ASST. SECRETARY TO GOVERNMENT
EDUCATION AND PUBLIC HEALTH DEPT.
25 JUL 1949

Dear Mr.Madhava Menon,

5-6638

PP3-5 [illegible]
Encl of G.O. No. 695 Edn
1-4-46

1 Sometime ago I spoke to you of the application submitted by the Loyola College to the Director of Public Instruction for an enhanced grant on buildings already approved anf for which grant has already been paid. A half-grant was sanctioned in 1946 on the estimates submitted at the time. But the price of materials and labour having increased very considerably in the interval our Contractor asked for an increase of 33% on the original estimate. Finally he agreed to accept 25% more.

2 Moreover in the course of construction certain inevitable modifications and additions added to the all round 25% increase brought up the total cost Rs.2,88,000/- above the originally estimated sum. On this Rs.2,88,000/- I am requesting a grant of Rs.1,44,000/-. All the necessary vouchers and certificates have been submitted to the Director of Public Instruction.

3 I have been informed that this entire scheme is included in the Developement Scheme of the Government of India and the grant so far given to us has been paid by the Government of India. I request you to recommend to the Central Government this additional grant. I feel confident that the Director of Public Instruction and his technical advisers will recommend under present conditions the payment of this surplus.

Enquire from D.P.I. when his comments may be expected
22/7

Thanking you,

Yours sincerely,

J. D'Souza s.j.

Sir,

Not received — ([illegible])

Ref: In continuation of our letter No.D.144/48-49 dated 18--1--1949, and No.D.108/47-48 dated 25--11--1947.

Not received

I have the honour to submit the following for your favourable consideration. We are deeply grateful to Government for the half-grant already paid to us on the originally estimated cost of 9 lakhs of rupees for our Laboratory and the Library and Auditorium buildings. As stated in my previous letters referred above, owing to the increase in the price of material and the cost of labour the Contractor was unable to complete the building according to the first estimates. He claimed from us a 33% increase which we understand has been claimed by other Contractors and in some cases has we believe ~~were~~ was sanctioned by Government. We finally agreed to an increase of 25% and the two buildings now completed as per enclosed certificate have cost us Rs.11,88,463/-. Of this the Contractor has received Rs.11,27,543/- for which his voucher is enclosed. Rs.60,920/- have been paid as supervision charges to the Engineer. On the total cost he could have claimed Rs.10,000/- more, but in view of the difficulties of the Management he has waived this sum. The vouchers for the earlier payment of Rs.60,920/- have been already submitted (The copies are herewith enclosed). not received.

pages 11 and 15 of G.O.No.695 Edn (P) 1-4-46

Not Rec.

Of the Rs.11,27,543/- paid to the Contractor Rs.16,593/- represents the cost of the underground cellar which was not included in the original plan and estimate of the laboratory, but which was judged necessary at a later stage for certain types of chemical experiments. A statement concering this with a note

P. T. O.

from the Professor of Chemistry was submitted to Government on 26--11--1947 (and copy is enclosed) I respectifully request you that this additional item too may be approved and the total cost of Rs.11,88,463/- may be accepted by Government for purposes of half-grant. We have received payment of Rs.4½/- lakhs in respect of these two buildings. The capital expenditure not yet covered by the Government is Rs.2,88,463/-. I request that you may be pleased to approve this enhanced expenditure which was absolutely unavoidable and which is considerably less than the current rates of enhancement. We would most earnestly request Government to sanction payment of a half-grant on this additional expenditure viz., Rs.1,44,230/-.

ASST. SECRETARY TO GOVERNMENT, EDUCATION AND PUBLIC HEALTH DEPT.
11 AUG 1949

Rc.805 F/47 dated 10th August 1949.

Sir,

Grants - Building - Loyola College, Madras - Request for enhanced grant.

61281

pp 3 & 5 ante

Ref: (1) Letter DX 9/49-50 dated 15-6-1949 from the Correspondent, Loyola College, Madras.

pp 7-8 ante

(2) Government Memo No.56638 G2/49-1 Edn., dated 27-7-1949.

