Roc.No.431 W1/49 dated 27-10-1949.

Sir,

Sub: Education - Utilisation of the Prime Minister Nehru's National Relief Fund for helping Refugee students reading in medical and professional Colleges in the Province - Orders of Government requested.

I have the honour to request that I may be permitted to utilise a portion of the Prime Minister Nehru's National Relief Fund, which was placed at my disposal in G.O.No.(MS)1932 Edn. dated 14-6-1949, towards affording relief to non-Muslim Refugee students from Pakistan who are reading in the specialised institutions in this Province, in addition to the loans sanctioned during the year 1949-50, under G.O.No.Ms.272 Edn. dated 9-2-1948. The nature of the relief proposed and the necessity for it are explained below.

During the last year 1948-49, I sanctioned the loan towards maintenance charges at the rate of Rs.60/- p.m. to each of the students in accordance with the orders of Government passed in their Memo No.66745-G3/48-2 Edn., dated 23-9-1948. But during the current year, 1949-50, I am sanctioning the loan towards the maintenance charges only at the rate of Rs.45/- p.m. to each student in accordance with the orders of the Government of India No.R.L.-2 (1-Mad)/48 dated 19-4-1949 communicated with Government Memo No.66745-G2/48-9 Edn., dated 29-4-49.

The reduction in the amount of loan under this item caused some hardship to the students. They have requested me to raise the loan amount to Rs.70 or Rs.75 per mensem towards the cost of boarding and lodging, as the monthly rate of expense in the hostels where they are staying actually works out to Rs.70 and Rs.75 per mensem. The Principals of the two Medical Colleges have also supported the request of the students. I feel that each student will require atleast Rs.60/- p.m. towards the boarding and lodging charges, ie., maintenance, as in last year.

I feel that they should be helped from other sources, if possible. I therefore request you to permit me to pay to each of the students, as a gift, for the current year only, a sum of Rs.15/- p.m. (being the difference between the loan of Rs.60/- p.m. sanctioned last year and Rs.45/- p.m. being sanctioned during the current year) from the Prime Minister Nehru's National Relief Fund.

In this connection I invite your kind attention to para 2 of Government Memo No.999/49-2 Pub.(Elections) dated 12-3-1949 wherein it is stated that it was the desire of the Refugee Relief Committee in Madras to transfer the unspent balance amount in the Prime Minister Nehru's National Relief Fund to be used for affording educational facilities, particularly Medical Education. Out of about 30 refugee students who have been assisted with the loan, 28 are reading in the Medical Colleges, and two are reading in the College of Engineering. They all deserve help and encouragement. The total anticipated expenditure if my

recommendations are approved comes only to Rs.5,400 (Rs.15 x 12 x 30), and it is expected that there will be a balance of nearly, or slightly over, Rs.20,000/- at the beginning of the next official year, after meeting this item of expenditure from the Fund. The students will be made to understand that this gift, if sanctioned, will not be repeated next year and that they should learn to live within their means or within the loan that may be sanctioned to them later on, however limited that may be.

I request the favour of early orders of Government.

Yours faithfully,

K. S. K. K. K.

The amount of loan to the refugee students for their maintenance, i.e. Rs.45/- a month is in accordance with the "Schedule showing expenditure in connection with certain courses", viz. "Boarders" furnished by the Government of India with their letter No. F/162/48 R & R dated 8-1-1948, communicated with G.O.No.272 Edn., dated 9-2-1948. The loan is given for 12 months and not for nine months in all professional and technical Colleges. The proposed cash gift may therefore be given for 12 months.

2. In this connection I submit a copy of a letter Rc.No.117 C5/49 dated 4-11-1949 received from the Principal, Andhra Medical College, Vizagapatnam, wherein the Principal has explained that the allowance sanctioned towards maintenance viz. Rs.540/- for one year is not sufficient and that the medical course is held for a period of 12 months and not 9 months.

Yours faithfully,

A sum of Rs.540/- was sanctioned in G.O.No.272 Edn., dated 9-2-48 towards maintenance allowance to the Punjab Refugee students. But the students from the 3rd to the 5th year have to stay in the hostel during the whole year as they have to attend the hospital course even during holidays.

The minimum maintenance allowance per head per month is Rs.60/- Therefore, the sum of Rs.540/- sanctioned per head in your above quoted letter is sufficient for 9 months. Hence, a sum of Rs.720/- per student may be sanctioned to meet the expenditure for the whole year, as sanctioned for the year 1948-49 in your letter Roc.No.268-W1/48 dated 24-12-1948. and 17-7-1949.

2. In the case of students who owe money, it would seem better to pay the proposed cash gift of Rs. 15 each to the Principal of the College concerned towards the dues. It is presumed that there is no objection to this course.

The fees are paid by the students out of the loans given

charges. There is no objection to paying the extra sum of Rs.15/-

From the D.P.I. Rec. No 431 w/49 d. 27.10.49 and Rec. No. 431-w/49 d 6.12.49.

The letters from the D.P.I. on p1-2 and 7ef may be perused. The D.P.I. has requested the Govt that he may be permitted to pay to each of the refugee students in professional Colleges, a cash gift of Rs 15 p.m. for the current year from the P.M. Nehru's National Relief Fund, as a special case.

2 In this connection it may be stated that originally the amount of loan to refugee students towards maintenance charges was Rs 75, to which the Govt of Ind. disagreed, stating it as too high and proposing only Rs 45 p.m. The D.P.I. is sanctioning only this sum to the refugee students during the current year. This, he states has caused some hardships to the refugee students, who have requested him to raise the amount. The D.P.I. has now requested that he may be permitted to pay to each student a sum of Rs 15 p.m. as a gift from P.M. Nehru's National Relief Fund, placed at his disposal.

3 Besides The D.P.I. has also stated that the medical refugee students require atleast Rs 60 p.m. towards boarding and lodging charges, to which the Principals of Medical Colleges also ^{are stated} to have agreed. The total amount placed at the disposal of the D.P.I. in G.O. 1932 and d 14.6.49. was Rs 55,801-8-6 and the balance of amount now reported ~~to be~~ with him is stated to be about Rs 25,400/-

4 If the recommendation of the D.P.I. is to be allowed, the expenditure comes to Rs 5400 which will have to be met from the above

mensem - proposal to pay in cash to those who do not live in
Government Hostels.

Ref: G. O. Ms. No. 404 Education d a t e d 9/2/50.

A doubt has arisen whether the refugee students who are not actually
living in Government Hostels, but are living outside should be given in
cash the gift of Rs. 15/- per mensem sanctioned in the G. O. cited above.
The Principal reports that students living outside the Government Hostels
will also require the extra help given by Government from the Prime Minis-
ter Nehru's National Relief Fund. I request that Government may therefore
be pleased to sanction the payment of the gift in such cases and also to
permit the payment of the gift by the Principal in cash to the refugee
students direct. The Principal may however be asked to obtain from the
students receipts for payment made to the private boarding homes.

I request the favour of early orders.
