Copy of letter dated 4-12-49 from Mr. Lakshmiram Gulati, parent
of Jagadish Gulati. *****

A
I beg to state that there is no refusal for renewal of
loan by my son. He will apply for loan for the year 1950.
He did not like to trouble you for the year 1949 as a sum of
Rs.1000/- was given to me by a relative as help towards the
education of my son without any interest, so I sent this sum to
my son and asked him not to bother the Government for 1949.
This was the reason for not taking loan. It is a Government
loan it has to be returned under all circumstances. I am quite
unable to return the money at present. It can only be returned
when my son finishes his education and gets employed or he
becomes able to earn something. You know I am a refugee from
Pakistan and have left all my property in Pakistan and Government
is doing nothing for the recovery of evacuee property. I am
an old man and not able to do my practice even. You know the
condition of refugees is miserable in India and as very few
refugees have gone to Madras so the plight of refugees is unknown
to your province. Please wait till my son passes his final
examination in 1950 and gets some job and then we will be able
to return the loan. Rest assured we have to return the loan
and we must and we will return. Do not press and add to our
miseries. You can mortgage my property left in Pakistan. I
hope you will excuse me for the facts I have mentioned. I have
asked my son to put in application for a second loan for his
final year. I hope you will help him.

The letter from the D.P.I on p¹³ef and its enclosures on p¹³⁻¹⁴ef may be perused. It is stated that a sum of Rs 1406/- was granted to Sri Jagdish Gulathi, a student of the Stanley Medical College as loan during 1948-49, under the Govt. of India loan scheme. It is also ~~found~~ ^{reported} that the student in question was able to manage with Rs 1000/- lent to his parent by a relative for his education. Hence he did not apply for any loan from Govt. during 1949-50. So the D.P.I was requested to take necessary steps to recover the sum lent to this student, from his parent residing in Banarès.

Now Sri Lakshminarayana Gubatti has expressed his inability at this juncture, to repay the sum of Rs 104.06 /- lent to his Son. But he has assured ^{he will} that he will return the sum by all means as soon as his son finishes his Course and obtains an employment. Besides he has also requested that a second loan may be granted to his Son if he applies for it during 1950-51.

It is Submitted that in the Circumstances Stated, the inability of Sri Lashmiram Gubati, parent of the Concerned Student, to repay the loan amount now, may be agreed to. The D.P.I may be informed that if Sri Jagadish Gubati applies for a further loan for the next year his application may be considered favourably. The draft below is for approval.

The loan bond on H. 3-5 CF is undated. This amount may be got repaid by E.R.H.

As regards the recovery of the loan, it is completely repayable within four years from the date of payment of the last instalment. The sum of Rs 1400 lent during 1948-9 is recoverable before 1952-3. But the father of the student has

asked for time till his son passes his final examination in 1950 and gets some job. This date is rather indefinite. However, it seems that further assistance by way of another loan cannot be repaid on this amount, as the student will otherwise suffer. If the loan becomes irrecoverable, the ^{student} E.R.H. must bear the loss. They may therefore be informed of the position even now with reference to that letter on page 9 CF.
