Sir,

Sub:- Selection of Headmasters into the panel in District Board Service - injustice done to P.Pardhasaradhi in selecting S.Kristnayya overlooking the former's claims.

I beg to represent that I am a B.Ed. Assistant working in Kistna District Board Secondary Schools with a ripe experience of over 12 yrs. as L.T. Assistant. I belong to the backward Kalavantulu community. My service records show that I am a sincere and painstaking teacher. My age is 42.

In the panel of Headmasters recently issued as though to represent my community Sri. S.Kristnayya, a junior L.T. Assistant, who had been on leave on loss of pay for the last five or six years and who had joined duty after the summer vacation of 1948, is selected. His service as L.T. Assistant or Headmaster of Middle School in Kistna District Board (setting aside his leave period on loss of pay) is less than mine and for the last five years he had undergone no inspection as he was on leave. Further he served only for a very short period as High School Assistant whereas my service as a High School Assistant is more than 11 years. The inspecting Officers were pleased to remark well ever since my joining service, about my conscientious duties as an L.T. Assistant and Headmaster of a Middle School. Should it then be, that the authorities should ignore my claims and merits while selecting Headmasters for the panel and do harm to me by selecting Sri. S. Kristnayya of my community alone who is decidedly inferior to me in merits and who is my junior.

I, therefore, request that the authorities may be pleased to call for the personal files and service records of myself and Sri S.Kristnayya who has already started probation as Headmaster of a High School, to judge our merits and services justly and issue orders redressing my grievances by alloting for me a place in the panel of Headmasters, higher in rank than that of Sri S.Kristnayya and considering me as having acted as Headmaster ever since the date on which Sri S.Kristnayya took charge as Headmaster.

Sir,

The appeal petition of G.Seshayya, B.A.,L.T., Senior Assistant, Board High School, Kaikalur respectfully showeth:

(1) That the action of the Divisional Inspector of Schools, Rajahmundry in not including the name of the appellant in the panel of Assistant Masters for appointment as Headmaster prepared by him in the month of May, 1948 is quite unjust and opposed to all cases of justice, equity and fairplay.

(2) That the appellant had put in more than 21 years of unblemished permanent service as an L.T. Assistant under the Krishna District Board and that his claims for inclusion of his name in the panel were unjustly over-looked and that his juniors were included in the panel in utter disregard of the principles enunciated for the preparation of the panel.

(3) That 5 of the juniors (1). Sri B.Narayanarao, B.A.,BED., (2) Sri S.T.Rangachary, B.A.,B.Ed., (3) Sri S.Krishnayya,B.A.,B.Ed. and (4) Sri A.Balaramamurty , B.A.,B.Ed., and (5) Sri M.Suryanarayana, B.A.,L.T., were included in the panel and allowed to their probation as Headmasters of High Schools, without any regard for the seniority of the appellant in service or pay or for merit.

(4) In this connection the appellant begs to humbly bring to the kind notice of the authorities that in the previous panel several juniors had been included, namely (1)Messrs.Y.Gopala Krishnayya,B.A.,B.Ed., (2) M.Veerabhadrarao,B.A,B.Ed.,(3)P.Veeraswami,B.A.,B.T., (4) T.V.Subbarao,B.A.,B.T.,(5)P.Subbareddi,B.A., B.Ed.

Sir,

I beg to represent that I am a B.Ed., Assistant working in Kistna District Board Secondary Schools with a ripe experience of over 19 years as a Mathematics Assistant teacher, (service starting from 26-7-1929 in B.Ed.cadre). I am a B.A. with a first class in Mathematics and a B.Ed. I passed the Account test Examination. Honorary Degrees of M.A. and Ph.D. were conferred on me for my Theses on pure Mathematics by the International Delaware University, U.S.A.

My service Record and personal files bear testimony to the fact that I am a sincere and conscientious teacher. My present rank in the seniority list of B.Ed.Assistants is very high and I am in the maximum of the grade. My age is 43.

I have been winning the approbation of several Inspecting Officers for my sincere and able discharge of duties. Sri. D. Ramayya Naidu Garu, the present Divisional Inspector of Schools, Rajahmundry, and the then District Educational Officer, Kistna, was pleased to appreciate in high terms about my proficiency in his Inspection Report of B.H.School, Pamarru where-in I worked as Senior Mathematics Assistant during 1940. I worked as Assistant Examiner in S.S.L.C. Ele.Mathematics and English for 4 times. I am ever loyal to my superiors. My work as a teacher of English and Mathematics of VI form for the last several years has been receiving special commendations form the Headmasters of High Schools in our District Board.