-----

pp 7-8 ante

With reference to the Government Memo referred to above, I have the honour to submit herewith a copy of the letter No.DX 9/49-50 dated 15-6-1949 from the Correspondent, Loyola College requesting for enhanced grant for the construction of the auditorium and library, and the Chemistry Laboratory due to increased cost of materials and labour. A copy of the remarks of the Joint Consulting Architect to the Government on the subject is also enclosed herewith.

p 11 infra

p 11 infra

The revised estimate for the Chemistry laboratory includes the construction of a celler also at a cost of Rs.16,593/-. The management did not obtain the previous permission of the Department for the construction of this cellar. However the necessity for the construction of the cellar has been explained by the Correspondent in his letter referred to above which has also been approved by the Joint Consulting Architect. In the circumstances the irregularity in constructing the cellar without the previous permission of the department may be condoned.

p 11 infra

I therefore recommend that grant for the construction of the cellar may also be included in the additional grant that may be ordered to be sanctioned.

Yours faithfully,

for Director of Public Instruction.

KHR.10-8.

10/8

ondent, Loyola College, Madras to the Director
Instruction, Madras.

I have the honour to submit the following for your favourable consideration. We are deeply grateful to Government for the half-grant already paid to us on the originally estimated cost of 9 lakhs of rupees for our Laboratory, and the Library and Auditorium buildings. As stated in my previous letters referred above, owing to the increase in the price of material and the cost of labour the Contractor was unable to complete the building according to the first estimates. He claimed from us a 33% increase which we understand has been claimed by other Contractors and in some cases was, we believe, sanctioned by Government. We finally agreed to an increase of 25% and the two buildings now completed as per enclosed certificate have cost us Rs.11,88,463/-. Of this the Contractor has received Rs.11,27,543/- for which his voucher is enclosed. Rs.60,920/- have been paid as supervision charges to the Engineer. On the total cost he could have claimed Rs.10,000/- more, but in view of the difficulties of the management he has waived this sum. The vouchers for the earlier payment of Rs.60,920/- have been already submitted (The copies are herewith enclosed).

Of the Rs.11,27,543/- paid to the Contractor Rs.16,593/- represents the cost of the underground cellar which was not included in the original plan and estimate of the laboratory but which was judged necessary at a later stage for certain types of chemical experiments. A statement concerning this with a note from the Professor of Chemistry was submitted to Government on 26-11-1947 (and a copy is enclosed) I respectfully request you that this additional item too may be approved and the total cost of Rs.11,88,463/- may be accepted by Government for purposes of half-grant. We have received payment of Rs.4½/- lakhs in respect of these two buildings. The cpaital expenditure not yet covered by the Government grant is Rs.2,88,463/-. I request that you may be pleased to approve this enhanced expenditure which was absolutely unavoidable and which is considerably less than the current rates of enhancement. We would most earnestly request Government to sanction payment of a half-grant on this additional expenditure viz. Rs.1,44,230/-.

Copy of the J.C.A's remarks referred to above.

In this office note d/12-1-48, it was already recommended that the increase over the approved estimate of Rs.4 lakhs viz., Rs.12,830/- may be approved for grant purposes. A 15% increase over the tender amount which was generally allowed at that time (1947-48) was also recommended for acceptance, though ~~it is seen from [illegible] on p.19 N.F. that~~ this increase was not admitted then for grant by the D.P.I.

2. From the revised estimate now sent and from the Correspondent's letter ~~on p.821 c.f.~~ it is seen that the total expenditure for the 2 schemes, viz. (i) Chemistry Block with cellar, and (ii) Library and Auditorium, is Rs.11,88,463/- i.e. Rs.2,88,463 over the approved estimate of Rs.9 lakhs for the 2 schemes. Deducting Rs.60,920/- paid for supervision, Rs.11,27,543 is the amount actually paid to the contractor.

The percentage increase generally allowed for 1948-49 is 35%. But it is seen that 25% increase only has been admitted by the Correspondent and the contractor paid accordingly. The 25% increase paid to the contractor, is only reasonable, in view of the percentage increase generally allowed for the periods of construction of these buildings.

3. In view of the above, the revised estimate may be accepted. ~~The D.P.I.'s view expressed in his note on p.821 C.F. is agreeable.~~

Regarding the cellar block, it is seen that its necessity has been admitted by the D.P.I. It is added that the construction of the cellar along with the Chemistry Block as per the design adopted, has been done economically, and it would have cost more if constructed separately later as further proposal.

