Local bodies are informed that in schools maintained by them for adults, teachers may be granted a bonus at the rate of Re. 1 per adult in respect of the number of adults turned literate, every year. The expenditure involved on the grant of bonus should be met from the Elementary Education Fund of the local body concerned.

EDUCATION - Opening of Adult Night Schools - - Coimbatore Municipality - Enhanced remuneration to teachers.

The Coimbatore Municipal Council has resolved to open eleven night schools for the education of adults in the Municipality. The rates of remuneration fixed by the Government in G.O. No. 2204 dated 4-9-48, viz. Rs. 8/- for Secondary Trained Teachers and Rs.5/- for Higher Grade Teachers are inadequate and suitable trained teachers are not forthcoming to serve the Adult Schools. The Municipal Council therefore in its Resolution No. 870 dated 15-10-48 resolved to pay remuneration to the teachers in charge of the Adult Schools at Rs.15/- p.m. for Secondary Grade Teachers, Rs. 12/- p.m. for Higher Grade Teachers and Rs. 10/- p.m. for untrained S.S.L.C. candidates, with a contingent of Rs. 5/- p.m. for each school. The Government have been addressed for necessary sanction in this office letter No. 8671/49-C3 dated 22-7-49, and orders are still awaited.

A

2/ Unless the enhanced remuneration sanctioned by the Council is approved by the Government, it may not be possible to tackle Adult Education satisfactorily in this Municipality. It is requested therefore that the Honourable Minister for Education may be kindly pleased to issue orders approving the proposal of the Municipal Council. The expenditure on the opening of the Adult Schools is to be met by the Municipal Council from its funds entirely.

Dear Dr.Nanjappa,

Adult Schools - Pay of teachers -
Increase

With reference to the representation made by you to the Hon'ble Minister for Education and Law on the subject noted above I am to say that if the rates of remuneration to teachers of Adult Schools are raised as proposed by the Municipal Council, it will be difficult to prevent these rates from influencing those sanctioned by Government. The Government, therefore, are unable to allow the Council to sanction remuneration to teachers in Adult Schools at the enhanced rates. The rates laid down in G.O.No.846-Edn., dated 9-4-1948 alone should be adopted.

Yours sincerely,

Subject: Adult Education - Payment of salary to the teachers Coimbatore Municipality

Reference Letter No. 8671/48-C3 dated 22.7.49 from the Commissioner, Municipal Council, Coimbatore to Secretary to Govt. Edn and Public Health Department.

Submitted.

The Commissioner, Municipal Council, Coimbatore is of the view that departmental rates are too inadequate to attract teachers to adult literacy schools. The fact is also true that the Corporation of Madras is paying upto Rs 15/- to teachers untrained in adult education methods. In view of the fact that municipal areas are more costly to live in than villages, a difference in emoluments to suit this difference would appear necessary.

I recommend the payment of Rs 15/- (i.e. Rs 10 plus Rs 5 for contingencies) for the teachers trained in adult education methods working in Municipal areas. The excess over the departmental rates prescribed in G.O. No. 2204 Edn dated 4.9.48 may be met from the General funds of the municipality and treated strictly as a local allowance. I do not propose to recommend any enhancement of emoluments for teachers not trained in adult education methods as adult literacy schools run by such untrained teachers will mostly be as useless as the night schools of old.

Any part of the morning or evening for a period of not less than an hour and a half will be counted as a school day and 200 ~~such~~ school days are considered adequate for a school year. This works out to about 17 working days, or 25 working hours, per month. Day School teachers and others who may be employed in other professions or trades, may be employed as part time teachers provided they have the prescribed qualifications. The above rates ~~give about 12~~ work out to 8 annas a day to teachers under category (1) above and ~~4½~~ about 5 annas a day to teachers in category (2) above. C.No. 98927 B1/49. p11CF

Letter from the D.P.I., No. 1369 B1/49 dt.15-12-49.

The D.P.I. agreed to the payment of bonus to teachers with ref. to the number of adults turned literate. The proposals will involve additional expenditure from the funds of local bodies. If the system of bonus is extended to teachers conducting schools under private agencies, the expenditure on the item will have to be met ~~by~~ from Provincial Funds. But if it is not adopted for teachers conducting adult schools under private agencies also, there will be discontent among these teachers. For orders.

Have we not already provided (Rs ~~8000~~ 10000/-) for bonus in the supplemental scheme. In any case, the bonus is not likely to be considerable as the number made literate, even according to the best expectations are not likely to exceed even the provision made.

A. on p.5 ante:- It is true that provision has been made in the supplemental scheme for the grant of bonus and ~~a provision~~ that an amount ? of ~~Rs.1000~~ Rs. 10,000/- ~~is made~~ has been allotted for the purpose. The payment of bonus under the supplemental scheme is slightly different from that contemplated in this file as explained below.

2 . Under the supplemental scheme the bonus is payable at the rate of Re.1/- per adult w.r.t. the no. of adults turned literate. The scheme of opening adult schools provides for the edn. of 15 adults under a single teacher for period of 3 years. Assuming that all these adults are turned literate, the bonus payable to the teacher will be Rs.15 at the end of 3 years.