The present panel of Headmasters has been unjustly prepared selecting four of my juniors, Sri.B.Narayanarao, S.T.G.Rangacharyulu, S.Kristnayya and A.Balaramamurty as panel Headmasters. These four persons are by far my juniors in service as assistants, draw lower pays than mine, and possess no merits or service records superior to mine. They have been started as probationary Headmasters from 19-10-'48.

I beg to request that the authorities may be pleased to call in for the personal files of myself and the four juniors, now given lifts, to judge our merits and services dispassionately and issue orders fixing for me a place in the panel of Headmasters just above those of my juniors and considering me as having started probation as Headmaster along with them. The claims of some of my seniors have also been overlooked but as my merits and distinctions far outweigh theirs, the authorities may be pleased to note that I deserve a place in the panel of Headmasters in preference to my seniors also.

Sir,

I beg to represent that I am a B.Ed., Assistant with an experience of over 22 years service starting since July 1926 in Secondary Schools under the Krishna District Board. I am a B.A., in Science and a B.Ed., with special English. I know Telugu well and am the author of several books and articles. I know Hindi and Sanskrit also.

I am one of the seniormost B.Ed., assistents and am in the maximum of the grade. I am now 51 years. old. My service record and personal file, I believe, bear testimony to the fact that I have been all through this long period of service a sincere and conscientious teacher.

The present panel of Headmasters includes four of my juniors namely Sri. B.Narayanarao, Sri S.T.G.Rangachary, Sri S.Kristnayya and Sri A.Balaramamurti. They are by far my juniors both in pay and service and they donot possess any merits or service records superior to mine. So the way of the preparation of the present panel of Headmasters has done me an injustice.

The above said four assistants were started as probationery Headmasters on 19-10-1948.

It is my humble request that the authorities would be pleased to call in for the personal files of not only myself but also those of the above four assisstants who are started as probationery Headmasters to judge our merits and services

and issue orders fixing for me a place in the panel of Headmasters just above those of my juniors and considering me as having started probation as Headmaster along with them.

Sir,

Sub:- Submitting the appeal for inclusion the panel of Head Masters of High Schools under the Kristna-District Board.

3134

I respectfully bring to your sympathetic consideration the following facts for favour of redressal of my grievance.

This year's panel of Head Masters, issued to the Kristna District Board in Oct '48, came as a bolt from the blue in as much as it brushed aside the claims of a number of senior assistants and especially of mine-though being one of the senior-most L.T. assistants working under the District Board. Of the five selected this year, four (Namely:Sri A.Balarama Moorty, Sri S.Krishnayya, Sri S.T.G.Rangacharyulu, and Sri B.Narayanarao) are my juniors both in service and pay. I have all along been discharging my duties to the entire satisfaction of my superiors and according to the best of my knowledge, my record of service has always been quite good. So, I am at a loss to know why my claims have been overlooked. I request you to imagine for a moment the heartburn, discontent, and the feeling of humiliation of a senior, when his claims are ignored for no fault of his.

It is often argued that the senior assistants are over-aged. But I humbly submit that seniority and age go together and that seniors will have to be preferred for responsible posts in public service and especially in the field of education.

So, in kind consideration of the facts aforesaid and my service particulars submitted here-under, I prayfully submit that my inclusion in the panel of Head Masters may kindly be ordered with retrospective effect.

I respectfully bring to your sympathetic consideration the following facts for favour of redressal of my grievance.

This year's panel of Head Masters, issued to the Kristna District Board in Oct '48, came as a bolt from the blue in as much as it brushed aside the claims of a number of senior assistants and especially of mine-though being one of the senior most L.T. assistants working under the District Board. Of the five selected this year, four (Namely:Sri A.Balarama Moorty, Sri S.Krishnayya, Sri S.T.G.Rangacharyulu, and Sri B.Narayanarao) are my juniors both in service and pay. I have all along been discharging my duties to the entire satisfaction of my superiors, and according to the best of my knowledge, my record of service has always been quite good. So, I am at a loss to know why my claims have been overlooked. I request you to imagine for a moment the heartburn, discontent, and the feeling of humiliation of a senior, when his claims are ignored for no fault of his.

