To The Secretary to the Government of Madras,

EDUCATION AND PUBLIC HEALTH Department.

Sir,

M A D R A S.

The Principal, Lady Willingdon Training College, Madras had to get some special forms of attendance registers ruled very urgently for the basic training and model sections of the college by a private local press. She also reports that there was no time to obtain competitive estimates or the views of the Superintendent Government Press Madras before for entrusting the work to a private press.

2. A bill for Rs.15/- received from the private press was sent by the Principal to the Government Press for approval as per rule 231 of the Printing Manual. But the Superintendent Government Press is of opinion that the maximum charge admissible for the work is only Rs.7/- which amount will not be accepted by the private press and they are not prepared to reduce their claim.

3. In the circumstances explained by the Principal I request you to be kind enough to sanction the payment of Rs.15/- to the private press as a special case.

Yours faithfully,

for Director of Public Instruction.
