Subject:- United Nations Social Welfare Fellowships for 1950.

Sir,

95928

In continuation of this Ministry's

letter of even number dated the 27th/28th October, 1949, on
 the subject mentioned above, I am directed to say that in view
 of the great importance of the United Nations Programme of
 in relation to the country's requirements of
 Social Welfare Fellowships of experts in the various fields of
 Social Welfare Training, the Government of India have, after
 further consideration, decided to participate actively in this
 programme of the United Nations Organisation in spite of the
 present financial stringency. In order, therefore, to take full
 advantage of the opportunity offered by the United Nations
 Organisation Programme it is proposed to send out as many Fellows
 as possible for observation abroad in the various fields of Social
 Welfare training. It is, however, felt that it would be desir-
 able to concentrate attention only on those subjects from
 amongst the list given in this Ministry's circular letter
 referred to above which have a direct bearing on the Social Wel-
 fare Programmes already progressing or about to be implemented by
 various Provincial/State Governments. It is, therefore,
 suggested that, while making selections this year, priority may be
 given to the following subjects:-

A. SOCIAL SERVICE.

- (1) Social Welfare Planning & Administration;
- (2) Organisation and Operation of Social Services;
- (3) Training;

- a) Staff Supervision.
- b) In-Service Training.
- c) Schools of Social Work.

P.T.O.

(4) Family Youth and Child Welfare

- a) Institutional and Foster Care;
- b) Group Activities and Leisure Time Programmes.

(5) Services for Handicapped Groups (e.g. blind, deaf, crippled), including manufacture and use of prosthetic appliances.

B. SOCIAL DEFENCE.

(1) Treatment of Offenders.

(2) Suppression of Traffic in Persons and Prevention of Prostitution.

C. HOUSING

- (1) Administration of housing and town and country planning;
- (2) Site planning, zoning, slum clearance, dispersal of population and industry.

D. STANDARDS OF LIVING.

2. I am also to add that, with a view to helping the Provincial State Governments to take a more active part in this important programme, the Government of India are considering the question of paying travelling expenses from India to the countries of observation and back in respect of deserving candidates who are otherwise not in a position to bear such costs or whose Governments or sponsoring authorities do not find it possible to give them any financial assistance in this connection.

3. I am therefore to request that the applications of suitable candidates for observation in the subjects mentioned above may kindly be forwarded to this Ministry by 20th December, 1949. It may, however, be suggested that persons who have already been abroad and have received training in these subjects these may not be recommended, nor those who are quite raw and inexperienced and not familiar with their subjects of study, as such men generally require much longer time than is possible under this Scheme. It would be helpful if, while forwarding the applications, an indication is given as to whether the candidate, if selected, will be in a position to meet wholly or partially the expenses of travelling to his country of observation and back, or whether the Provincial/State Government will be in a position to finance his travel and, if so, to what extent.

Dear Mr. Lobo Prabhu,

Yesterday when I met you I showed you the circular issued by the Ministry of Education, Govt. of India No. F.80-1/49 A.1 dated 6th December 1949, dealing with the United Nations Social Welfare Fellowship for 1950.

The Indian Conference of Social work, Bombay has recommended my name for one of the Fellowships and I have accordingly sent in my application to the Minister of Education Government of India through the General Secretary of the Indian Conference of Social work.

In the circular mentioned above the Deputy Secretary Ministry of Education Government of India has requested the Provincial Governments to recommend suitable candidates for observation in the subjects mentioned by the 20th December, 1949.

But raw and inexperienced or those who have already been abroad for training are not to be recommended.

The Provincial Governments have been also asked to indicate whether the candidate if selected will be in a position to meet wholly or partially the expenses of travelling to his country of observation and back and whether the provincial Government will be in a position to finance his travel and if so to what extent.

Regarding my application for one of the fellowships, I wish to state that I have been a member of the Servants of India Society since 1929, and have had experience in different fields of social work. In the city of Madras I am taking active interest in the Guild of Service, the Indian Conference of Social work and the Harijan Sevak Sangh.

If I am selected for the Fellowship, I would like to study the coordination of social work (2) planning and administration, organising and running of a Training school for social work, Survey, investigation, etc.

I have mentioned these subjects in my application.

Regarding meeting the cost of travel, I may state that I am not in a position to bear any portion of it. If the Provincial Government is not in a position to meet my travelling expenses, the Central Government may be asked to meet the same.

I may assure you that the experience that I may gain from this tour abroad, I shall unreservedly place at the disposal of the organisation with which I am connected, particularly with the Servants of India Society, the Indian Conference of Social work and the Guild of Service.

