The file relates to the formation of advisory committees in aided colleges. In G.O.No.404 Edn.,dated 2-3-1948, the Govt. advised the managements of aided colleges to constitute advisory committees. The Madras and Andhra Universities were against the formation of such committees in aided colleges, as it would lead to difficulties in the management and maintenance of discipline in the institutions and as the duties and powers of these committees would come into conflict with those of the Governing Bodies and the College councils already in existence, in accordance with the ~~statutes of the~~ Laws of the University concerned. The question was therefore raised as to whether the orders regarding the advisory committees should be withdrawn. The former H.M.(Edn) ordered that the G.O. constituting the advisory committees need not be withdrawn, but that the reaction of the colleges to the suggestion might be awaited. He also

ordered that the D.P.I. should send a ~~statement~~ report to Govt. as to how many colleges have adopted the suggestion of having advisory committees as advised by the Govt. The D.P.I. has received reports from 70 colleges and he reports that except the Raja Doraisingam College, Sivaganga, none of the institutions is willing to have advisory committees. In the circumstances, it is for ~~orders~~ consideration whether the Orders issued in G.O.No.404 Edn., dated 2-3-1948 advising the managements of aided colleges to constitute advisory committees should now be withdrawn. The file may be circulated to H.M.(E.&L). H.Pr. may also see.

It would appear that the constitution of the Advisory Committees, particularly of the representatives of staff, parents and governments, could never be acceptable to the management of Aided colleges. With one exception therefore the colleges have refused to take our advise to form such committees. We may therefore agree with the University and not press our advise
