Extract from the report of the Govt. Press Engraving Committee C.No 78403C/49.

The Committee also suggests that a rule should be framed prescribing that no officer who is having any interest in a private press should be promoted to a gazetted rank and that the arising of any such interest newly will be sufficient ground for reverting an officer from Gazetted rank. In this connection the Committee invites attention to principle underlined in para 72 and 154 (4) of the P.W.D. Code.

I am not sure this deserves to be made into a rule, there are no provisions already in the G.S.C. regarding interests in property with which one's work is connected.

16.1.50

No amendment to any rule seems necessary. Perhaps an order may be issued to the effect that persons holding gazetted posts in the Govt Press or other responsible posts in the subordinate services in the Press, should have no pecuniary or other interest in any private press, directly or through relations
