of Madras, Education and Public
Health Department, Madras-9.

No. 1698-B6/49-1, dated 6-4-1949.

Sir,

Recruitment (Direct) - Madras Educational Service -
Lecturer in Geography - Qualification.

I am to say that the qualifications prescribed for
the post of Lecturer in Geography in the special rules for
the Madras Educational Service are as follows:

- "First or second class degree of M.A. or B.A.
(Hons.) or B.Sc. (Hons.) of a University in the
Province in a subject allied to Geography
(viz., Mathematics, Physics, Chemistry, Botany,
Zoology, Geology, Economics or History) AND
a University diploma in Geography WITH DISTINC-
TION.
- Preference shall be given to candidates who have
taken the degree of M.A. or B.A. (Hons.) or B.Sc.
(Hons.) in Geography of any British or Indian
University".

An Honours or M.A. degree in Geography is specified in the
item marked (B) above as a preferential qualification and
under a scheme of recruitment by competitive examination, a
preferential qualification comes into play only as between
candidates who obtain the same number of marks at the competi-
tive examination - VIDE Commission's letter No. 55-B1/45-2,
dated 19-1-1945 disposed of in G.O. No. 357, Development,
dated 29-1-1945. If, therefore, an applicant for the post
of Lecturer in Geography possesses only the preferential
qualification, viz., an Honours or M.A. degree in Geography,
it is difficult to hold that he is technically qualified
unless he possesses in addition to it a first or second
class M.A. or Hons. degree in one of the subjects mentioned
in the item marked (A) above (viz., Mathematics, Physics,
Chemistry, Botany, Zoology, Geology, Economics or History)
as the main subject, which, in conjunction with a University
Diploma in Geography with distinction is prescribed as the
basic qualification.

2. Usually a first or second class degree in the
subject concerned is insisted on for the post of a Lecturer
in the Madras Educational Service. Even for the post of an
Assistant Lecturer in Geography in the corresponding Sub-
ordinate Service, a first or second class degree has been
considered essential - VIDE your letter No. 96637-A/48-2,
dated 24-2-1949. But the M.A. or Hons. degree in Geography
mentioned in the item marked (B) above as the preferential
qualification for the higher post of Lecturer in the Provincial
Service, need not (as the wording of the rule will show)
necessarily be a first or second class degree, but may even be
a third class degree. That shows that it cannot have been the
intention to permit such a qualification to be regarded as
alternative to either or both of the basic qualifications
mentioned in the item marked (A) above.

3. Among the candidates who have applied in response
to a recent advertisement published by the Commission with
reference to your letter No. 69517-A2-Edn., dated 1-10-1
there are two applicants who possess the following qua-
fications:

27395

B/165

B/178

A/15

(Separate file)

qualifications:

First applicant. (B.A.(Pass degree) in History and (Economics, III Class, Madras University. (B.A.(Hons.) in Geography, III Class, (London University.

Second applicant. (B.Sc.(Pass degree) in Geology (main), (II Class, Madras University. (M.Sc. in Geography, II Class, Benares (Hindu University.

I am to enquire whether either or both of these applicants can be regarded as possessing the technical qualifications prescribed in the rules as at present worded. The Commission has provisionally admitted their applications pending the orders of the Government this letter.

4. To place the matter beyond all doubt the Commission would suggest that the qualifications now prescribed and quoted at the beginning of this letter be altered on the lines of those proposed for the post of Assistant Lecturer, in the amendments that accompanied your letter No.96637-A/48-2, Edn., dated 24-2-1949, viz.

"(i) the first or second class degree of I.A. or M.Sc. or B.A.(Hons.) or B.Sc. (Hons.) in Geography of any British or Indian University.

OR

(ii) (a) The first or second class degree of M.A. or M.Sc., or B.A.(Hons) or B.Sc. (Hons.) of a University in the Province in a subject allied to Geography (viz. Mathematics, Physics Chemistry, Botany, Zoology, Geology, Economics or History) as the main subject; and

(b) A University Diploma in Geography with distinction.

Provided that preference shall be given to a candidate who possesses the degree in Geography mentioned in item (i) above".

5. According to the qualifications as so altered, the second applicant mentioned in paragraph 3 above will be technically qualified but not the first applicant. The alteration may be given retrospective effect from 2-11-1948 (the date of the Commission's advertisement) to cover the case of the second applicant.

Yours faithfully,

Secretary.

Roc. 2237 /C1/49

From

The Director of Public Instruction, Madras.

To

The Secretary to Government, Education & Public Health Department, Madras.

Sir,

Sub: Madras Educational Service - Lecturers in Geography - Amendment of qualifications
Ref: Govt. No. 27395-Al-Edn. & Public Health dated 14.6.1949.