GOVERNMENT OF MADRAS
Education and Public Health Department
Memorandum No.56638-G2/49-3 Edn. dated 5th September 1949.

Sub: GRANT - Building - Loyola College, Madras - Construction of Chemistry laboratory - Auditorium and Library hall - ~~Grant~~ - Increase.

Ref: From the Director of Public Instruction, R.C.No.805-F/47, dated 10-8-49.

The attention of the Director of Public Instruction is invited to the Government Endorsement No.138875 P&D V/48-2 dated 26-2-1949 from the Development Department, authorising the disbursement of a grant of Rs.2 lakhs in addition to Rs.50,000/- already sanctioned, for the construction of an auditorium and library hall for the college. The Government presume that the management had incurred an expenditure of not less than Rs.5 lakhs by the end of 1947-48 on this building and that the grant of Rs.2.5 lakhs sanctioned for it has accordingly been debited to the Central grant in full, in accordance with the principle of debiting the full amount of this Government's expenditure to the Central funds obtaining in 1947-48. The Director is requested to state whether this presumption is correct or whether any portion of the amount stood debited to the Provincial Revenues.

2. As regards the additional grant of Rs.1.44 lakhs now asked for on the basis of an excess expenditure of Rs.2.88 lakhs on the building, it is not clear to which years the excess expenditure in question relates. The Director is requested to furnish this information and to state how it is distributed between (1) the Chemistry Laboratory and (2) the Auditorium and Library hall.

3. The attention of the Accountant-General is invited to G.O.No.695 Education, dated 1-4-1946 and the Government Endorsement of the Development Department No.138875 P & D. V/48-2 dated 26--2--1949. It will be seen from these orders of Government that a grant of Rs.2 lakhs has been sanctioned for the Chemistry Laboratory and a grant of Rs.2.5 lakhs has been sanctioned for the Auditorium and Library Hall of the Loyola College. The Accountant-General is requested to state whether the entire sum of Rs.4.5 lakhs which these two items comprise was debited to the Central funds or whether any portion of it remained debited to the Provincial Revenues, and if so, what amount.

J.M. LOBO PRABHU,
Secretary to Government.

EDUCATION AND PUBLIC HEALTH DEPT.

Sir,

P15 [illegible]

Ref: Memorandum No.56638-G2/49-3 Edn. dated 5-9-1949
Government of Madras, Education & Public Health
Department.

Having received a copy of this Memorandum I beg to be permitted to supply the information therein asked for immediately.

M 1. As regards the first point we have been assured that the entire amount has been debited to the Central Government under 1947-48. Let me add that the additional expenditure incurred for which a grant is now claimed was also incurred in the course of 1947-48 and final payments made to the Contractor even before the last grant was paid to us.

2. The excess claimed now with reference to different buildings is as follows:-

i.e. 25% [illegible] (2)

(1)	Amount santioned (2)	Surplus applied for (3)
On the Library & Auditorium	Rs. 5,11,800	Rs. 1,27,950 ✓
On the Chemistry ...	Rs. 3,74,810	Rs. 93,702 ✓
On the Cellar ...	Rs. 10,992	Rs. 2,748 ✓
Engineer's Supervision charges	..	Rs. 60,920
	8,97,602	Rs. 2,85,320
		2,24,400

The grand total comes to an excess of Rs.2,85,320 on the basis of the sanctioned estimates and 25% enhanced rate. But actually the Cellar cost us Rs.16,593 and not Rs.13,740 as above. Hence the grand total paid to the Contractor and to the Engineer comes to Rs.11,88,293. 11,85,775.

16,593
13,740
2,853

Sub:- Grants to Loyola College for the construction of Chemistry Laboratory Auditorium and Library hall and adjustment of debit to Govt. of India.

