Subject:- PROVISION OF SPECIAL FACILITIES FOR THE ADMISSION
OF CHILDREN OF GOVERNMENT SERVANTS EMPLOYED IN
MISSIONS ABROAD IN THE SCHOOLS, COLLEGES AND OTHER
EDUCATIONAL INSTITUTIONS IN INDIA.

Sir,

I am directed to say that the Government of India are anxious that the children of the Government Officers and staff serving in Indian Missions abroad be in no way handicapped in matters of their education, simply because of the absence of their parents from home who cannot pay any direct attention towards the sort of education their children receive in India. Such Government employees are generally anxious about the education of their children in India. This anxiety naturally

PTO

bears heavy on their minds and may hamper the efficiency of their work, which will certainly be not in the interest of the Government.

It has been suggested to the Government of India therefore that the admission of children of Government servants abroad in schools and colleges or other educational institutions may be considered favourably. In certain cases where a request is made to the educational authorities, the officials concerned might co-operate and help in finding admission to the pupils concerned. If the Provincial Government/State Government/you accept the above suggestions, I am to request that suitable instructions may be issued to the educational institutions and officials under your jurisdiction.

Yours faithfully,
H. S. Verma
