From

The Director of Public Instruction,

To

The Secretary to Government,
Education and Public Health Department.

Sir,

Subject: Elementary Education - Aided Schools - Maintenance of T.S. Registers for Teachers - Exemption in respect of schools under Railway management.

62221

In submitting herewith a copy of the letter J.No.5-133 dated 19-1-49 of the Assistant Engineer, Railways, Jalarpet, I have the honour to submit the following remarks:-

The Elementary Schools run by the Railway management continue to be even at present recognised and aided as aided elementary schools following the tradition of such recognition and aid when the railways were company owned. Though these schools are considered as aided elementary schools the management is a public body being the Central Government having its own regulations in all matters affecting conditions of service, leave privileges and time scales of pay for their servants. As the intention of Government in introducing the T.S.Rs. for aided school teachers was to secure satisfactory conditions of service and tenure of employment for the teachers and as this object is fulfilled in these Railway Schools, it is recommended that the Railway Schools may be exempted as a special case from the obligations imposed in Rule 13 of the Rules for recognition to elementary schools. A specimen form of the Service Register now maintained by the Railway Schools is herewith enclosed for reference. Necessary amendments to the Rules will be proposed after Government approve the proposal.

Yours faithfully,

J. O. Pantanabhishe

Copy of letter J.5-133 dated 19-1-49 from the Assistant Engineer's Office, Jalarpet - Maintenance of Service Registers prescribed by Edl. Department.

I am given to understand that the service registers mentioned above are required to be maintained in schools under private managements to avoid any breach in agreed service conditions between the managements and teachers working thereunder.

Till 1-4-44 in as much as this railway and consequently this schools were managed by private company M. S. & M. Railway Ltd. this school was classified as a private aided school. On and from 1-4-44 when the railway was taken over by the state, this school has become a government institution under the control of the Govt. of India (Ministry of Railways) Railway Board.

As per the state railway rules in force regular service sheets are maintained as per sample enclosed herewith for your kind perusal and return. It is felt that the necessity for the maintenance of an additional service register as required by the Provincial Government educational department for private aided schools no longer exists. It is also hoped that the additional clerical labour involved in maintaining two registers with the same object in view can be avoided.

Hence I shall be glad if you can kindly communicate your approval to the discontinuance of the service register required by the Provincial Government.
