GOVERNMENT OF MADRAS

Very urgent

28 NOV 1949

My dear Mr. Menon,

I write to you on an important matter in connection with the Inter-Provincial Board for Anglo-Indian Education of which I am the Chairman.

I am informed that the non-official representative on the Board, nominated by the Madras Government, has resigned. It will, therefore, be necessary to fill his place. In all Provinces the Provincial Government consults the All-India Anglo-Indian Association. I would request you to be kind enough to adopt the same procedure.

Formerly, what was known as 'The Anglo-Indian and Domiciled European Association of Southern India' used to operate in South India; since 1945, however, the position has changed. The All-India Anglo-Indian Association is the only body really representative of the Anglo-Indian Community in South India; we have a membership of 10 to 20 times that of the South India Organisation in South India. The test was made during the last Provincial Elections when Messrs. Fowler and Fernandez, both candidates of the All-India Anglo-Indian Association, beat the candidates of the South India Organisation by an overwhelming majority.

I would request that Mr. G.V. Roge, the Provincial Secretary of the All-India Anglo-Indian Association, be consulted before the Madras Government makes the nomination to fill this vacancy on the Inter-Provincial Board. His address is

Honoured Sir,

I beg to bring the following for your kind and sympathetic consideration and favourable orders.

I understand that the non-official member representing Anglo-Indian Schools of this province on the Inter-Provincial Board for Anglo-Indian education is likely to vacate his seat at the end of the year by efflux of time. May I therefore submit that my claims be considered while filling up the vacancy.

1. Amongst the heads of Anglo-Indian Schools in this presidency I am the senior-most, having put in 15 years' service as the Principal of Christ Church Anglo-Indian High School, Mount Road, Madras.

2. I hold the M.A. and L.T. Degrees of the Madras University.

3. I am a member of the European School Leaving Certificate Board as well as the Provincial Board for Anglo-Indian education.

4. I am the only Indian to be the Head of an Anglo-Indian School in South India. As the vacancy is for a member to represent the Anglo-Indian Schools and not the Anglo-Indian Community on the Inter-provincial Board, I most respectfully submit that my claims be considered.

I beg to remain,
Sir,

My dear Shri Menon,

I hope you have received my letter dated the 22nd November, 1949, requesting you to be good enough to nominate a member of my Community to the Inter-Provincial Board for Anglo-Indian Education from the panel submitted by Mr. G.V. Roge, the Madras Provincial Secretary of the All-India Anglo-Indian Association. I pointed out that the Association is the only really representative organisation of my Community in South India: both the Provincial M.L.As have been elected on the Association ticket. I requested that, in common with the Central Government and all the other Provincial Governments which recognise the Association as the only body representative of the Community, that the candidate, put up by Mr. Roge, be nominated by the Madras Government.

I am informed that in his letter No. E.D.C.44/414 dated the 20th December, 1949, Mr. Roge, in his capacity as Secretary of the Madras Provincial Council of the All-India Anglo-Indian Association, submitted a panel of names, both for the Inter-Provincial and Provincial Boards of Education.

In pursuance of the recommendations, contained in this panel, I would particularly request that Mr. H.O. Fowler, who is a member of the Madras Legislature and is now Principal of

Sir,

Inter Provincial Board for Anglo Indian Education - Nomination of a member to represent Madras State. Your letter to the Hon'ble Minister for Education, No. 9 P.B./50/1, dated 4-2-1950.

I am directed to inform you that the Government of Madras have nominated the Rt. Rev. Monsignor A.F. Theodor as a member of the Inter Provincial Board for Anglo India Education representing this Government for a further period of three years from 1-1-1950 in consideration of his past services in the Board to the cause of Anglo Indian Education and in consideration of the fact that t Government do not wish to have a change in the person of the member especially during the term of 1950-52 when so many adjustments have to be made in the matter of co-ordination of Anglo Indian education consequent on th

reforms and changes in the Constitution Act. It is presumed the Inter Provincial Board is in favour of its appointment re-nomination as it suggests his eligibility in their M.O 638/25-49 25th Nov 1949

As regards the nomination of a member to the Provincial Board for Anglo Indian Education, I am to state that the matter is under the consideration of Government and a decision will be arrived at soon. Mr Fowler's claim will be duly considered

Interprovincial Board for Anglo Indian Education - Appointment of a non-official member for 1950-52.

From Mr. Frank Anthony, Chairman, Interprovincial Board for Anglo-Indian Education, New Delhi, d/22-11-4

Minute of H.M.(E.&L.) on the current.