--

Sir,

P15 ante

With reference to para 3 of Govt. Memo 56638-G.2/49.3 Edn. dt. 5-9-49, I have the honour to state that the building grants of Rs. 2 lakhs paid to Loyola College towards the construction of Chemistry Laboratory, has been adjusted in full by debit to Central Govt. vide details in the margin.** The amounts paid during 48-49 have also been indicated in the margin. Two amounts of Rs. 50,000/- and Rs. 70,306/- shown in the statement have also been paid to the institution in addition to those referred to in para 3 of the memo. The Director of Public Instruction has sanctioned the amount in his Rc.No. 650.F/47 dated 12-2-49 and 17-3-49 for the scheme of "Equipment for Chemistry Laboratory". As these schemes were approved by Govt. of India and their sanction communicated in Endt. No. 138875. P.& D.V/48.2 dt. 26-2-49 of the Development Department the full expenditure on these schemes has been taken into account for final adjustments against the Government of India. In respect of the expenditure incurred during 48-49 only a block grant of Rs. 310 lakhs has been adjusted against Govt. of India and marginal adjustments based on actuals will be effected in due course.

p.17 above

See below

With reference to the Government Memorandum cited above I have the honour to state that the management has shown an expenditure of Rs.5,11,800/- plus an additional expenditure of Rs.1,27,950/- on the Auditorium and Library. The Correspondent has also produced a Certificate from the Contractor in charge of the building that a sum of over Rs.5/- lakhs was spent on the Auditorium during 1947-48, (copies of which are enclosed herewith).

See AG's letter on pp 23-24 above.

2. As regards the question whether the entire grant of Rs.2.5 lakhs in respect of the Auditorium and Library was debited to the Central Government Accounts. I request you to verify the same from the Accountant-General as such information is not available in my office.

P17 ante

Details not furnished.

X

A

3. Details about the additional expenditure of Rs.2.88 lakhs incurred by the Management are given in the Correspondent's letter DX 20/49-50 dated 8-9-49. It is stated therein that the additional expenditure was incurred during 1947-48. It is also given that of this sum of Rs.2.88 lakhs Rs.1.62 lakhs was incurred towards the Auditorium and Library and Rs.1.26 lakhs towards Chemistry Laboratory. The Joint Consulting Architect who examined the papers has approved the enhanced expenditure to the extent of Rs.2,27,543/- only excluding the Supervision Charges. On this basis the amounts to be apportioned towards Auditorium and Library and Chemistry Laboratory will work out to Rs.1.28 lakhs and Rs.0.99 lakhs respectively.

In supersession of the vouchers I have submitted already, I hereby certify that I have received from the Correspondent, Loyola College, Madras, the sum of Rupees Ten Lakhs (Rs.10,000,00) for the construction of the Laboratory, Library and Auditorium and out of this amount more than a sum of Rs.5 Lakhs (Rs.5,00,000) was spent on the Library and Auditorium during 1947-48.

(P.T.O.)

Copy of letter dated 8th Sep. 1949 of the Principal, Loyola College, Madras, to the Director of Public Instruction, Madras.

Ref:- Memorandum No.56638-G2/49-3 Edn., dated 5-9-49 Government of Madras, Education and Public Health Department.

Same as p17 ante

Having received a copy of this Memorandum I beg to be permitted to supply the information therein asked for immediately.

1. As regards the first point we have been assured that the entire amount has been debited to the Central Government under 1947-48. I believe that this point may be easily confirmed by a reference to the Accountant-General. Let me add that the additional expenditure incurred for which a grant is now claimed, was also incurred in the course of 1947-48 and final payments made to the Contractor even before the last grant was paid to us.

2. The excess claimed now with reference to different buildings is as follows:-

	Amount Sanctioned	Surplus applied for.
On the Library and Auditorium	Rs. 5,11,800	Rs. 1,27,950
On the Chemistry	Rs. 3,74810	Rs. 93,702
On the Cellar	Rs. 10,992	Rs. 2,748
Engineer's Supervision charges	..	Rs. 60,920
		Rs. 2,85,320

The grand total comes to an excess of Rs.2,85,320 on the basis of the sanctioned estimates and 25% enhanced rate. But actually the Cellar cost us Rs.16,593 and not Rs.13,740 as above. Hence the grand total paid to the Contractor and to the Engineer comes to Rs.11,88,293.

I request that this answer may be transmitted to the Government as early as possible.

I have the honour to etc.

GOVERNMENT OF MADRAS.
EDUCATION AND PUBLIC HEALTH DEPARTMENT.
Letter Ref. No. 56638 G2/49-7, Edn.

From
J.M. Lobo Prabhu, Esq., I.C.S.,
Secretary to Government.

To
Dr. Gyan Chand,
Economic and Statistical Co-ordination Sectio
Cabinet Secretariat,
Government of India,
New Delhi.

Dated, Fort St. George, the 28th November 1949.

