Rc.10250 D6/46 dated 1-2-1950.

Sub: Grant - Building - St. Gabriel's High School,
Madras - construction of sheds.

**** M 39.42 of of (T)

Government in G.O.Ms.No.3710 Education dated 2nd December
1949 sanctioned the inclusion in the list of approved works

Item No 4 on 140 of of (T) of the scheme for the construction of 2nd floor for St. Gabriels
High School, Madras at an estimated cost of Rs.70,000/- ren-

dering the institution eligible for a grant upto one half of
the cost of construction not exceeding Rs.35,000/-

p 2 infra

2. I submit herewith a copy of letter from the Correspondent,
St. Gabriel's High School, Madras. But now, the management
feels that it is unable to take up the scheme involving an
estimated expenditure of Rs.70,000/- and therefore proposes to
put up a pucca shed with asbestos roofing at an estimated cost
of Rs.27,000/- providing accommodation for 8 class rooms.

3. In the circumstances reported, I request, that Govern-
ment may be pleased to sanction the inclusion in the list of
approved works of the scheme for the construction of a pucca
shed for the above school in lieu of the scheme for the
construction of 2nd floor at an estimated cost of Rs.70,000/-
which was ordered to be included in the G.O.mentioned above.
Early orders may be issued to enable the management to proceed
with the work expeditiously.

Yours faithfully,

J. P. Pantanah

87/42

Copy of letter from the Correspondent, St. Gabriel's High School, 80-C Broadway, Madras to the Director of Public Instruction, Madras through the District Educational Officer, Madras. C.No.591 dated 15th November 1949.

Sir,

I your Rc.No.10250 W2/46 dated 12-11-46 you were pleased to ask us to submit an application for building grant in the prescribed form together with a plan of the proposed construction with necessary particulars and an estimate of cost.

These were sent to you on the 8th Jan. 1947. The estimated cost for the extension was about Rs.70000/-

In March 1949, we received a copy of a communication from Government which made us understand that the Scheme would be included in the list of Approved Schemes for Buildings Grants during this year. So far we have not heard anything about our application.

Our present building has only 14 class rooms, one hall and a science room. But our strength this year is 1100 and we have 27 sections. Besides, in the expectation that our application for Grant for extension of building would be approved, we agreed to offer instruction in the Pre-Technological Course (Engineering) In Form IV and have provided for the same this year. We now find that unless we extend our accommodation, we will not be able to provide adequate facilities of space etc., for the Pre-Technological Courses which we find require in the 2nd year two more class rooms.

We are now working in two shifts. This shift system unfortunately has not been working quite satisfactorily as many of our boys are coming from distant places. Further, work for 4 hours in a session is too tiresome for our boys. We also find that teachers are too often falling ill. The parents desire that we should revert to a single shift, in the interests of the health of their wards and also in the interests of greater efficiency in learning.

We feel that with the costly equipment for the pre-technology courses, we will be unable to undertake for sometime to come the extension as originally planned and submitted for your approval in our letter No.B.431 dated 8-1-47 involving an expenditure of Rs.70,000/-

We therefore request you to approve the extension of accommodation according to the enclosed plan whereby, we shall be putting up a building with asbestos roofing providing for 8 class rooms. We intend making arrangements for 3 classes in our Hall. We further intend abolishing sections of the 5th class so that with the extension according to the plan submitted we can run our school during normal school hours 10 A.M. to 4.P.M.

The estimated cost of this scheme is Rs.27,000/-. We shall be very grateful if the scheme be approved and permission accorded for proceeding with the construction so that the extension may be completed in time for the next school year in June 1950.

Grant-Building - St. Gabriel's High School,
Madras - Construction of a permanent shed -
Inclusion in the list of approved works -
Sanctioned.

Read again G.O.Ms.No.3710 Education d-2-12-49.

From the D.P.I. Rc.10250 D6/46 dated 1-2-50.

Order/Ms.No. 408 Edn. d/ 9-2-50

In the circumstances stated, the Government

sanction the inclusion in the list of approved works
of the scheme for the construction of a ~~permanent~~ ^{with asbestos roofing} per-
manent shed ~~for~~ providing accommodation for ~~8~~ ^{eight} class
rooms for the St. Gabriel's High School ^{Madras} at an esti-
mated cost of Rs.27,000, in lieu of the scheme for the
construction of a ~~2nd~~ ^{second} floor for the school ~~which was~~
~~ordered to be~~ included in the list of approved works
in G.O.No.3710 Edn.d/ 2 -12-1949. While this appro-
val does not convey any guarantee of grant, it will
render the institution eligible for a grant towards
one-half of the ^{cost of} construction of the shed not exceed-
ing Rs. ~~30~~ 13,500 if and when funds become avail-
able. provided all the conditions laid down in the
Grant-in-aid code ~~for~~ ^{are} duly complied with.

EDUCATION DEPARTMENT.

The Director of Public Instruction,
Madras.

The Secretary to Government,
Education Department, Madras.

R.O.C.No. 10250 D6/46 dated 6-6-1950

Sir,

SUBJECT: Grant-- Building--St. Gabriels High School,
Madras--Construction --Higher tender--
accepted--grant.

In G.O. Ms. No. 408 Education dated 9-2-50
the Government sanction the inclusion in the list of
approved works of the scheme for the construction of a permanent
shed for the St. Gabriel's High school, Madras at an
estimated cost of Rs. 27,000/- tendering the institution
eligible for a grant of one half of the cost of construction
of the shed not exceeding Rs. 13,500/-

2. 17 tenders were received for the execution of
the work. The lowest and the highest tender amounts are
Rs. 22,661-11-2 and Rs. 34,716/- respectively. But
the management accepted a tender higher than the three
lowest i.e., for Rs. 23,873/- exclusive of contingencies
and supervision charges 10% ., (Rs. 26,260/- Total) I
submit herewith a copy of letter from the Correspondent
explaining the reason for not accepting the lowest tender.

3. In G.O. No. 1981 Edn. dated 10-8-1948 Govt.
have informed the Director that permission to accept a
tender other than the lowest should be given only in cases
where sufficient reasons are given for not accepting the
lowest tender. The accepted tender in this case is the
fourth lowest and is within the estimated cost of the scheme.

I request the orders of Government whether, in the
circumstances explained by the management, permission may be
granted to accept the tender of Messrs J.P.M. Nadar & Sons and
the grant paid in due course on the basis of that tender.

Yours faithfully,

D. O. Paulanahie

Grant - Building St. Gabriel's High School, Madras -
Non-acceptance of the lowest tender - Action of the
management approved.

From the D.P.G. Rec No. 10250 DL/46 d/6-6-50.

Memo No 15300 B/50-2 Edn d/ 27-6-50

In the circumstances stated, the Govt.
approve the action of the management of the St. Gabriel's
High School, Madras in having accepted a tender other
than the lowest for the construction of a permanent
shed for the school. The grant payable towards the scheme
will be based on the tender accepted by the management.

Note. The management of the St. Gabriel's High School, Madras
have accepted a tender which was not the lowest for the
construction of a permanent shed for the school. The reasons
given by the management seem acceptable. Also the
tender, even though not the lowest, is within the
estimated cost of the scheme. In view of this, it is for
orders whether the action of the management may be
approved. As suggested by the Director, the grant
payable to the scheme may be based on the value of the
tender accepted by the management. The draft above
may be issued with the concurrence of Finance.