It is often argued that the senior assistants are over-aged. But I humbly submit that seniority and age go together and that seniors will have to be preferred for responsible posts in public service and especially in the field of education.

So, in kind consideration of the facts aforesaid and my service particulars submitted here under, I prayfully submit that my inclusion in the panel of Head Masters may kindly be ordered with retrospective effect.

Sub:- Selection of Headmasters- injustice done to N.Satyanarayanamurti, B.Ed., Assistant, Board High School, Pamarru - appeal preferred for redressal.

Sir,

I beg to represent that I am a B.Ed., Assistant with an experience of over 22 years service starting since July 1926 in Secondary Schools under the Krishna District Board. I am a B.A., in Science and a B.Ed., with special English. I know Telugu well and am the author of several books and articles. I know Hindi and Sanskrit also.

I am one of the seniormost B.Ed., assistants and am in the maximum of the grade. I am now 51 years old. My service record and personal file I believe, bear testimony to the fact that I have been all through this long period of service a sincere and conscientious teacher.

The present panel of Headmasters includes four of my juniors namely Sri. B.Narayanarao, Sri S.T.C.Rangachary, Sri S.Kristnayya and Sri A.Balaramamurti. They are by far my juniors both in pay and service and they donot possess any merits or service records superior to mine. So the way of the preparation of the present panel of Headmasters has done me an injustice.

The above said four assistants were started as probationery Headmasters on 19-10-1948.

It is my humble request that the authorities would be pleased to call in for the personal files of not only myself but also those of the above four assistants who are started as probationery Headmasters to judge our merits and services

and issue orders fixing for me a place in the panel of Headmasters just above those of my juniors and considering me as having started probation as Headmaster along with them.

The humble appeal of Sri C.S. prasada Rao, B.A.,B.Ed., a native of Masulipatam, now working in the Bd.High School, Mamarru Krishna District, for a High School Headmaster's place.

Sir,

Reference:-My petition dated 16-1-1949 to the Special Officer, Dt.Bd.Krishna, Chilakalapudi(copy enclosed)

***

I beg to represent that consequent on the appointment of some of my juniors in the B.Ed., cadre as Headmasters of High Schools under the Krishna District Board in the year 1942 and also in the subsequent years, I was obliged to appeal in my petitions dated 14-4-1944 and 26-4-1946 to the Government and His Excellency the Governor against the appointment of Messrs. V.purushottam, D. Subbarao, B.Raghavendrasastri and others for a High School Headmaster's place. The petition and the revision appeal were quashed by the Government in their G.O.Ms.No. 56-Edn., dated 8-1-1946 and G.O.Ms.No. 2124-Edn., dated 8th November 1946.

"The petitioner Sri C.S.prasadaRao is informed that His Excellency the Governor of Madras has directed that his petition cited above should be treated as one presented to Government under the instructions for the submission of petitions to the Government.

2. The petition has been considered accordingly and is rejected.

Having been disheartened with the strange situation, I approached the then Collector and Special Officer, District

Board, Krishna in November 1946 and personally represented my case. The Special Officer appeared to have been impressed with the justice of my case and was pleased immediately to instruct his personal Assistant to put up a note. There was change of officers. For reasons beyond my ken, my aspirations did not materialise.

Later on, more juniors were appointed as Headmaster of High Schools and my legitimate claims were contined to be overlooked in spite of my constant representations and appeals to the District Board.

The District Board in their Roc.No.10981-47-A4, dated 23-6-1947 (copy enclosed) were pleased to earmark certain L.T., or B.Ed., Assistants for appointment as Headmasters of High Schools, and ask for the individual's willingness to accept the appointment. As I expressed my willingness, I was posted as Headmaster, Board Middle School, Gudur, probably for want of vacancy of a High School Headmaster's place. I joined at Gudur as Headmaster of the Middle School in the hope that I would automatically get my chance.

