Handwritten notes in Tamil script at the bottom of the left page.

Copy of Letter Rc.No.15-B1/50 dated 18-1-1950 of the Principal, College of Engineering, Guindy, Madras 15, to the Director of Public Instruction, Madras.

Sub: Affiliation of a new Engineering College - Appointed me a member of a special committee - University of Madras - Permission - Sought for

As I am being appointed as a member of a Special Committee constituted by the Syndicate in connection with affiliation of a new Engineering College to the University of Madras, I request that permission may kindly be accorded to serve in the committee. A copy of the letter No.A.139 dated 11-1-1950 received in this connection from the Registrar, University of Madras is herewith submitted for favour of perusal. Besides, I wish to mention that the work is honorary and carries no remuneration. It is also not prejudicial to the discharge of my routine official duties.

Copy of Letter dated 11-1-1950 of the Registrar University of Madras to Lt.Co.S.Paul, B.E., Principal, College of Engineering, Guindy, Madras.15

Sub: Affiliation of a new Engineering College.

I have the honour to inform you that the Syndicate which considered an application received for the affiliation of an Engineering College in the B.E. Degree course and/or B.Sc. Tech Textile Technology, feels that in a highly specialised professional course like Engineering, it is of the utmost importance that conditions for the satisfactory training of the candidates and for well equipped laboratories should be fulfilled and that there should be an endowment sufficient to warrant the expenditure that will be expected of an Engineering College.

With a view to elucidate these points further the Syndicate has appointed you as member of a special committee to go into the whole question and to state what the minimum requirements would be for an Engineering College for recognition by this University under the following heads:-

1. Accommodation. 2 staff. number, status and grade Salary.
 2. Laboratories and workshops - Equipment, recurring and non-recurring
 4. Endowment needed for recurring expenditure taking into consideration the fee income that may be expected by the management.
- Details with regard to each of the courses Civil Engineering, Mechanical Engineering, Electrical Engineering or any of the other courses, may be worked out under each of these headings.

Each member of the committee (from outside Madras) will be paid single first class Railway fare to and fro or single Air passage each way (if journeys are made by air) and halting allowance of Rs.10/- for each day of the meeting.

I have therefore to request you to let me know whether you accept the appointment. The meeting may be held about the end of the next month (on monday, the 20th February 1950).

The favour of an immediate reply is requested.

* MsS. Thacker, Ag. Director, Indian Institute of Science, Malleswaram, Bangalore. 2. D.L.Deshpande, Esq., Principal, Central Institute for training Instructors, Koni, Bilaspur, C.P.3.Lt.Col.S.Paul,B.E., Principal, College of Engineering, Guindy, Madras.