Sir,

Sub: GRANT - Buildings - Loyola College, Madras - Construction of the Chemistry laboratory and the auditorium and library hall - Application for additional grant.

I am directed to state that the following schemes relating to the Loyola College, Madras, were approved by the Government of Madras as being eligible for aid from the Government:-

Name of scheme.	Estimated cost in lakhs.	Grant in lakhs.
	Rs.	Rs.
(1) Construction of a Chemistry laboratory	4	2
(2) Construction of an auditorium and library hall.	5	2.5
(3) Purchase of equipment for the Chemistry laboratory.	2.41	1.205

Item No. (1) above was included in the Madras Government Development Programme for 1947-48 and was approved by the Government of India for purposes of grant from the Central Fund. The grant admissible for the scheme, viz., Rs. 2 lakhs was disbursed in 1946-47 and 1947-48, and debited to the Central Fund. Subsequently, items (2) and (3) were treated as being related to item (1) and all three were deemed to be parts of a composite scheme. In this view, the Government of India, in the Ministry of Finance, accorded approval for the three schemes. Attention is solicited to the letter from the Ministry of Finance No. F.1(10)-P-II/47 dated 24th December 1948. In pursuance of that approval, grants for items (2) and (3) were disbursed to the management in 1948-49, and adjusted in full against the Government of India in accordance with the principle governing the Central grants for Post War Development Schemes in 1947-48.

2. It has now been brought to the notice of this Government that on account of certain inevitable alterations and additions made in the original estimates relating to the construction of the Chemistry Laboratory, the Auditorium and the Library Hall (i.e. items (1) and (2) in the statement above), and owing to the increased expenditure on the cost of materials and labour, the management of the Loyola College had to incur an additional expenditure of Rs. 2,88,000/- over and above the original estimate of Rs. 9 lakhs on the building works. The management of

the College has now applied for a grant of Rs. 1,44,000/- to cover one half of the additional expenditure which they have actually incurred in respect of those two schemes.

3. After a scrutiny by the Public Works Department, Madras, of the revised estimates for the above two schemes, only an additional expenditure of Rs. 2.27 lakhs (Rs. 0.99 lakh on the chemistry laboratory and Rs. 1.28 lakhs on the auditorium and library hall) can be admitted in respect of the additions and alterations in the construction, which have subsequently been rendered necessary. This Government consider that the Schemes having been included in the Post War Development Programme for 1947-48 and having already been admitted to aid, as such, from the Central Fund, the additional expenditure of Rs. 2.27 lakhs on the additions and alterations may also be approved by the Government of India and that the payment of a half of that expenditure, viz., Rs. 1.135 lakhs, which will be the balance in respect of the schemes, may be authorised for payment from the Central Fund.

4. I am to ask that the decision of the Government of India in the matter may be communicated to this Government as early as possible.

Yours faithfully,

J.M. Lobo Prabhu,

Dear Mr. Lobo Prabhu,

It is understood from the Principal, Loyolla College, Madras that owing to increase in the price of materials the previous estimates for the construction of certain portion of the building for the College had to be modified. The modified estimates have been submitted by the Principal to your Government to be forwarded to the Government of India. This Ministry have not yet received the relevant papers. May, I therefore, request you kindly to forward them, if you have no objection, with comments of your Government.

Yours sincerely,

L. Sethi

GRANT - Building - Loyola College, Madras - Construction of Chemistry laboratory ~~and~~ Auditorium and library hall - Increase - based on revised estimate.

C.No.56638/49. P1cf From the Principal, Loyola College, Madras, dated 22.7.1949.

6181/49. P9cf From the D.P.I. Rc.No.805-F/47 dated 10.8.1949.

--

The following grants were sanctioned by ~~the~~ Govt. to the Loyola College in respect of its building schemes relating to the construction of (1) Laboratory for the B.Sc.(Honours) courses in Chemistry and (2) Auditorium and library hall:--

P11 cf of GO 645 Edn 1/4/46 (P)

	Estimated cost of the scheme.	Amount of half-grant sanctioned by Govt.
	Rs.	Rs.
Chemistry laboratory.	4,00,000	2,00,000
Auditorium & library-hall.	5,00,000	2,50,000
Total	9,00,000	4,50,000

pages 19, 43-44 and 45-47 of (A)

The above two schemes were treated as Post-War Development (1947-48) Schemes and ~~therefore~~ received financial assistance from the Govt. of India. The entire amount of ~~half-grant~~ grant mentioned above has been drawn by the management.