A Lecturer in Geography in an Arts or a Science College has to teach that subject upto the degree standard. I am therefore of opinion that the minimum qualification for recruitment to that post should be first or second class degree of B.A. (Hons) or B.Sc. (Hons) in Geography as in the case of other subjects. Qualification II mentioned in the draft order would not suffice for a Lecturer in Geography expected to teach upto the degree standard.

At the recent meeting on 5.8.49 of the B.T. Board of the Madras University it was decided that "Geography" as such would not be a special subject in the B.T. Course. A similar development may be expected in the Andhra University also. In accordance with the reorganised course of studies in the secondary schools, both History and Geography will in future be grouped as "Social Studies" and will be handled by one Lecturer in Training Colleges. In view of this, there will be no need for retaining the existing posts of Lecturers in Geography in both the Training Colleges, Saidapet and Rajahmundry, the staff of which will have to be reorganised by the next Academic year. The question of amending the special rules governing the post of Lecturer in Geography in Training Colleges may therefore, be taken up for consideration along with that of re-organisation of the staff of the Colleges.

The letter of the Service Commission 1698-B6/49-1 dated 6.4.49 (in original) is enclosed.

Yours faithfully,

for Director of Public Instruction.

Yours faithfully,

Enclosures:

No. Rc. 2237 Cl/49 dated 29th November, 1949.

Sir,

Sub: Madras Educational Service - Lecturers in
Geography - Qualification - Amendment of
Special Rules.

Ref: Government T.M. (by post) No. 2739-A.3. dated
14th October, 1949.

I suggest that the draft sent with the Government

T.M. (by post) quoted above may be altered as follows:-

(i) Direct recruitment: For the reasons stated in

para 1 of my letter Rc. 2237 Cl/49 dated 20.8.49, the qualification for appointment to the post of Lecturer in Geography in an Arts or a Science College should be a first or second class degree of M.A. or B.A. (Hons) or B.Sc. (Hons) in Geography of a University in the Province. I therefore consider that qualification II and the preference clause in the draft should be deleted.

(ii) Transfer: The qualification for recruitment by transfer should be the same as for direct recruitment so far as Lecturers in Geography in Arts and Science Colleges are concerned, the diploma in Geography being accepted only for appointment to posts in Teachers' Training Colleges. I, therefore, recommend that the clause (b) in the draft be deleted and that the provision be recast as shown below:-

PROVIDED that a candidate who possesses a first or second class degree of M.A. or B.A. (Hons) or B.Sc. (Hons) of a University in the Province in any subject other than Geography or Philosophy or a language and diploma of a University in the Province in Geography shall be eligible for appointment only to posts of Lecturers in Geography in Teachers' Training Colleges and not to such posts in Arts or Science Colleges.

Qualification II: If this qualification governs the recruitment by transfer, it means that Lecturers in Geography in Arts and Science Colleges should also possess a degree in Teaching which is not necessary for Lecturers in other subjects in

such Colleges. There is no need to prescribe a degree in Teaching for Lecturers in Geography in Arts or Science Colleges. I therefore consider that this qualification should be omitted from the Special Rules. Such omission would not affect the requirement of a degree in Teaching for appointment in Training Colleges, which is specially governed by rule 6(c) of the Special Rules.

2. If the above suggestions are accepted it is unnecessary to prescribe, specifically and separately, in the Special Rules the qualifications for appointment to the posts of Lecturers in Geography because the qualifications are the same (viz. I or II ^{class} M.A. or Hons. degree) for Lecturers in other subjects. I, therefore, consider that it would be enough to amend the Special Rules as follows:-

DRAFT AMENDMENT.

In the Annexure to the said Special Rules -

- (1) the words within brackets (Lecturers in Geography) in Column 2, under category 5 of class III, shall be deleted.
- (2) the following provision shall be added in Column 4 relating to classes III and VIII:-
"provided ^{colleges} _{colleges} [as in form (C)]
- (3) the entries relating to 'Class III, 5 Lecturer in Geography' shall be deleted.

Yours faithfully,

P. H. Srinivasan

To The Secy., M.P.S.C. (25-10-49 of draft)

Sir,

M.E.S. - Lecturers in Geog. - Qualfn.

Ref:- Your letter No.1698-B6/49-1, d/- 6-4-49.

The views put forward by the D.P.I. in the matter are as follows.

R at 5.3

A Lecturer in Geog. in an Arts or a Science college has to teach that subject up to the degree standard. The minm. qualfn. for him shd. therefore be a I or II Class degree of M.A. or B.A.(Hons.) ~~or B.Sc.(Hons.)~~ or B.Sc.(Hons.) in Geog. of a Unty. in the Provice. The I or II Class degree of M.A. or B.A.(Hons.) or B.Sc.(Hons.) in any subject other than Geog. or Philosophy or a language, together with a Unty. diploma in Geog. with distinction, need not be deemed ~~an~~ an alternative qualfn.

