The new under-wood foolscap size Typewriters were supplied by the Supdt. of Stationery Madras in his No.B.1.9542-48 dated 23-9-48 exclusively for Election work in this district. As the work for which they were intended is over, the Superintendent of Stationery Madras has asked me to return them to him in his letter No.B.4031/49 dated 21-5-49. In this connection, I submit that two typewriters of this office have gone out of order and they are unfit for further use in spite of frequent repairs. I am therefore retaining 2 machines bearing Nos.11-6362247 and 11-6375945 out of the above 10 new machines, for my office use in the place of the two gone out of order.

With regard to the remaining 8 machines they will be returned to the Superintendent of Stationery Madras. I request that the Government may be pleased to approve my action in having retained the two new machines.

I shall send the two old machines which are now being replaced by the new ones to the Superintendent of Stationery on receipt of orders from the Government in the matter.