P1cf 2. Now the Principal of the College has applied for the payment of ~~enhancement of the above~~ grants for these schemes. He states that ~~the~~ on account of the rise in price of materials and the cost of labour and certain inevitable modifications and additions in constructions, the total cost of the buildings has come to Rs.11,88,643/- (PP1+3 cf) and that out of this amount, a sum of Rs.11,27,543/- has been paid to the contractor and Rs.60,290/- paid as supervision charges to the contractor. (P3 cf) He therefore requests that ~~a~~ an additional half-grant of Rs.1,44,000/- may ~~be~~ now be sanctioned to meet the increase in cost viz. Rs.2,88,000/- (Rs.11,88,000/- minus Rs.9 lakhs). He states that as the above two building schemes were included in the Post-War Development Plan of the Govt. of India, they may be recommended to the Central Govt. for the additional grant now applied for. (P1cf)

PP7-8cf 3. The D.P.I. who was consulted in the matter has forwarded a copy of the report of the Joint Consulting Architect (P11cf)

to

to Govt. in the matter. ~~He~~ The DPI states that the revised estimate now submitted by the Loyola college ~~for the above works~~ includes a sum of Rs. 16,593/- representing the cost of constructing an underground cellar which was not ~~originally~~ included in original estimate, ~~approved~~ but which is all the same necessary. He requests the Govt. to condone the irregularity of the management in this respect, and include ~~this amount~~ the grant for this item also in the additional grant now sought by the management. The Joint Consulting Architect states that the revised estimate may be accepted and that the cellar has been constructed by the management in the most economical manner.

P3 of

p9 of

The recommendation of the D.P.I that a grant may be allowed on this item, may be accepted.

17-8-49

4.Recently, ~~Govt. have turned down the request of the management of Lady Sivaswami Iyer's Girl High School, Mylapore,~~ the DPI ~~applied for~~ recommended the ~~for additional grant~~ enhancement of grant sanctioned for the acquisition of site and construction of buildings for the Lady Sivaswami Iyer High School, Mylapore, from Rs 1-25 lakhs to Rs 1-74 lakhs ~~on the ground that the estimated cost of the scheme has~~ since risen ~~to the~~ ~~due~~ due the increase in cost of materials etc. The ~~question~~ proposal was considered and at last in view of the present policy of Govt. to restrict the ~~maximum~~ grant payable for schools and colleges ~~in respect of building schemes~~ (viz. Rs.30,000/- for high schools and Rs.50,000/- and Rs,75,000/- respectively for II and I Grade Arts Colleges), the request of the management of the above High School was turned down. As the schemes ~~relating~~ to the construction of chemistry laboratory and the auditorium and library hall in the Loyola College are post-war development schemes which have received financial assistance from the Centre, ~~and~~ it is for orders whether the recommendation of the D.P.I. may be accepted and the Govt.of India addressed for sanctioning the increase of grant applied for by the management of the Loyola College. ~~The file may be sent Development (P.& D.) and Finance mayxxx for remarks prior to circulation.~~

Items 1 & 3 of the stat. PP45-47 of of (A)

2

Item 3 -do-

X

PP13-14 of of (U)

'A' on page 2 ante: The entire grant of Rs. 4.5 lakhs for the two building schemes of the Loyola College has been met by the Central Government. In addition they have given a grant of Rs 1.205 lakhs as equipment grant for the B.Sc.(Honours in Chemistry) course newly introduced in the College. The request of the management for the enhancement of the building grant by Rs. 1.44 lakhs may, in the circumstances explained, be recommended to the Govt. of India.

If however the Govt. of India do not agree, it is doubtful whether this Govt. will be in a position to sanction any building grant for this institution in view of the financial stringency. If an exception is made in favour of the College by this Govt., it is possible that the decision in G.O.No. 604, Education, dated 5-3-49 not to sanction any increase of building grant to the Lady Sivaswami Ayyar's Girls' High School, Mylapore, may have to be reconsidered.

Development(P.& D.) and Finance may see the case for remarks prior to circulation.

p 1 above

The file deals with the question of payment of enhanced grant to the Loyola College for two building schmes, viz.