"Very urgent. What is this".

K.M.M./26-11-49

The Inter Provincial Board for Anglo Indian Education is an All India Body consisting of members from all the provinces controlling the education of Anglo Indians in India. Each province is represented by an official member, the Minister in charge of Education and a non-official nominated by the Provincial Governor in consultation with the Minister for Education and the community concerned in order to represent Anglo Indian schools. At present Madras is represented by the Hon'ble the Minister for Education and by the Rt. Rev. Mgr A.F. Theodore representing the Anglo Indian Schools in this Presidency. The term of membership of the non-official member is three years. Rev. Theodore was appointed to the Board in January 1949 and his term will be expiring at the end of December 1949.

The Secretary to the Inter Provincial Board for Anglo Indian Education, Delhi, has intimated the impending expiry of the membership of Rev. Theodore and has requested this Government to make fresh nomination for the next term of three years beginning from 1st January 1950. He also says that Rev. Theodore is eligible for re-nominati

Mr. Frank Anthony, Chairman of the Inter Provincial Board for Anglo Indian Education, writes to say that he is informed that Rev. Theodore has resigned his membership of the Inter Provincial Board and that it will be necessary to fill the vacancy. There is no information in the

Secretariat about Rev. Theodore having resigned his membership. Even granting that he has not resigned his membership it will fall vacant consequent on his having finished his three year period by the end of December. The question of filling up the vacancy will have to be taken up in any case.

The procedure followed in filling up a non-official vacancy on the Board is to consult the D.P.I. about a suitable person and to appoint him with the approval of H.E. the Governor. Mr. Frank Anthony says that in all provinces the Provincial Governments consult the All India Anglo Indian Association and he requests that the same procedure might be adopted in Madras also. According to rule 1 (b) of the Rules and Procedure of the Inter Provincial Board for Anglo Indian Education, the non-official member is nominated by the Provincial Governor in consultation with the Minister of Education and the community concerned.

If it is a question of consulting the Anglo Indian community, the question arises as to which Association should be consulted in Madras. There are two Anglo Indian Associations in Madras; one is the Anglo Indian and Domiciled European Association of South India of which Mr. E.H.M. Bower is the President and the other is the All India Association with a provincial branch of which Mr. Roge is the Secretary. Mr. Frank Anthony, for the reasons stated by him in his letter at pp. 5-7 c.f. suggests that this Government should consult Mr. Roge the Secretary of the All India Association.

This may be sent u.o. to the D.P.I. with the request that he may suggest a suitable ~~man~~ name for nomination to the Inter-Provincial Board in consultation with the Anglo Indian Associations, if necessary.

Resubmitted.

The Right Rev. Mgr.A.F.Theodore's term of office as a member of the Inter-Provincial Board for Anglo-Indian Education expires on 31st December 1949. He has not resigned his membership of that Board through this office during the period of his absence from India since November this year. In consideration of his past services in the Board to the cause of Anglo-Indian Education I would suggest his renomination for the next term of three years 1950 to 1952, although he may not be available to serve the Board in 1950. He is on tour in Europe for a period of about a year since November this year, and for this reason I do not wish to have a change in the person of the member and especially during this term of 1950 to 1952 when so many adjustments have to be made in the matter of co-ordination of Anglo-Indian Education consequent on the reforms and changes in the Constitution Act. If, however, Government consider that the post cannot be left unrepresented by the member nominated for the full period of 3 years beginning from 1950 and that a fresh

fresh nomination should be made, I would suggest that the names of the undermentioned members of the Madras Provincial Board may be considered in order of preference.

1. Brother Eleazar, M.A. - Nationality - European (French) - Head of the Montfort Boys' High School, Yercaud and a member of the Madras Provincial Boafd since 1946 and for a second term of 3 years from 1949.

2. Mr.H.O.Fowler, B.A.,L.T.,M.L.A., Nationality - Anglo-Indian - Head of the St. John's Vestry High School, Tiruchirappalli and a member of the Madras Provincial Board since 1948 and for a second term of 3 years from 1949.

3. J. Asirvatham, M.A.,L.T. - Indian Christian Head of the Christ Church High School, Mount Road, Madras and a member of the Madras Provincial Boafd since 1949 for the first term of 3 years.

As it is necessary that only one of the existing non-official members of the Provincial Board should serve in the Inter-Provincial Board for purposes of co-ordination etc., I do not consider it necessary that the Anglo-Indian Association should be consulted in the matter and that nomination might be made from one of the existing members of the Provincial Board as stated above.
