has some excellent material out of which Olympic champions can be built up.

FINANCES OF THE ASSOCIATION.

The Madras Olympic Association is urgently in need of funds. Funds are needed to promote Olympic Games throughout the Province and also for providing the necessary coaching and training facilities for our young athletes.

This year we need atleast Rs.5000/- to send our team to Bombay. The XIV Indian Olympic Games will be held at the Brabourne stadium on the 10th, 11th, 12th February. The Madras Olympic Association tried various ways of raising some money for this purpose. Our President, Dr.P.V.Churian, sent out an appeal for funds. The students of the Y.M.C.A.College went round the city collecting funds. We also tried to raise more money by charging a small gate to the Games. Our efforts have been partly successful. We were able to collect only Rs.500/- Our only hope is in our Government. I understand from very reliable authorities that Government of India and other Provincial Governments are taking more interest in the Olympic Games in the Provinces and also in the Asian Games that are being organised, and annual grants over Rs.5000/- given to Provincial Olympic Associations. Madras Government has helped the Provincial Olympic Association in the past. We used to get a grant of Rs.500/- once in two years. We expect the Madras Government to raise it to Rs.5000/- a year. With such a liberal grant, I am sure we will be able to stage the Provincial Games annually in a very effective way and also promote track and field, swimming, boxing, wrestling etc. With more support from Government we should be in a position to hold the next All India Olympic Games in 1952 at Madras. It is high time that Madras did this.

CONCLUSION.

The XXIII Provincial Olympic Games was a great success. It was a great inspiration to the organisers of these Games to see hundreds of young participants trying to excell at various activities - track and field, swimming, boxing, wrestling, volleyball, basketball, and chedugudu. The standard of performance is also gradually improving. But we have a long way to go to reach the International standards. The competitions that we have witnessed these 8 days indicate that if our young athletes are willing to train themselves more seriously, and if we can provide the facilities for the training, our standards also would get better and better. The Olympic Games have great educational values and with greater support from the public and Provincial Government and our faith in the Olympic motto "that the important thing in the Olympic Games is not winning, but taking part, the essential thing in life is not conquering, but fighting well" we look forward to the future with optimism and hope.

C.C. Abraham,
Secretary, Madras Olympic
Association.

25th January, 1950.

Hon. Sri. B. Gopal Reddy,
Minister for Finance,
Govt. of Madras, Fort St. George, Madras.

Dear Mr. Gopal Reddy,

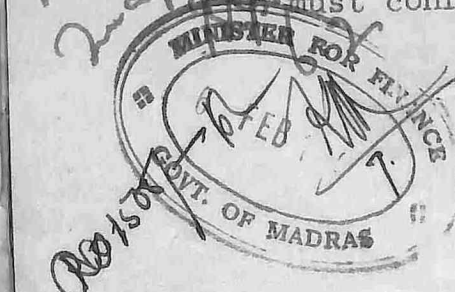

The Madras Olympic Association is one of the oldest organisations in Madras promoting amateur competitions in Track and Field, Swimming, Basketball, Volleyball, Chedugudu, Boxing and Wrestling. During the past 26 years of its existence it has given a lead in the promotion of Olympic Games and the Olympic ideals in India.

This Association was not functioning for the past 3 years, but now it has been revived and has once again started to function. The Provincial Olympic Games were inaugurated by the Hon'ble Premier of Madras on the 21st. Over 700 athletes from various parts of the Province including the Travancore and Cochin are participating in the various competitions.

This year is a special year for Olympic Games in India. The XIV Indian Olympic Games will be held in Bombay on the 10th, 11th, and 12th of February 1950. Madras ought to send a representative team to participate in the National Championship Games. Besides, the Asian Games will be held in New Delhi at the Nehru Stadium in November 1950. Those athletes who win in Bombay will be chosen to represent India at the Asian Games. Madras has some excellent athletes who ought to be sent to Bombay and who would be able to represent India at the Asian Games.

What the Madras Olympic Association needs to make this possible is funds. As Secretary, I have tried every possible means for raising some money for this purpose, but I must confess I have not been able to raise more than Rs.500/-

We are now compelled to look to Government for help. Without adequate financial help from Government, it will be impossible for the Madras Olympic Association to send a team to Bombay. In making this request, I am voicing the wishes of many young Madrasi and Andhra athletes who have been in training for months now, preparing for the Provincial Games and the All India at Bombay. The Olympic Games in India have now become National athletic festivals and Madras must play an important part in this.

I understand from very reliable sources that other Provincial Olympic Associations are helped to the extent of over Rs.5000/- annually by Provincial Governments. With an annual grant of Rs.5000/- it would be possible for the Madras Olympic Association to not only conduct the Provincial Games annually, but also take part in the Indian Olympic Games held once in two years. Your help in sanctioning an annual grant of not less than Rs.5000/- will be gratefully appreciated.

Yours sincerely,

C. C. Abraham

Budget for 1949-50

Madras Provincial Olympic Association - Grant.

