The case relates to the proposal of the Commander, 2nd Circle, N.C.C., Fort St. George for the local purchase of some articles of furniture (viz) racks, stools and side shelves. The E & P.H. dept. propose to accept the proposal in view of the fact that the J. G. of Prisons had already reported in August 49 in connection with an enquiry made by the Officer Commanding, 2nd Madras E.M.E. Section, N.C.C. College of Engineering, Guindy; that the Supdt., the Penitentiary had expressed inability to undertake any further order owing to the booking of heavy orders for the supply of furniture till 31-3-50.

It may be seen from the J.G.'s letter at p 5 of 2A that the Supdt., the Penitentiary had only expressed his inability to comply with the orders for furniture before 10-9-49 as he had booked heavy orders for furniture till 31-3-50. It cannot be presumed that the Supdt., may not be in a position to supply the articles of furniture required in this case.