Under the scheme chalked out in this file, for 15 adults under his custody the teacher will be eligible for the bonus of Rs. 7 a month. He will receive a bonus of Rs.252 in the aggregate for 3 years under the scheme in this file, while the bonus admissible will only be Rs.15 for the period of ~~2~~3 years under the supplemental scheme.

We may have the same system of bonus, Re 1/- when the student is made literate, the payment in our original scheme of three year course, being made at the end of the first four months, or as soon as the adult student is proved to be literate by the same standards as under the supplemental scheme.

Further notes and orders ~~xx~~ in circulation on pp.3-6 above may be perused. The proposal of E & P.H. Secretary is presumably to extend the Supplemental scheme of bonus to teachers, sanctioned in G.O.3876, Edn. dated 19-12-49, to adult schools run by local bodies. According to this G.O. the bonus will be paid at the rate of Re.1/- per adult made literate at the end of three years. It is not clear why it ~~xx~~ is proposed to shorten the period to four months, or as soon as the student is proved to be literate. E.& P H. may be requested kindly to ~~xxxxxxxxx~~ elucidate.

Presumably the intention of the Secretary is that if adult literacy is secured at the end of 4 months, the remuneration should be granted to teachers at the rate of Re1/- per adult, so turned literate. This may act as an impetus to accelerate adult literacy.

The bonus is for literacy, according to a prescribed test. This can be achieved in four months, whether within our original course or in the four month & course under the Govt of India scheme. There will be no bonus in respect of the part of our course extending after 4 months

Please see the notes from the top of this page. The original of G.O.No. 3876 Edn of 19.12.1949 has since been obtained and put up at flag (C). It will be be seen from portion marked 'K' on p.62 C.F. of the G.O. ibid, that under the Govt. of India's scheme of Social Education, the duration of each course will be 4 months and therefore the scheme contemplates the grant of bonus to teachers in respect of adults turned literate at the rate of Re.1/- per adult, at the end of that period, according to a prescribed test. In the circumstances, Finance need not object to the proposal of E&P.H. to extend the ~~scheme~~ system of bonus to the original scheme extending to three years, the payment being made at the end of the first 4 months, or as soon as the adult student is proved to be 'literate', by the same standards as under the Supplemental scheme sanctioned in G.O.No 3876 Edn. of 19-12-1949. This may however be subject to the condition that payment should not be made more than once in respect of one and the same adult student, as it is likely that a student already proved literate may continue his course for the full period of three years. It does not seem possible to estimate the extra cost involved in the proposal.

A bonus may be necessary only to stimulate teachers to make adults literate within a shorter period than that contemplated by the Government in the main scheme, viz., 3 years; otherwise there is no point in giving a bonus at all. I would suggest that to start with a bonus of Re.1/- may be paid only when a student is made literate at the end of the first 4 months or less, and not ~~more~~ afterwards.

If the scheme does not help us to further the scheme of adult literacy campaign, very much, we may then think of extending the period suitably. This scheme may also be extended to ~~adult~~ adult literacy schools run by local bodies, but the expenditure on account of the payment of such bonus should be met out of the

There is provision for the payment of grant for 950 Adult schools. 450 schools opened ~~are~~ or to be opened under the original scheme introduced in 1948-49 and extended in the current year and 500 schools to be opened under supplementary scheme. These schools are to be conducted by private persons or bodies. Local bodies can establish and maintain adult schools (besides the 950 referred to above). The expre. on these schools should be met by local bodies from their own funds and no grant is payable for these institution from Provl. funds.

2. The rate of grant for adult schools conducted by private agencies had been fixed at Rs. 8/- per teache and Rs. 4/- for contingencies a month.. In the case of schools conducted by Ml.Cls., it has been laid down that the Ml. teachers in charge of these schools should be remunerated at the same rates as those fixed for privat schools. The Ml.Cl.,Coimbatore raised the question of increasing the remuneration to Ml. teachers in charge of adult schools. The proposal was decided in the negative. In that connection the question was raised whether teachers in Ml. schools may not be granted a bonus with reference to the number of adults turned literate. The D.P.I. concurred with this view.

3. In the supplemental scheme sanctioned to earn the grant promised by the G. of I., provision was made

87981 B2/50

for the grant of bonus to teachers conducting adult schools by private agencies at the rate of Re. 1/- per adult in respect of adults turned literate. The Secretary has noted that the system of bonus may be extended to Ml. teachers conducting adult schools. The expre. on bonus to Ml. teachers will, as pointed out by Fin., have to be met from the ele. edn. fund of the Councils.

p6 ante

4. The question for consideration is whether the bonus will be paid in respect of adults turned literate after the prescribed period of 3 years or only if the literacy is secured in a shorter period. The Fin. deptt. consider that it is not necessary to sanction a bonus to teachers in respect of adults turned literate after the usual period of 3 years and even in respect of adults turned literate after 4 months. According to them bonus ~~will become~~ need be ~~payable~~ paid only in respect of adults turned literate at the end of 4 months or within a shorter period.

5. The file may be circulated for orders

(1) whether the Ml. Cls.maintaining adults schools may be permitted to grant bonus to teachers from their funds in respect of adults turned literate at the rate of Re. 1/- per adult; and

(2) whether under the Govt. scheme (original or supplemental) a bonus may be granted to teachers only in respect of adults turned literate at the end of 4 months or within a shorter period.
