Sub: Schools - Secondary - preparation of an approved list of periodicals for use.

Ref: From the D.P.I. Rc.No. 946 P/48 dated 13-6-49. Not put up

The Government consider that even though there are a large number of journals, only a few will be suitable for students in secondary schools and that it should be possible to select and maintain a list of suitable periodicals for use in secondary schools. If after a list is prepared, suggestions are made for addition or removal from the list, it may be done in consultation with the D.E.O's. The Director of Public Instruction is therefore requested to arrange for the preparation of a list of periodicals suitable to be purchased for use in secondary schools.

In the above G.O. the Government have issued instructions that books abusing any religion creating class hatred and books with indecent stories with or without pictures should not be supplied to the Libraries which are aided by Government.

There is a library at Tiruchirapalli by name "THEIR MAJESTIES SILVER JUBILEE LIBRARY, TIRUCHIRAPALLI" maintained by this District Board for which Government grant is being received every year.

I request instructions whether the G.O. is applicable for the purchase of journals, magazines and dailies also since 'Viduthalai' 'Dravidanadu' India are also being subscribed to this Library. Early orders on the subject are requested.

Sir,

Sub: Library - Municipal Jubilee Library and Reading room subscribing to "Dravida Nad~~W~~" and "Kudi Arasu" - sanction - requested.

The Secretary of Nagammal Memorial Baghutharivu Kazhagam forwarded a resolution passed by the Kazlagam requesting the Municipal Council to supply "Dravida Nadu", "Kudiarasu", "Viduthalai" etc., to Reading rooms maintained by the council. This was placed before the Library Committee and it resolved to subscribe for one copy in each of "Kudiarasu" and Dravida Nadu" for the Municipal Jubilee Library and reading room. The council in its resolution No.43 dated 29.6.48 approved the library committee's resolution. A copy of Municipal Council Resolution No.43 dated 29.6.48 is sent herewith. A on p.12 infra

The District Educational Officer, Tinnevelly East, Tinnevelly was addressed in this office letter No.C.5. 1566/48 dated 10.7.48 to approve the proposal of the council to subscribe for one copy in each of the journals "Dravida Nadu" and K KKudiarasu". Subsequently it was found that according to the orders contained in G.O.No.1217 Education dated 15.5.48, the approval of the District Educational Officer was not necessary for supply of newspapers and journals to the reading rooms and that his approval is necessary only in the case of supply of books to libraries. The District Educational Officer, Tinnevelly East, Tinnevelly was informed of the above fact in my Reference dated 26--12--48 and the supply of journals "Dravida Nadu" and "Kudiarasu" began to be made to the Municipal Jubilee Library and Reading room from 1.1.1949.

Not put up

2. Now the Divisional Inspector of Schools, Mathurai Division, Mathurai has communicated in his letter L.Dis. No. 234-0/49 dated 19.5.49 a copy of the proceedings of the Director of Public Instruction, Madras refusing permission for the supply of the above journals to the Municipal Jubilee Library and reading room. In accordance with the above proceedings the supply of the above journals has been stopped from 1--6--49.

The letter of the Divisional Inspector of Schools was placed before the council and in its resolution No.20 dated 29.6.49 the council resolved to request the Government to accord sanction for subscribing to the journals "Dravida Nadu" and Kudiarasu". A copy of the above resolution is sent herewith. B on p.12 infra

I therefore request that the Government may be pleased to modify the proceedings of the Director of Public Instruction and accord sanction for supplying one copy each of the journals "Dravida Nadu" and "Kudiarasu" for the Municipal Jubilee Library and Reading room if such sanction is considered necessary under the existing orders. I may state here that the Director of Public Instruction has since approved of the supply already m from 1--1--49 to 31--5--49 in his proceedings R.F.No.1323 G.I dated 30--6--49. I have not received the supply of the 2 pa pending orders of Government.

Libraries — Public — Selection of books — Instructions — Request for clarification.

In his letter in the c.7., the D.P.I. has submitted a copy p.1 c.7. of the letter from the Spl. Officer, Dt. Bd., Tiruchirappalli, for orders of Govt. in the matter. The Spl. Officer requests to be informed whether the instructions contained Ⓛ/7 c.7. in G.O. No. 122. Edn., dated, 19-1-'49, in regard to the selection of books for public libraries receiving Govt. aid, will be applicable in regard to the selection of journals, magazines, & dailies also which are to be purchased for these libraries. Kind attention is in this connection invited to the minutes of the former H.M. (Edn) on pages 3-4 and Ⓛ 6 N.7. of G.O. No. 122. Edn., dated, 19-1-'49. From para 2(5) of H.M.'s minutes on page 4 N.7. of the G.O. at Ⓛ, it would appear that the intention of the Hon'ble the Minister was that the magazines also which are vulgar or which contain vulgar pictures should not be purchased for public libraries in receipt of Govt. grant. ~~The D.P.I may therefore be informed that the instructions laid down~~

As public libraries are intended ~~for~~ grown up persons ~~men and women also~~, it is subd. that the D.P.I. may be asked to prepare a list of periodicals suitable for use in public libraries as in the case of secondary schools, instead of having a common list for both the secondary schools and the public libraries. ~~For orders.~~

The GOs relating to the distribution of grants for libraries are at (A) + (D). The conditions subject to which the grants are disbursed, are specified in para 1 of each of the GOs. One of the conditions is that books or magazines which are vulgar or which contain vulgar pictures, should not be purchased. The libraries are inspected by inspecting officers. The amount of grant paid varies from Rs 35/- to Rs 300/-. It is for orders whether the Dept. should interfere with the discretion of managements in the selection of magazines and dailies. Consistently with Government orders at p. 9 c.f. of the Linked File, undesirable magazines and periodicals should not be approved for libraries receiving aid from Government. The question is whether such magazines should be black listed or whether the magazines suitable should be listed as only those approved.

42

We have decided to have an approved list in respect of periodicals for schools. It should be possible to supplement this list by adding magazines fit for adults. This seems to be a better course as it implies more control both on the libraries and on the periodicals. Any library which fails to observe the approved list will become ineligible for aid from Government.