When the circular comes to you, for your views and recommendation, I trust you will do your best for me.

Para 5 of the Government of India letter No.F.80-1/49-A.I.A. dated 28th October 1949 communicated in Education Memo No. 84220-B2/49-2 dated 1st November 1949 says that the sponsoring authority, (which is the Government of India), is expected to provide expenses for travel to and from the country of observation while the Government Memo now under reply, requires the candidate to bear these expenses also. Our Headmasters are not so well paid that they can meet these, which I understand will be about Rs.6000/-. Neither is Sri.J.G.W.Samuel a rich man. So he will not be able to meet the cost. As it is, he has to meet the expenses towards medical examination, cost of passports, visas and travel to and from the port of embarkation, which will amount to Rs.500/- and he will be able to meet this.

2) When the U.N.O offers to train one of our officers at an expense to it, of a few thousands of dollars, in a subject in which this country is at present unable to provide training within its borders, it will be penny wise and pound foolish not to meet the expenses of our candidate to reach the country of observation.

3) Therefore, I request that the expenses of travel to and from the country of observation may be met by the Central or Provincial Government.

to the Secy for consideration - 3 received from
the Madras University and 2 from the Chief

want applns to be forwarded to him by
Nov 30th.

2. The financial commitments
involved are detailed in para 5 at p 3 cf.
The sponsoring authority (the Madras Govt
if any of their servants is finally selected)
may have to provide expenses for travel to
and from the country of observation. Besides the
expenses mentioned in para 5, another item of expense
is the cost of to and fro travel to the place of
interview, which is likely to be from Madras.
The Secy do not say who is to bear this
expense. Last year they required the candidates
to meet this expense. The same may be the case
this year also. But there will be interview only
if it is considered necessary by the Selection
Committee.

It will be seen from para 5 of the Govt of India letter that the cost of travel to and from the country of observation of the Candidates sponsored by this Govt will have to be borne by this Govt. Obviously, this constitutes the main item of expenditure in the scheme, and the question for consideration is whether there is sufficient justification to accept the proposal. Hon. (Fin), and the late H.P. observed in connection with the overseas training of an Ex. Engineer that beyond committing the Govt to large sum the Govt were not benefited by such deployment. The Govt are now very chary of sending Candidates abroad for overseas training and this policy has been accelerated by the financial stringency. In this case, the Candidates will be mainly benefited by the training, and in view of the various facilities offered by the United Nations Organisation and the better prospects open to them after the training, it seems only reasonable to require them to meet the cost of travel to and from the Country of observation from out of their pocket. They will also have to meet the cost of living expenses. It may be requested to make this point clear if eventually any candidate from this Province (whether officials or non-officials) is selected.

In view of the present financial stringency Fin are forced to advise as above.

UNO - Social Welfare Fellowships for 1950.

cf From Sri S. R. Venkataraman d 15.12.49

Please see the D.O. from Sri S. R. Venkataraman, Secretary, Servants of India Society, regarding the UNO Social Welfare Fellowships for 1950. The papers relating to the Fellowships are in the h.f. The last date for the receipt of applications by the C.G.O. has been extended from the 30th Nov to the 20th Dec '49.

2 This Govt asked the D.P.I., the D.P.H., the D.T.P., the D. of Prisons, the Chief Insp. of Certified Schools and the Comm. of Labour to send suitable applications. Only one appln was received from the Chief Insp. of Certified Schools which has been recommended to the C.G.O. Applns are awaited from the Comm. of Labour. The Govt reported that they had no applicants to be recommended for the Fellowships.

3 Sri Venkataraman's appln has been recommended to the C.G.O. by the Indian Conference of Social Work, Bombay. His request in the D.O. seems to be that his name may be recommended by the Govt to the C.G.O. of India. Regarding meeting the cost of travel, he states that he is not in a position to bear any portion of it and that if the Govt are not in a position to meet his travelling expenses the Central Govt may be asked to meet the same. He assures that the experience that he may gain abroad will be unreservedly placed at the disposal of the organisation with which he is connected, particularly with the Servants of India Society, the Indian Conference of Social Work and the Council of Service.

4. Regarding the financial aspect of the Scheme, attention is invited to para 5 of the Cr. D's letter at p 3 of L.F. and para 2 & 3 at p 26 of L.F. The applicant, if called for an interview at Delhi, ~~which~~ will have to meet the to and fro expenses himself, besides medical exam fees, passport fees etc. The Cr. D are likely to meet the travelling expenses from India to the Countries of observation and back in respect of deserving candidates.