(i) the Chemistry Laboratory; and

(ii) the Auditorium and Library ~~xxxxxx~~ Hall.

The building scheme relating to the Chemistry Laboratory was treated as a Post-war scheme and a grant of Rs 2 lakhs was sanctioned by the Govt. based on the estimated cost of Rs 4 lakhs and adjusted in the accounts of 1946-7 (Rs 1.50 lakhs) and 1947-8 (Rs 0.50 lakhs).

para 2 on p 24 N.F. of Govt (A)

---

(32)

The expenditure of Rs 2 lakhs was met in full from the grant sanctioned by the Govt. of India for post-war Dev. schemes with reference to their orders in force up to the end of 1947-48.

pp 43-44 C.F. of (A)

Subsequently, this Govt. agreed that (i) the ~~the entire scheme of~~ buildings for ~~the~~ the Chemistry Laboratory, ~~and~~ (ii) the Auditorium and the Library Hall and (iii) ~~another relating to the~~ purchase of equipment for the Chemistry Honours course introduced in the Loyola College might be treated as a single composite scheme included in the post-war Development Programme for 1947-8 subject to the usual condition. ~~and~~ In Dec. 1948 they addressed the Central Govt. for financial assistance from the Central Post-war Grant. The Govt. of India approved the c~~onstruction of the three building schemes as forming part of~~ three items being regarded as a single composite scheme and sanctioned financial assistance from the Central Grant ~~in full reimbursement of the~~ towards expenditure incurred in 1947-8.

p 49 CF of A

2. The position in regard to the three schemes at the time the Govt of India's approval was received was as follows:-

p.45 CF of (A)

Description of the scheme.	Total estimated cost Rs. lakhs.	Half grant (Maximum-grant admissible) Rs.lakhs.	Amount of grant already sanctioned ~~Rs.lakhs.~~ by the Provincial Govt.	Balance Rs.lakhs. payable on half grant basis.
(1)	(2)	(3)	(4)	(5)
1. Construction of an auditorium and library.	5.00	2.50	.50	2.00
2. Equipment for the chemistry laboratory (for the B.Sc. (Hons) course.	2.41	1.205	(This was sanctd in 1948-49. The intention was to give a further .75 lakhs in 1949-50) .50	.705
3. Construction of buildings for the Chemistry laboratory.	4.00	2.00	2.00 (This was already disbursed and debited in full to [illegible])	nil

(On receipt of the Govt. of India's approval) The Loyola College was authorised to draw the balance of the grant admissible on a half grant ~~basis~~ basis subject to the

the excess expenditure as was incurred before 1948-9. The grant in respect of the remaining portion (i.e., the portion incurred in 1948-9 and 1949-50) will evidently have to be shared by both the Central Government and the Provincial Government on 50 : 50 basis. Even if the Govt. of India agree to 'A' above, they may reckon the amount for purpose of the maximum block grant (Rs. 3.50 crores) which they have allotted to this Province for expenditure incurred in 1949-50 on Post-war Development schemes. If they do so, it would encroach on the amount available for the other development schemes in 1949-50. It is thus clear that the present proposal will affect the Provincial revenues.

A

We are not likely to get 3.50 crores, but something less.

B

3.9.49

3. Before the matter is further considered, E & P.H. may ascertain--

(i) whether the entire sum of Rs. 4.50 lakhs was in fact debited to the Central funds or whether any portion of it remained debited to the Provincial revenues, and if so, what amount;

(ii) to what years, the excess expenditure of Rs. 2.88 lakhs now reported relate and how it is distributed between (1) the Chemistry Laboratory, and (2) the auditorium and Library Hall.

From the D.P.I.R.C.No.387-D2/49 dated 23-10-1949. pp27-28 cf

Regarding paragraph 3(i) of the Finance Deptt.note on p.8 ante.

It is seen from the A.G.'s letter on p.23 c.f. that the following grants already made to the Loyola College for purposes specified below have been adjusted in full against the Govt.of India:--

p24 cf

Construction of buildings for the Chemistry laboratory	- Rs. 2 lakhs.	1946-47 & 1947-48.
Construction of an Auditorium and Library Hall.	- Rs. 2.5 lakhs.	March 1949.