As new High Schools were opened in that year and in 1948, some more of my juniors whose names were not found in the District Board's Roc.No.10981-47-A4, dated 23-6-1947 were appointed Headmasters of High Schools. I was taken by suprise and was compelled to appeal to the District Board in my petition dated 16-1-1949 (copy enclosed) to consider my case with reference to their pledged word, and I was then told that my case would have to be referred to the Government for reconsideration. Meanwhile, there was change in the officers. Reluctantly and with a painful heart, I have to disclose that some allegations were informally made against me by the District Board on 26-8-1949 to which I readily submitted my explanations

with the help of school records to remove the misapprehensions of the authorities concerned. My explanations would bear ample testimony to the outspokeness of my conscience which always aimed at truth, honesty, integrity and equity to the pupils and the teachers associated with me irrespective of caste, creed or race, having borne no hartred.

My superior officers know perfectly well that I have been beyond corruption all the years of my service and on several occasions the Inspecting Officers were pleased to openly profess their good intentions and held out hopes of promotion even as far as from 1939, when I was placed in charge of the High School at Pamarru. Unfortunately, the good intentions did not fructify.

The District Board transferred me from Board Middle School, Gudur at the end of August 1949, after the informal enquiry and I was posted to Board High School, Pamarru in contravention of the provisions of the list dated 23-6-1947 and made further allegations, against me, in their memo Roc. No.G1-12239/49 dated 4-9-1949. "He is therefore called upon to show cause within a week ..... as to why his increment should not be stopped for one year and asto why he should not be debarred from promotion to the post of Headmaster in future..... He shall also state if he desires to be heard in person....."

As it was only a matter of office routine, and no bungling of affairs, in my explanation dated 16-9-1949 I pleaded not guilty and prayed that I might be allowed to establish my innocence in person, if the Special Officer was so pleased.

Till to-day I have not received a call from the District Board for the clarification of the issues, nor is my case

considered favourably.

I bring to your kind notice that uptill now (of which Messrs T.V.Subbarao and P.Subbareddi were said to have been selected on merits of war effort) about 25 of my juniors from 1942 were appointed Headmasters of High Schools.

Stranded by these anomalous circumstances, I am compelled to appeal once again to the Government to consider all the circumstances - my seniority, my services, the good notes of the Inspecting Officers etc., -- and allot me the place (that equity and my deserts may assign) in the series of High School Headmasters, which act of kindness discloses the benevolence and fairness of the Government. (Please vide my petition dated 16-1-49)

At this age of 47 years with a large family of 12 members I am deprived of:- (1) the Headmaster's allowance., (2) the Higher scale of Rs.150-10-200 and (3) the independant charge, and am compelled to labour under my junior in the Rural areas, whereas my juniors are endowed with all the amenities.

I beg to remain,
Sir,

Sub:- Appeal - Secondary Education - Selections for Headmaster's place C.S.Prasada Rao, Assistant Master.

***

Sir,

I beg to represent that in the recent selections made to filling acting Headmaster's appointment in the Krishna Board, Secondary Schools not even one Niyogi Brahmin's name is found. This bars promotion for efficient L.I. Assistants of our sect, for a long time to come. Equity requires consideration of our claims too, so that at least status quo is maintained.

Further, I beg to state that I have so far put in eighteen years of service a s a teacher in recognised secondary schools. I am fully acquainted with the office routine, since I served in the Revenue and Local Audit Departments for about 2 years. All through my service "punctuality, "Regularity", and "Industry", have been my guiding stars. I possess knowledge of Geography, Telugu, Sanskrit and the other subjects of the High School curriculum. As far as my knowledge goes, there is nothing on record against my conduct and character.

Moreover, for the last two or three years I have been taking keen interest in the "war propoganda" through all the means at my disposal. On 28-6-1943 when I had an interview the "Local Committee for Emergency Commissions, Secundrabad," was pleased to give the verdict that I was ~~suited~~ better fitted to be a teacher." A few days back I informed the District Board to deduct a sum of Rs.4/- from my pay every month and ear mark it for "His Excellency the Governor's War Fund." One of my cousin brothers, who is an M.B.B.S. is now on active service in Iraq.

I pray that the Government, taking all these into consideration, may be pleased to give an opportunity to get into the panel on my merits.

I beg to remain,
Sir,

(MP) Enclosure No.II.

To

His Excellency, the Governor of Madras.

Through the President, District Board, Krishna.

Through the Head Master, Board High School, Avanigadda.

