No.B.9.2006/50. Dated: 20/1/50.

SECRET

24 JAN 1950

Sub: Clothing - Issue of Waterproof capes instead of waterproof coats - Sanction - Requested -

Generally waterproof coats are supplied to menials working in hill tracts and waterproof capes are supplied to cycle peons, residential peons of some heads of departments and Secretaries to Government. The period of wear fixed is 3 years.

There is a stock of 167 water proof capes in this office at present. It may be noticed from the statement given below that the above stock will last for about another 2 years.

Issues during	water proof capes	water proof coats
1946-47	94	32
" " 1947-48	28	7
" " 1948-49	37	21
" " 1949 alone	81	83

As there is no facility for the proper storing of such costly articles the stores being full of white ants the present stock of capes is likely to deteriorate if it is not exhausted as early as possible. It is therefore proposed to supply waterproof capes in place of waterproof coats to the indenting Officers till the present stock of the capes is exhausted. I am not therefore arranging to purchase any waterproof coats for 1950-51. There is no stock of these coats at present.

In the above circumstances, I request that Government may be pleased to approve the above proposal.
