From

Sri.T.Prabhakara Rao Naidu, B.A.,
Inspector of Ml.Cls.&Local Boards, Madras.1.

To

The Secretary to Government,
Education and Public Health Department, Madras

Res. 63697-49 dated 8-12-49

Sir,

SUB: Visual Education - Karaikudi Municipality
Health propaganda exhibition of films - recognition of agency.

The Municipal Commissioner, Karaikudi in his letter No.H.10595-49 dated 29-8-49 (Copy enclosed) requested the Director of Public Instruction to recognise the council as an agent for exhibition of educational films, as the council has its own qualified cinema operator for exhibiting films to the public as well as pupils studying in all the local educational institutions and to advise the recognised producers of films to supply the council with educational films at moderate rates for hire. The Director of Public Instruction in his letter L.Dis. 1650-B1-49 dated 19-9-49 (Copy enclosed) informed the Commissioner that the question of recognition of the council, as an approved exhibitor for purpose of exhibiting shows in schools and colleges appears to be one of which, a reference to me is necessary, as to whether the council can function as an exhibitor for school outside its control and that his office can issue only a technical licence. The Municipal Commissioner Karaikudi has now addressed me in the matter, to recommend the council to be licensed as an exhibitor for educational institutions in and outside the municipal limits. There is a qualified cinema operator in the employ of the council whose services are utilised for the public health propaganda purpose. I request orders of Government in the matter.

tp-10-12-

Copy of this office letter No.H. 10595-49 dated 29-8-49 addressed to the Director of Public Instruction, Madras.

SUB: Visual education - Health propaganda - exhibition of films - recognition of agency - requested.

REF: This office RC.H. 10595-49 dated 18-7-49 and your L.Dis. 1408-49 dated 6-8-49

Under clarification(b) of the clarifications issued with G.O.No. 2036 Edn. dated 19-9-47 and proceedings of the Director of Public Instruction, Madras Res.No. 7443E/46 dated 15-10-47, it has been laid down that the education institutions should enter into a contract with a firm or producers or exhibiting agencies recognised by the Director of Public Instruction for the exhibition of films concerned with visual education.

In this connection I have to bring to your notice the following for consideration:

The Municipal council has its own qualified Cinema Operator and Cinema and Talkie projectors and other equipments for exhibiting films to the public as well as pupils studying in all the local educational institutions. The Municipal council now proposes to exhibit educational films also in the local high schools and colleges for providing visual education. There are at present two high schools for boys one high school for girls and one first grade college within the limits of the municipality. The total strength of all the institutions is estimated to be over 3000 besides the strength of the 14 free elementary schools maintained by the municipal council. The exhibition of visual educational films will be essential and for this purpose an exhibiting agency stationed permanently in this town is necessary. If the council is recognised

p.t.o.

as an exhibiting agency, for visual education it will not only afford visual educational facilities to the local educational institutions, but can extend the benefit to the institutions at Amaravathi Pudur, Kallupatti and Devakotta also which are within a radius of about 10 miles from the municipality after entering into a contract with the institutional Equipments maintained by the council.

1. 16 M.M. Talkie projector R.C.A. New model.
2. 35 M.M. Silent projector.
3. Magic lantern set 1

In the circumstances I request you to be good enough to recognise this municipal council as an agent for exhibition of educational films and also advise the recognised producers of films to supply the council with educational films at moderate rates for hire.

I request early and favourable orders in the matter.

Copy of letter No.L.Dis. 1650 B1/49 dated 19-9-49 from the Director of Public Instruction addressed to the Commissioner, Karaikudi municipality

SUB: Visual education - permission requested to recognise Karaikudi municipality as an approved exhibitor.
REF: Your letter RC 10595-49 H.1. dated 29-8-49

With reference to your letter cited, I have to state that the question of recognising your municipality as an approved exhibitor for purpose of exhibiting shows in schools and colleges appears to be one of which a reference to the Inspector of Municipal Councils and Local Boards is necessary as to whether the municipality can function as an exhibitor for schools outside its control. This office can issue only a technical licence after the above question is settled whether the municipality can be deemed an exhibitor belonging to the trade.

VISUAL EDUCATION - Recognition of Municipal Council, Karaikudy, as an agency for exhibiting films in the schools in and outside the municipal limits.

pages 1-29

From the Inspector of Municipal Councils and Local Boards, Roc.No.63697/49 dated the 8th December 1949.

Please see the letter from the Inspector of Municipal Councils and Local Boards on pages 1-2 c.f.

2. According to the scheme now in force for the provision of visual education in schools and colleges, a fee of Re.1/- is levied from the students studying in Forms I to III of secondary schools, Rs.2/- from those in Forms IV to VI and Rs.3/- from those in colleges. The proceeds of this fee is utilised for the exhibition of the films in the institutions concerned. The institutions should make their own arrangement with firms or agencies recognised by the Director of Public Instruction for the exhibition of the films and draw up a year's programme. The Municipal Council, Karaikudi, possesses the following projection equipment, namely, one 16 m.m. talkie projector, (R.C.A. New Model), one 35 m.m. silent projector, and a qualified operator. and a magic lantern set. The Commissioner of the Municipality has, therefore, requested the D.P.I. to recognise the Council as an agency to exhibit the films to the educational institutions in and outside the Municipal limits. The Director has informed the Commissioner that the question of recognition of the Council as an ~~agency~~ approved exhibitor appears to be one of which a reference to the Inspector of Municipal Councils and Local Board is necessary as to whether the Council ~~has~~ can function as an exhibitor for schools outside its control. The Inspector has brought the matter to the notice of Government for favour of orders. ~~It does not seem desirable to permit the municipal council~~ ~~If there is any objection to permit the Council to exhibit~~ ~~the films to schools outside its limit, it may be recognised~~ ~~as an approved exhibitor for the schools under its control.~~ ~~It is doubtful whether this can be treated as a~~ ~~remunerative enterprise. Even if permission is given it must be~~ ~~Competing with private~~ 3. The file may be sent to L.A. U.O. for remarks

This seems to me a very useful proposal, capable even of general application. We want visual education and individual schools may not be in a position to find the funds. Local bodies can do so, and can offer services, with approved plans at competitive rates, or even at cost price rates, there will be advantage both to local bodies and school