Subject:- Revision appeal - for Headmaster's place - Board High Schools, Krishna District Board - by C.S.Prasadarao, B.A., B.Ed., Teacher, Board High School, Avanigadda.

Your Excellency,

I most humbly and respectfully submit that my appeal dated 14-4-1944 (copy enclosed) (Enclosure No.I) was rejected by the Provincial Government in their G.O.No.56-Edn., dated 8th January 1945. Hence the cause for a revision appeal arose.

I submit that the following are further grounds for my present revision appeal:-

(1) I am a B.A., B.Ed., with 19 years' service as a teacher in recognized high schools.

(2) I possess knowledge of office routine as I worked in the Revenue and the Local Audit departments for more than two years.

(3) I took keen and active interest in "war effort propaganda" in the years 1940 to 1945.

(4) I contributed a day's salary every month to His Excellency the Governor's War Fund during the years 1944 and 1945.

(5) I offered myself for active service in the recent war and had an interview with the "Local Committee for emergency Commissions, Secunderabad." on 28-6-1943, in connection with my application for an emergency commission.

(6) In my petition dated 29-9-1942, I requested the Special Officer, District Board, Krishna to buy "Defence certificates" to the value of Rs.100 every year from my provident Fund subscription till victory was won by the Allies, since I thought it was the best method of safeguarding my hearth and home and property, when the enemy was found threatening our safety. But my petition was rejected in his N.Dis.15278-D.B.of 42 dated 6-10-1942.

(7) I subscribed liberally to the raffles organized by the Krishna District War Committee in aid of His Excellency the Governor's War Fund during the years 1940 and 1941.

(8) I was placed in charge of Board High School, Pamarru for about 10 days in the year 1939, by the President, District Board, Krishna in his Roc.No.A-9338-of 1939 dated 31-10-1939.

(9) My scale of pay was reduced from Rs.90-5-125 to Rs. 65-5-100 by G.O.No.4619 L.S.G., dated 20-10-1934, when the scales of pay of teachers in the local bodies were standardized:

(10) I have been drawing a salary of Rs.110/- since 1934.

(11) I have to meet the premia of two Life Insurance policies with the National Indian Life Insurance Company, Calcutta, from out of my provident Fund accumulations in the district Board.

My annual provident Fund subscription at the normal [illegible] premia to be paid is [illegible]

Policies converted into 'paid up-ones' as I felt that I could no longer afford to allow the policies to go Unmandize on my slender provident Fund deposits, as my circle of family was widening. Fortunately for me the Government were pleased to grant my request in their G.O.No.3562-L.S.G., dated 20th September 1937. But for reasons beyond my comprehension, and though either the interests of the District Board or those of the Government were in no way jeopardized, the permission to close the policies was with-drawn after two years in G.O.No.M.S.2 dated 3-1-1939 and the arrear premia were paid by the District Board and the policies kept in force as instructed in the G.O. I then appealed to the Madras Government and to the Chief Minister on 6-2-1939 and 15-3-1939 respectively (copies are enclosed) (Encls II & I wrote to the National Indian Life Insurance Company, Calcutta and in their letter No.O.2224/39 dated 20-4-1939 (copy enclosed)(Encl.IV) they promised to make some arrangement which would find my approval. The hocus-pocus of this letter was written solely to bamboozle me. My Appeal was rejected by the Government in their memorandum No.39 L.S., dated 28-8-1939.

I waited patiently but neither the Government nor the Insurance Company made any satisfactory arrangement. I already informed the Government in my petition D.No.1 dated 6-8-1939 that I might be compelled to seek redress in a Court of law in the matter relating to 'Insurance'. I was obliged to institute a Civil suit - O.S.No.481 of in the District Munsiff's Court at Masulipatam on against the National Indian Life Insurance Company.

To satisfy the legal technicalities, the District Board

***

Sir,

I beg to represent that in the recent selections made to filling acting Headmaster's appointment in the Krishna Board, Secondary Schools not even one Niyogi Brahmin's name is found. This bars promotion for efficient L.T. Assistants of our sect, for a long time to come. Equity requires consideration of our claims too, so that at least status quo is maintained.