S at 4.5

The qualfn. for recruitment by transfer shd. be the same as for direct ^{recruitment} ~~recruits~~ so far as Lecturers in Geog. in Arts and Science ~~trg.~~ colleges are concerned and that for appt. ^{by transfer} to posts in Teachers' Training colleges, however, the diploma in Geography and the ~~first~~ ^{degree} I or II Class M.A. or B.A.(Hons.) or B.Sc.(Hons.) of a Unty. in the Province in any subject other than Geog. or Philosophy or a language, may be accepted.

Ap. 2-3

2. I am to enclose a draft of the amendments to the Sml. Rules ^{for} in the M.E.S. prepared on the basis of the Dir.'s views, ^{and} ~~I am~~ to request you that the Commission will be so good as to offer its remarks in the matter.

 SUPERINTENDENT.

M.E.S.--Lecturers in Geography--Amendment of qualfns.

The M.P.S.C. recently selected for direct recruitment as Lecturer in Geography a candidate by name Sri M. Srikumaran Unni Nair who possessed B.Sc. (Hons.) in Chemistry (main) and Physics (subsidiary) and the Madras Unty. diploma in Geography with distinction. In the examn. for the selection, ^{the Commission} ~~it~~ experienced some difficulties in deciding which of the applicants were qualified. It has therefore suggested now the alteration of the qualfns. for the post with a view to avoid doubts arising in future recruitments. The amendments suggested may be accepted subject to the follg. remarks.

2. So far as direct recruitment is concerned the amendments may be framed ^{closely} ~~exactly~~ on the lines of the amendments issued recently to the qualfns. for Asst. Profs. and Asst. Lecturers in Geography in the Sub. Service except in one respect, viz., that as between a person holding the degree in Geography and another holding the degree in an allied subject with however a diploma (with distinction) in Geography, the former shd. be preferred.

3. In the case of recruitment by transfer, the preference reld. to at N above need not be shown. The existing provns. ^{making eligible} ^{or diploma} requiring a ~~teaching degree~~ and ^{Geography} ~~allowing~~ a person possessing the ordinary diploma (i.e., without distinction) to be appointed in training colleges, may be continued.

4. It would do if recognition is specifically accorded in the rules to the degrees and diplomas of Universities in the Province. The general terms "degree of any British or Indian Unty." and "Unty. diploma" need not be used. If candidates possessing qualfns. of Universities situate outside this Province come up, the equivalence of those qualfns. may be left to be decided by the Commission under General Rule 17.

see u.o. before Legal and, again M.P.A.C., are consulted.

From the D.P.I., No.2237-C1/49, d/-29-11-49. cf. 5b

The D.P.I. considered that the re-organization of the training colleges, which is under considn. separately, when put into effect, would dispense with the necessity to retain ~~lecturers in~~ the posts of qualfn. Lecturers in Geog. and that the question of amending the rules for the post might therefore be postponed.

He was told that the ~~proposed~~ re-organization should not be allowed to stand in the way of altering the rules to meet the existing state of affairs. He has therefore now forwarded his views -- pp.5-6 C.F. - as to what the qualfn. for the existing Geography Lecturers shd. be.

These views may be accepted and the Commission consulted ~~as~~ ^{about the amendment of the rules accordingly.} to whether the rules may be amended accordingly. A ^(a fresh) draft letter and draft of amendments are subd. Legal may see.

Legal Department.

The alterations indicated in red ink on the draft notification may be made.

Edm. & P.H. dept. (A)

Draft letter may issue

(Issued as letter No. 27395-A.7-Dr., d/- 4.1.50)

Legal u.o. No - 17513/49-1
30/12.49

cf 2 From the Secy., N.O.S.C., no. 1698-83/49-4, d/- 1.2.50.

The question of amending the qualfn. for ^(M.E.S.) post of lecturers in Geography is dealt with in this file. Last year, the Commission selected for direct recruitment one L. M. Sreekumaran Unni Nair. In the course of the selection, it felt some difficulty in applying the qualfn. rule & before raising the matter for decision by Govt. The S.O. who was consulted has offered the views reproduced briefly in this dept.'s letter to the Commission at p.7 cf. The Commission agrees ~~with~~ to the ~~Commission's~~ amendment of the rules in accordance with those views. The draft below may $\therefore$ be issued after on 15.1.50. (S. & L.)

Sri Srikumaran Unni Nair's selection by the Commission was approved by Govt. Although he ~~has only~~ ^{has only a} diploma in Geography, the proposed ~~amendment~~ ^{amendment}

will not affect ~~by~~ him as the ^{second} provisio to General Rule 2-A gives him protection. He is awaiting ^{actual} appointment in the vacancy that will be caused at the end of the current college year, on the expiry of the re-employment of Sri N.C.Krishnayya Naidu.