The above schemes were approved by the Govt.of India and treated as part of a composite scheme and as the schemes related to the year 1947-48, the grant has been debited in full to the Central block grant. No portion of the grants will thus be debited to the Provincial revenues.

Regarding paragraph 3 (ii) of the Finance note on p.8 ante

It is seen from the D.P.I.'s letter on p.27 c.f. that the institution had already incurred an expenditure of over Rs. 5 lakhs on the Auditorium during 1947-48 - vide copy of certificate furnished by the contractor in charge of the work. As regards the excess expenditure of Rs. 2.88 lakhs, according to the estimates of the Principal of the College, Rs. 1.62 lakhs relate to the Auditorium and library and Rs.1.26 lakhs to the laboratory. The Joint Consulting Architect has however acceptd an excess expenditure of - - Rs. 2,27,543/- only which is apportioned as follows:--

R on P.27cf

P27cf +

P27cf

P27cf

P27cf

Rs. 1.28 lakhs for the Auditorium and library, and

Rs. 0.99 lakh for the laboratory.

—do—

The D.P.I. observes that the Correspondent's letter shows that the entire additional expenditure on the buildings for which an additional grant is now claimed by the management was incurred in the course of 1947-48 only. E.& P.H. may suggest that in the circumstances, an additional expenditure of Rs. 2.27 lakhs (approved by the Joint Consulting Architect) may be accepted for the purpose of additional grant, ~~that is Rs. 1.135 lakh~~ that a half grant on this amount, that is Rs. 1.135 lakhs, may be sanctioned and the Govt. of India addressed for the reimbursement of this additional grant in full, according to the principle governing the payment of grants from the Central Fund in 1947-48.

Finance Exp A.

E & PH (G2)
Memo No. 56638 G2/49-Edn
28/10/49.

(Previous Finance note on pp 4-8 above)

The file deals with the question of payment of enhanced grant to the Loyola College for two building schemes, viz.(i) the Chemistry Laboratory and (ii) Auditorium and the Library Hall. The following points were raised by this department in this connection:-

(i) whether the entire sum of Rs.4.5 lakhs was debited to the Central funds, or whether any portion of it remained debited to the Provincial fund, and if so, what that amount was;

(ii) to what years, the excess expenditure of Rs.2.88 lakhs now reported relate and how it is distributed between (1) the Cehmistry Laboratory and (2) the Auditorium and the Library Hall.

'K' on p 8 ante

2. With reference to the 1st point, it is seen from the A.G.'s letter on pp.23-24 c.f. that the entire expenditure of Rs.4.5 lakhs was adjusted against the Central Govt.'s ~~funds~~ Block grant for P.W. Schemes. Regarding point (ii) in para 1 above, it is seen from para 1 on page 17 c.f. that the excess expenditure also relates to the year 1947-48. ~~However,~~ The Joint Consulting Architect, after examining the papers, has approved excess expenditure to the extent of Rs.2,27,543/- only excluding the supervision charges, against the excess expenditure of Rs.2.88 lakhs ~~claimed~~ reported by the correspondent of the Institution. The D.P.I ~~amount~~ has ~~been~~ allocated ~~as~~ Rs.1.28 lakhs for Auditorium and Library, and Rs.0.99 lakhs for the Laboratory, accepting the Architect's figures. E.& P.H. propose that the addl. expenditure of Rs.2.27 lakhs, approved by the Joint Consulting Architect, may be accepted for the purpose of additional grant, that a half grant of Rs.1.135 lakhs may be sanctioned and that the Govt.of India may be addressed for the re-imbursement of this additional grant in full, in accordance with the principle governing the payment of Central Grants in 1947-48.

Dev. P&D

(Previous notes of this Dept. at p. 4 ante).

The Govt of India's Lr on p. 39 C.F. and notes of E&P.H. and Fin from p. 15 ante may be perused. According to the reports received from the Heads of Departments, the total expenditure actually incurred ~~upto~~ during the 6 months ending 30.9.49 on Postwar Schemes eligible for central grants was Rs 184 lakhs. For the remaining part of the year, the Heads of Departments have estimated an expenditure of Rs 468 lakhs. But actually the expenditure is likely to be considerably below this estimate. Judging from the progress made during the first half year, the expenditure during the second half-year may perhaps be in the neighbourhood of about 220 lakhs. In addition to this, the Govt of India have since approved certain new schemes which are already in progress.