Letter from the D.P.I. No. 27 L4/50 dated 14-1-1950
Letter from the Secretary, Madras Provincial Olympic Association dated 24-1-1950.

The Government have not been paying any recurring grant to the Madras Provincial Olympic Association ^{grants were being paid} as and when applications were received. Please see page 1 nf. of G.O. No. 484, Edn., d/6-3-1946. A grant of Rs. 500/- was paid to the Association in 1946 towards the expenses in connection with sending athletes to the All India Olympic games at Bangalore. A grant of Rs. 2000/- per candidate was also paid to the Association for sending two candidates for the Olympia held in London in June 1948.

2. The Association now requests that a grant of Rs. 5,000/- may be paid to it for sending 50 athletes for the All India Olympic Games to be held in Bombay from the 10th to 12th February 1950. The D.P.I. has recommended a grant of Rs. 1000. From the letter of the Secretary it will be seen that the Association has no funds to meet this expenditure. As it is important that Madras Province should take part in the All India Olympic Games, a grant of Rs. 5,000/- may be paid to the Association, the Association being asked to produce an audited statement of its receipts and expenditure after the games are over.

3. The file may be sent to Finance before circulation.

There is an opportunity to put radios on the Athletic map, and also to encourage direction to athletes in this province. The Olympic Association has no funds of its own and its efforts to raise donations have failed. We may therefore agree to the ~~donation~~ ^{grant} of Rs. 5000/-

2/2

Exp. H. U. O
No. 5453-C/50-1 Edu
2-2-50

Finance (Exp. A) Department.

Please see the notes on pp. 1-2 above.

In G.O. No. 484 Education dated 6-3-1946, the Government sanctioned the payment of Rs. 500/- only to the Madras Olympic Association towards the expenses incurred in sending a team of 30 athletes, 10 basket ball, 10 Volley ball and 100 Kabbadi players to the All India Olympic Games held at Bangalore in February 1946. The Association now proposes to send about 50 athletes to the All India Olympic Games to be held in Bombay from 10th to 12th February 1950 at an estimated expenditure of Rs. 5000/- @ Rs. 100/- per head. The D.P.I. has recommended the grant of Rs. 1000/- but Secretary E. & B.H. consider that a grant of Rs. 5000/- may be given as the Association has no funds of its own and its efforts to raise donations have failed.

It may be pointed out that the Association has not furnished a statement of Accounts showing the receipts and expenditure for the previous years, but has stated that they were able to collect only Rs. 500/-. However, in any case, there seems to be no adequate justification for sanctioning the grant of Rs. 5,000/- as proposed by E. & B.H. and

M' on p. 11 CF

3/250

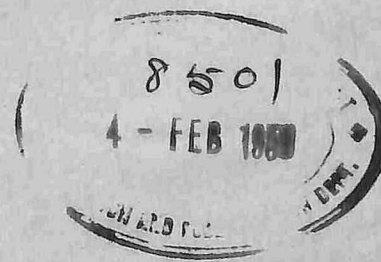

This sum of Rs. 1000/- is sufficient as the Association originally asked for only such help as could be rendered by the Government.

K p 3 CF

p. 6 CF of (Z)
and orders in on
on p. 4 N.F. of (Z)

para 13, p. 7 CF

In no 7400 EA-1
4.2.50

Finance may advise that it would be sufficient if a grant of Rs. 1000/- recommended by D.P.I. is sanctioned.

This is a new Scheme of expenditure not provided in the Current year's Budget. H.M. (Fin) may see.

3.2.50

3.2.50

The Olympic Association cannot expect the Govt. to be its sole financier on all occasions. In 1946 it estimated the total expenditure for sending its team to Bangalore to go up to Rs. 5,000/- and even so the Govt. sanctioned only a grant of Rs. 500/- towards its expenses.

Now also the Association has stated that it will need only Rs. 5,000/- to send 50 athletes to Bombay.

Finance will advise that as was done in 1946, a non-recurring grant of Rs. 500/- may be sanctioned to the Association on this occasion also.

H.M. (Fin.) should see.

I know the affairs of the Olympic Association, being one of its Vice-Presidents. It is true that

Association cannot expect Government to be its sole financier; but it cannot send a team to the all India Olympics ~~and~~ ^{unless} this Government meets the larger part of the cost of Rs. 5,000/-. Considering how necessary it is to encourage Athletics, Government are under some liability to send the athletes who have already created so many records. It is suggested that at least a donation of Rs.3,000/- may be given.

H.M.(E.&L.) *As 1500/- maybe given*
H.M.(Fin.) *OK*

*They telephoned to me to say that they would be satisfied with at least Rs 1000/-
Rs 1000/may be sent.*

No authority of the committee.

H.M.(E&L) may see again

H.M.(E&L)

I was informing all about Rs 1500/- if they were satisfied with Rs 1000/- then that will do. Issue orders & circulate to H.M.(P.W) & H.S. as per their remarks in the letters addressed to them.

A draft order is submitted. After issue, the file may be circulated to H.M.(P.W) and the Chief Minister, Finance may see before issue.