Further, I beg to state that I have so far put in eighteen years of service a s a teacher in recognised secondary schools. I am fully acquainted with the office routine, since I served in the Revenue and Local Audit Departments for about 2 years. All through my service "punctuality, "Regularity", and "Industry", have been my guiding stars. I possess knowledge of Geography, Telugu, Sanskrit and the other subjects of the High School curriculum. As far as my knowledge goes, there is nothing on record against my conduct and character.

On 28-6-1943 when I had an interview the "Local Committee for Emergency Commissions, Secundrabad," was pleased to give the verdict that I was ~~ruled~~ better fitted to be a teacher." Petitions from L.T. Asstts. in the Secondary Schools under the Krishna Dt. Bd.

--

Sub: ESTABLISHMENT - Secondary Education - Krishna Dt.Bd. Appointment to posts of - headmasters of high schools Petitions for inclusion of names in the panel.

--

The C.f. contains petitions from certain L.T. Asstts. in serving in the Secondary schools under the Krishna Dt.Bd. against the action of the Divisional Inspr. of Schools in having overlooked their claims in the selection of candidates for appointment of headmasters of high schools. Even though the rules do not provide for any right of appeal as such to these persons, yet it has been decided in other cases that these petitions should be considered by Govt. (the appellate authority in respect of headmasters) on merits. The Assistants who have petitioned are:-

1) Sri M. Venkateswara Rao
2) Sri P. Pardhasaradhi
3) Sri G. Seshayya
4) Sri J.S.R. Somayajulu
5) Sri N. Satyanarayanamurti
6) Sri Ch. Satyanarayanamurti
7) Sri C.S. Prasada Rao.

2. The D.P.I. whose remarks have been obtained on the petitions states that No. 1 has been selected for the panel for 1949-50 and that the remarks of the D.E.O's on the work and conduct of the six other petitioners do not warrant their inclusion in the panel. From the remarks of the D.E.O's. on pages 37 and 39 ~~and pages 47-49 c.f.~~ it is observed that the above opinion of the D.P.I. is correct. It is observed that in once case, item (2) above, (Sri P. Pardhasaradhi) the D.E.O. thinks he can wait. This apparently means that some improvement in his work is called for before he could be thought of. It does not appear that in view of the remarks of the D.E.O's re. the six petitioners (No. 2 to 7) any inter-

interference is called for.

3. H.M.(E.& L.) may see.

28.1.50 — 31-1-50 — S

and others which will follow must be reduced or eliminated by making the procedure for selection as complete as possible - atleast reasons for overlooking seniority should be stated - when we are making rules in this respect

1/2/50

Under rule 2 (2) of the rules on p 2 of G.O.No.3219 Edn. dated 9-12-48, the Inspecting Officers are required to draw up a full minute in support of their recommendations.

It is separately proposed to amend the rule referred to above so as to require Presidents to send to the Divisional Inspector a complete list of Assistants and not merely a list of such Assistants as the Presidents would recommend for promotion as at present; The Director has been consulted on a suggestion to amend the rules so as to include the President, District Board in the personnel of the agency making the panel.

The amendment will be confirmed on receipt of the Dtr's remarks on certain suggestions in regard of the amendment.

This for orders. Whether any other amendment of the Rules will be (considered) necessary -

So far as this file is concerned, the suggestion at ✗ overleaf is for approval.

6.2.50 — 7-2-50 — S

Where is the full minute in support of these recommendations - Does it separately appear why

seniority has been overlooked

8/2

The full minute of the Inspecting Officer will be with the Divisional Inspector - Apparently it follows the lines of the Confidential reports of ~~the~~ EO, extracts from which are on pages 37-39 ante and pages 47-49 ante - As pointed out in para 2 of the note on p1 ante, the Confidential Reports of the persons overlooked are not satisfactory -

8.2.50 — 10-2-50 — S

The rules of the selection of Headmasters are under consideration with the D.P.I. In this connection it is for consideration whether the D.P.I. should not be asked if the provision in the minutes of the Inspecting Officers should not also contain a minute on "why the senior ~~Head~~ Assistant masters have been passed over". This may reduce the number of appeals and in any case will compel precise consideration of each case by the Inspecting Officers. It will also simplify the disposal of such appeals as we may receive.

sub-rule 2 of rule 2 atp.2 of the G.O.at flag'O'.

In respect of the 6 Assistants who have been passed over, though the full minute of the Inspecting Officer is not available, it would appear that their records were responsible for their reduction. The petitions may be rejected also.