5. This Group should ordinarily sponsor their own servants only so that the benefits derived by them abroad will be useful to their Depts. The Cr. D have attached great importance to these Fellowships. Sri Venkataraman's services would not be directly ^{available} useful to this Group but the organisations with which he is concerned are playing an important role in the life of this Province. In this view his deputation seems to be desirable. His appln has already been forwarded to the Cr. D from Bombay. There seems to be no objection to recommending his name to the Cr. D for a Fellowship as he seems to be a suitable choice. But the Cr. D may be informed that this Group would not be able to meet any portion of the cost involved.

For order. May be circulated to H.M. (L.F.) sent to Finance for remarks before circulation.

The case relates to the award of certain fellowships to Indians by the United Nations Organisation to train suitably qualified social welfare officials to observe and familiarise themselves with the experience of other countries administering social welfare programmes. Please see the letter from the Govt. of India at pp 3-9 of the Provincial Govt. have been asked to forward applications from suitable candidates by 30-11-49. E.P.H. dept. who consulted the D.P.I., D.P.H. and D.T.P. have stated that D.P.I. and D.P.H. have no candidates to send and that the reply from the D.T.P. is still awaited. In the meanwhile E.P.H. have asked this Dept. to state whether the Govt. of Prisons has no candidates to send. The Chief Inspector of Certified Schools has forwarded the application of Sri J.G.W. Samuel, M.A., L.T., Headmaster, J.B. School, Tanjore for deputation.

2/ Sri J.G.W. Samuel is the junior most in the category of Headmasters of Certified Schools and is a probationer. He draws a pay of Rs. 230/- in the scale of Rs. 230-30/2 - 260-40/2 - 380. The qualifications and other particulars of the Headmaster will be found in the application on pp. 13-23 of. In para 4 of the Govt. of India's letter on p. 4 of.

it has been stated that the candidates must have substantial academic or teaching experience in the social field and that the candidates must have present or future employment on a senior level in the particular branch of social welfare activities in which he wished to observe. Sri J.G.W. Samuel is an M.A., L.T., a Govt. servant and has teaching experience. He now holds a responsible position in the dept. 3/ Please see the note of E.P.H. Secretary at p. 3 of L.F. and the orders in circulation on the same page. It has been decided that if the candidate is not able to meet the cost of travel to and from the country of observation from out of his pocket, the Govt. may meet the cost of travel. The candidate will however have to bear the cost of his journey to New Delhi ^{and back} if called for interview. It seems very unlikely that Sri J.G.W. Samuel who can bear the cost of his journey to and from the country of observation, ^{with his} ~~will have to be asked to meet the expenditure.~~ ^{and he will have to be asked to meet the expenditure.} ~~cannot; the Govt. will have to meet it on the subject by Secy., E.P.H. For orders whether this Dept. may ask the E.P.H. dept. to forward to the Govt. of India the application of Sri J.G.W. Samuel. After orders are passed the file may be returned to E.P.H. through the Fin. Dept. in case it is decided to send him.~~

in
29.11.49.

It may be mentioned here, that if he is to be sent, the extra expenditure to which the Govt. will be put to, is not only the cost of his travel to and from the country of

observation, but also the cost of appointing a substitute in his place. This will be considerable as Rs 230 pm. plus D.A. for the period of deputations.

Mr. Samuel wants to observe child finances, Chinese, juvenile courts, probation officers etc. on his return, if it is decided to send him, he will have to come back to the same post. There is no higher post to which he could be appointed. It cannot definitely be said that his ^{proposed} study will be completely useful in his job as Head Master, though to a certain extent it might be useful.

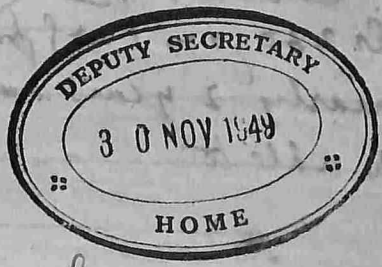

It is for consideration whether in view of the present financial stringency the extra cost to which the Govt. will be put to, to meet the cost of passages Mr. Samuel as well as the cost of appointing a substitute for the period of his deputations, his application will be forwarded to the Govt. of India.

After orders are passed the file may be returned to S. & P. H.

30/11/49

If Mr. Samuel is selected and is prepared to meet the cost and for changes of the journey he may perhaps grant him study leave. Of course it is open to question whether Sri Samuel can be said to have "substantial academic or teaching experience in the social field" which are the prerequisites of selection.
