COMMISSIONER
KANCHEEPURAM MUNICIPALITY.

DN.29p.

Note for the council:

While placing before the council the revised estimate for 1949-50 and the budget estimate for 1950-51 both under General and Elementary Education Funds, I desire to bring to its notice the following:

A. GENERAL ACCOUNT:
REVISED ESTIMATE FOR 1949-50.

A net increase of Rs. 50,000 has been ~~taxed~~ taken under property tax on account of quinquennial revision of taxes.

Receipts under the following heads have decreased during the year:

	Budget provision.	Expected.
1. Compensation under Entertainment Tax	63000	55030
2. Tax on carriages and animals	8760	7520
3. Tax on carts	6020	4360
4. Fees for fairs and festivals	3900	3420
5. Pilgrim tax	13090	12030
6. Market fees	41800	40750
7. Slaughter house fees	5840	3250
8. Rent of lands	12400	3320

The expenditure under the following items has appreciably exceeded the provision made in the budget.

	Budget provision.	Expected expenditure.
1. Maintenance or roads	30000	46400
2. Street lighting charges	45700	47020
3. Malaria--Contingencies	2500	4200
4. Private scavenging staff	20690	23400
5. Special Sanitary arrangements	7000	9090
6. Maternity & Child Welfare contingencies	1440	4200
7. Market contingencies	2000	4030

1597/(X)

The Government, in their Memorandum No.70132-C1/49 dated 5-10-49, have stated that the deficit under the Elementary Education Account should be met from contribution from General Account. A contribution of Rs. 39291 is therefore payable in 1949-50 from the General Account to the Elementary Education Account as against the budget provision of Rs. 21000. It is mainly for this reason that the opening balance of Rs. 1,50,669 on 1-4-49 has come down to Rs. 93,551 on 31-3-50.

BUDGET ESTIMATE FOR 1950-51.

Provision has been made for the following items of expenditure:-

1. Maintanance of roads	Rs. 30000
2. Improvements to Markets	7000
3. Purchase of rubbish carts and construction of latrines	7000
4. Verandah for the office buildings	1300
5. Repayments of loans from Government for improved surfacing of roads	15560
6. Construction of ~~playgrounds for secondary schools~~ 10 bunks on road margins	3000
7. Acquisition of playgrounds for secondary schools	1500
8. Acquisition of lands for widening street corners	1500

Provision for contribution of Rs. 54,274 has been

P.T.O.

made to the Elementary Education Account to meet the deficit under that account, as against Rs. 22,000 in 1948-49 and Rs. 39,291 in 1949-50. It was with difficulty that the budget has been balanced. As this increased contribution is a recurring one, the expenditure under General Account far exceeds the receipts It is hoped that the Government will sanction a special recurring grant to the Elementary Education Account so that the contribution payable by the General Funds may be reduced and the finances put on a sound basis.

C. ELEMENTARY EDUCATION:

A provision of Rs. 4000 has been made in 1950-51 for the acquisition and construction of Elementary School buildings. As the financial position is not satisfactory, some schools may be abolished as already suggested by the Deputy Inspector of Municipal councils and Local Boards.

D. WATER SUPPLY AND DRAINAGE ACCOUNT:

Provision has been made in 1950-51 for the following:-

1. Erection of public fountains	Rs.	5000
2. Purchase of water meters	Rs.	2000
3. Construction of drains	Rs.	3500

For want of funds it has not been possible to carry out works costing Rs. 11,000 for which estimates have already been sanctioned by the council.

F.D. Extract from the L.A note file regarding the E.E. budget of the 'Kancheepuram' Ml. Cl.

Para 9 — Transfer to E.E. Acct:— The usual contribution is Rs. 10,370/- while the contribution approved in the B.E. for 1949-50 was Rs. 21000/- Subsequently this Deptt. agreed to the contribution being increased to the extent necessary to wipe off the deficit in the E.E. Acct. in the current year. The R.E. for 1949-50 provides for a contribution of Rs. 39,291/- With this contribution the E.E. Acct. for 1949-50 is expected to close with a nil balance. The contribution proposed for 1950-51, i.e. Rs. 54,274/- is more than five times the usual contribution. With this contribution the E.E. Acct. for 1950-51 is expected to close with a nil balance. The expenditure on El. Edn. has increased from Rs. 1.05 lakhs in 1947-48 to Rs. ~~to~~ 1.20 lakhs in 1948-49, 1.26 lakhs in 1949-50 and Rs. 1.33 lakhs in 1950-51. The General Acct. is not in a position to contribute large amounts to the E.E. Acct. and there is no scope for increasing the rate of Edn tax as the total rate of tax levied in this municipality is already sufficiently high, viz., 26-1/3%. There is therefore need for economising expenditure on Ely. Edn. if necessary, by closing down superfluous schools. E.ep. H. will no doubt consider the ~~case~~ question of stabilising the E.E. Acct. while explaining the E.E. Budget. The contributions provided in the estimates may stand pending examination of the E.E. budget.

X

Para 18:— General financial position:—

With reference to the B.E. for 1950-51 the ordinary receipts under the General Acct fall short of the ordinary expenditure by Rs. 37,000/

This is mainly due to the large contribution from General Acct. to Ely. Edn. Acct. There is no scope for increasing the rate of tax in this mplty. which is already sufficiently high, i.e. 26-1/3 %. Unless the Ely. Edn. Acct. is stabilised, it will not be possible for the council to present balanced budgets in future years. There is need for economising expenditure under the General Acct., also particularly under Public Health'

General financial position

The rate of property tax in this mplty is 26-1/3 %.

close with a surplus of Rs 2618. // LA have pointed out that the expenditure ~~is~~ has been increasing every year and that the General Account is not in a position to contribute large amounts to the E. E Account. The total rate of tax levied in this municipality is 26 1/3 % (ie) more than the conventional maximum. In order to avoid ~~such~~ large contributions in future from the General Funds, the Commr. may be asked to economise expenditure by closing down superfluous schools, if any, in consultation with the Director of Public Instruction. A draft order is submitted for approval.
