Moolabai widow of Prabhudoss: (H.S. 1263) As her right hand is not useful, on account of an operation of the palm, she cannot undertake any work. I have discussed about this lady and her son, who is studying in the Christian College High School with free education with the Secretary, Refugee Relief Committee. He has kindly agreed to see that both of them are maintained from the funds of the Committee. I have addressed him separately and the lady is being directed to meet him to receive the allowance and also his further instructions. The free educational facilities already enjoyed by the boy, may be continued. I request that arrangements may kindly be made for this through the Director of Public Instruction.

Extract of A.S's notes.

There is a slight complication. One of the destitute women has a son aged about 13 or 14 studying in the IV Form in the Madras Christian College High School. This boy has to stay here for continuing his studies. Recently we permitted another boy (belonging to a destitute lady who went away to Bombay) to stay on here and requested the E. & P.H. Department to instruct the Director of Public Instruction to grant him scholarship to continue his studies and also monetary help from the Prime Minister's Relief Fund to meet his boarding fees throughout the year etc. This boy's case may also be similarly dealt with, Till such time that arrangements are made for the boy, the S.D.C. may be permitted to give the boy ration allowance as in the case of the three unattached destitute women, that is at the August rate applicable to him. E. & P. H. may see after issue of the drafts.

One of the disabled women has got a boy of about 14 years and it is proposed to make necessary arrangements for his studies here, with the D.P.I. and to meet the cost on that account from the Prime Minister's Relief fund as has been done in another case. Pending such arrangements it is proposed to give the boy ration allowance at August rates as in the case of the other disabled persons.

If a figure is to be embodied, a prior reference to the D.P.I. is thought necessary. It is for consideration whether it will not suffice if the actual expenditure in the present is left to the D.P.I., the latter being asked to sanction such amounts as are strictly necessary. The D.P.I was asked to arrange for the Boarding and lodging of Sri P. Gopal, son of Srimathi Moolabai, a displaced woman from Pakistan, meeting the expenses from the Prime Minister Nehru's Fund, subject to a maximum of Rs 25/- p.m. vide Memo. 93006/Eg2/49-1 Edu d 10.12.49.

p 3-4 / (D)

Now the D.P.I on receipt of a representation to raise the sum of Rs 25/- to Rs 40 p.m., ~~has requested~~ asks whether Rs 40 p.m. as asked for, may be granted to the mother of the boy in question, towards boarding and lodging from 1-12-49.

C ac p1 cf

It is now for consideration whether the proposal of the D.P.I may be approved or a lesser amount than asked for may be sanctioned.

For orders. Pub(Elec) and Fin may see U.O for remarks if any.

p 3 of f. (D)

The amount of Rs 25 a month was suggested by Secretary. It is now reported that this sum is inadequate. The boarding and lodging expenses allowed to refugee students studying in colleges is Rs 540 a year or Rs 45 a month. Sri P. Gopal referred to in this file, is a High School student. The rate of maintenance charges may perhaps be fixed at Rs 35 p.m. from 1-12-49 instead of at Rs 40 p.m.