May be recircd. to H.M.(E.&L.).

The amendment hereby made shall be deemed to have come into effect on the 2nd November 1948.

M.E.S. - Spl.Rules - Qualfns. for Lecturers in Geog. - Amended.

Read:- From the ExRxRx S., M.P.S.C., No.1698-B4/49-1, dated 6-4-49.

G.O.(MS.) No. Edn., dated

The following notification will be published in the Fort St. George Gazette:-

NOTIFICATION.

In exercise of the powers conferred by section 241(2)(b) of the Government of India Act, 1935, His Excellency the Governor of Madras hereby makes the following amendments to the Special Rules for the Madras Educational Service (Section 6 of Part III-A of the Service Rules in Volume II of the Madras Services Manual, 1946).

Amendments.

In the Annexure to the said Special Rules, for the entries in columns (3) and (4) relating to Category 5 - Lecturer in Geography, of Class III, the following shall be substituted, namely:-

- "Direct recruitment.
- I. First or second class degree of B.A. (Hons.) or B.Sc. (Hons.) in Geography of a University in the Province, or
 - II. (i) First or second class degree of M.A. or B.A. (Hons.) or B.Sc. (Hons.) of a University in the Province in any subject other than Geography and Philosophy or a language, and
 - (ii) Diploma of a University in the Province in Geography with distinction.

Preference shall be given to a candidate who possesses qualification I.

(a)

Transfer. I./First or second class degree of B.A. (Hons.) or B.Sc. (Hons.) in Geography of a University in the Province; or

(b) (i) First or second class degree of M.A. or B.A. (Hons.) or B.Sc. (Hons.) of a University in the Province

S. SUBRAMANIAM M.B.B.S., M.L.A.

KARAIKUDI

13-11-1948.

Dear Mr. Avinashilingam,

I find from the papers that the Madras Public Services
Commission have advertised for professors in various sub-
jects including Geography. The qualifications are a degree of
our university plus a diploma in Geography for the geography
lecturership. Many of our students have gone to Benares and
other universities and have taken the science degree in
geography. Some of them are M.Sc.s and D.Sc.s in Geography.

A degree is always considered to be superior to diploma
course. In fact, the diploma course in Geography of the
Madras University runs only for a year whereas an M.Sc. in
Geography after taking the B.Sc. course puts in another 2
years of study for his M.Sc. Under these circumstances when
you have no M.Sc. course in the Madras University it is very
unfair for you to be shutting out Geography M.Sc.s of other
universities who are also graduates of our universities for
the B.Sc. I would request you to consider this and see that
their advertisement is corrected to include geography
graduates of other universities also, because this course is
not available in our University.

Thanking you, for your reply,

Yours sincerely,

Hon'ble Sri T.S. Avinashilingam,
M.A., B.L.,
Minister for Education,
Fort St. George,
MADRAS.

Secret P.L.

Please see herewith a letter from Dr. Subramanian M.L.A., with regard to qualifications prescribed for geography lecturers. I think there is a great deal in what he says. The matter may be examined and put up.

H.M. Education.

The qualifns. for direct recruitment as Lecturer in Geography are:

- (i) I or II Class M.A. or B.A (Hons.) B.Sc. (Hons.) of a University in the Provec. in a subject allied to Geography (viz., Maths., Physics, Chemistry, Botany, Zoology, Geology, Economics or History); and
- (ii) a University diploma in Geography with distinction.

Preference will be given to candidates have taken the degree of M.A. or B.A. (Hons.) or B.Sc. in Geography of any British or Indian University.

Further, under General Rule 17, persons possessing such other qualifns. as may be considered (the Commission) to be equivalent to the prescribed are also eligible.

2. The Hon. M.L.A.'s complaint is that the M.Sc. and the D.Sc. degrees in Geography of the and other Universities have not been mentioned by the Commission.

The Commission has published in newspapers only a short advtt. The notfn. pubd. in the F.S.G. Gazette mentions the qualifns. above in full "The Particulars" which will be supplied by it to candidates on the latter's requisition, will also the qualifns. in detail. In the Gazette Notfn., Commission has also said, w.r.t. General Rule 17 that the applicants may also possess equivalent qualifns. W.r.t. this provision, the M.Sc. and the D.Sc. holders of any University too can apply if they can satisfy the Commission that their degrees are

University is considered a preferential qualfn., M.Sc. holders also
can be expected to be preferred. If all the degrees of all the
Universities are to be specifically laid down as alternative qualfn.,
the rules will become unwieldy. ^{In view of the foregoing,} There is ~~therefore~~ no necessity
to modify or amplify the qualfn. rule. The postth set out above may
be exd. to the M.L.A. For orders.

May be cired. to H.M.(Edn.).
