No.B.8.36293/49. Dated: 24/1/50.

Sir,

Sub: Stationery - paper - white printing - Double Crown size -
supply of - authorisation of the Superintendent of Stationery,
Orders -

Ref: Government memorandum No.97138-C2/49-1 dated 16/12/49.

White printing paper of double crown size (20"x30") is not an item stocked and supplied by this department. Hence no order was placed for the supply of paper of this size. As regarding imitation art paper, this variety also was not being stocked by this department prior to the war, as there was no regular demand for it. Then it was being purchased whenever required by the consumer (the Superintendent, Government Press) himself without the intervention of this office as per rule 8 iv (e) of the Stationery Manual Volume. I.

During the war, the allocation scheme was introduced. Under this scheme the Paper Directorate, Delhi in consultation with the Madras Government and the Superintendent of Stationery, is making an allotment of imitation art paper. The allotment made in this variety is being utilised against the requirements of the Superintendent, Government Press.

The Superintendent, Government Press has now furnished a statement showing his annual requirements of these two varieties of paper. A copy of his letter Skr/paper dated 19/1/50 with a copy of the statement is submitted herewith. As he now states that these are required for regular use, Government may be pleased to authorise the Superintendent of Stationery to purchase and stock these two varieties of paper. For this purpose it is necessary to incorporate these two items in Volume II of part I of the Stationery Manual, for which permission may be accorded.
