Sir,

The memorialists beg leave to submit to your honourable self, a matter of very urgent importance regarding the Sri Neelakanta Central Sanskrit College, Pattambi, and they pray that our benign Government may be graciously pleased to devote its immediate attention to this matter. The College after the demise of its venerable founder, Panditha Raja Sri Punnasseri Nambi Neelakanta Sarma, has been having an extremely precarious existence and it is now very seriously threatened by the miserable economic position in which it is placed. During the time of the Founder and even after his demise in 1935 the charitable disposition of the public, the care and sympathy of the members of the Managing Committee and the enormous sacrifices of the staff alone prevented the total annihilation of this sixty year old College. Just now the conditions are coming to a breaking point and unless the Government steps in and takes up the outright management of this college, the Memorialists feel that our Province shall lose for all times a really useful institution which has done a lot for the promotion of its linguistic culture. In this connection the Memorialists are anxious to bring to the notice of the Hon. Minister that the college occupies a peculiar position sufficiently warranting direct management by the Government. Most of the other Sanskrit Colleges of the Province have advantages peculiar to themselves so that even without the Government assuming their management, they could go on well. The Chidambaram Sanskrit College is financed by the Annamalai University; The Sanskrit College at Madura by the Rameswaram Devasthanam, The Sanskrit College at Tirupathy, by the Thirupathy Devasthanam, The Mylapore Sanskrit College by a huge trust and by the patronage of the leading citizens of Madras. Unfortunately for Malabar the Pattambi Sanskrit College is not in a position to count upon any such patronage. Therefore the signatories feel that they should make this last minute appeal to the Government to rescue the college before it is too late.

In view of the fact that Hindi is accepted as the national language of our country and because also of the fact that sanskrit is the very root of Malayalam the regional language of Malabar, which expects in the near future to be a province, it is only in the fitness of things that you Sir, have come to take a keen interest in the cause of Sanskrit education as you have amply indicated in many lectures, particularly after you assumed charge of the Education portfolio.

Sir, you have even in the past associated yourself with the many attempts of the college authorities to get it a permanent lease of life. We respectfully remind you that in an appeal presented in 1947 to the then Hon. Minister for Edu-

cation, you were one of the signatories who requested that the Government should take up the college under its direct management. The Memorialists beg to bring to your attention that on three occasions in the past, attempts were made by means of memorials and memorandum to get the Government take up this hoary-headed institution under its direct control.

The memorialists do hope that atleast on this occasion, the overdue benefit would be conferred on us by the Government giving a permanent basis to the Pattambi Sanskrit College so that it may for all time remember that the land of Sankara, of Mepathur, of Thunchath Ezhuthachan got its own son to redeem its past glory.

May the prosterity of Kerala and all the lovers of Sanskrit learning of all places be compelled to put themselves under a deep debt of gratitude to you, for what you can legitimately do for your motherland.

Yours faithfully,

To The Inspector of Oriental Schools, Madras.

Sir,

I, on behalf of the Managing Committee of the Sri Neelakandha Sanskrit College, Pattambi, beg leave to bring the following for your kind consideration and favorable action:-

2 The above College has been in existence for the last 60 years. After the demise of its venerable founder, Panditha Raja Sri Punmasseri Neelakandha Sarma the College has been having an extremely precarious existence and the enormous sacrifice of the staff and the strenuous efforts of the Managing Committee alone prevented its total annihilation. Though there exists no free boarding house attached to the College and no financial aid is given to pupils by way of stipends or scholarships, students from various parts come to the College to prosecute their studies at their own expense. The present economic position is so very unsatisfactory that the people of Malabar have begun to fear that they would be losing the oldest and the only one equipped College for Oriental learning in Malabar.

3 In this connection I beg to bring to your kind notice that repeated memorials and memoranda were submitted to the Government for taking up the management of the College by Government and giving a permanent basis to it in order to redeem the past glory of Kerala.

4 The copies of the memorials and memoranda submitted since 1937 are submitted herewith together with the copy of the request made to the Director of Public Instruction in 1947 and copy of the recommendation of the Zamorin Rajah for an annual grant of Rs. 1000.

Rs 2000 from the Guruvayur Devaswom Funds.

Under the circumstances i request that you will be graciously pleased to do the needful for the management of of the College being taken up by the Government.

Yours faithfully,

RESUBMITTED.

2. The question of transfer of management to Government was examined in 1947 and Government decided to comply with the request of the committee even then - Vide Government Memorandum No.13425/47-B1/2 Education dated 27th May 1947. The reasons against the proposal mentioned in this office endorsement Rc.No. 282-K/47 dated 4-5-1947 hold good even now.

3. The cost of maintaining the college is at present met from the contribution by the management viz. Saraswatodyodi Samajam and the Government grant. The Samajam has been contributing more than half the cost. The full Financial position of the Samajam has not been stated. There is no information about the reasons for the anticipated decline in the contribution of the management. If it is found that the management for valid reasons is unable to maintain the contribution at this level, Government may agree to sanction grant at $\frac{2}{3}$ of the net cost as a special case in view of the long history of the institution.

4. A statement showing the financial position of the college for the past three years is enclosed.

5. Government may also persuade the Hindu Religious Endowment Board not to object to contributions by the Devasans, towards the maintenance of the college.

A memorandum was placed before the Hon'ble Minister of Education on 19-9-'49. requesting among other things, early action for taking over the above Institution by the Government. The day of our liberation which has come to us as the result of untold sacrifices under the guidance of our reverend Mahatmaji will be marking also the revival of the ancient Indian Culture and the language of Sanskrit and it would be in the fitness of things if on the day of the inauguration of the Indian Republic the Government declare as a token of remembrance to take over the Sri Nilakanta Sanskrit College under its direct control.

[From the D.P.I. ROC No. 1516-K4/49 dated 10.12.49.]

The Memorial submitted by the Management of Veelakanta Sanskrit College and the public of Malabar (pages 1-2 of), which Mr. wants to be examined requests Govt. that in view of the precarious conditions under which the present management has been running the institution for some time, the institution may be taken over by the Govt. and be run by them. The Memorialists make a special appeal to Mr. to help the institution in this direction -

The D.P.I. who was consulted on the prayer of the Memorialists has stated the

The question of taking over the institution under Govt. management was considered by Govt. in 1947 and was decided in the negative. The Director points out that the Memorial does not give the reasons for the decline in the management's contribution and suggests that if the management for valid reasons is unable to run the institution with the present contribution of the Samajam, the Govt. may agree to sanction a two-thirds grant (instead of the present grant of one-half of the net cost) to the institution as a special case -

para 2 on p 117

para 3 on p 117

The ~~the~~ reduction in the contribution of the Samajam is apparently due to the general apathy of the public. No special enquiry seems to be necessary in this regard. It is for consideration whether, as in the case of the Andhra Yuvathi Samskrita Kalasala, a grant of two thirds of the net cost of maintenance may be agreed to for this institution at Pattambi as a special case - If agreed to, the increased grant may be from the current year so that the grant be

perhaps stated that if the manage-
ment for valid reasons is unable to
run the school, the Govt may agree to
give a 2/3rd grant.

Notes from page 1 ante may
be perused -

This for consideration in the
circumstances of the case whether
the Govt. may, as a special case
agree to pay two-thirds of the
net cost of maintenance, instead
of the usual grant of one-half of it,
as grant to the Neelakanta
Sanskrit College, Pattambi, Malabar.

This also for consideration
whether the memorialists may
be informed that the Govt.
would not take over the manage-
ment of the institution.
